### Mobile Dental Center on Tour

A mobile dental instrument center, currently on tour by the Coastal Dynamics Corp., Venice, Calif., will be in Medford Saturday, Nov. 16.

The truck-trailer unit includes a model dentist's office which features the new Dynadent air-driven instrument center and vacuum sanitation unit.

The mobile unit houses an independent, pressurized water system and a gas-driven generator to provide electric power for a compressor which drives the instrument center and operates the display's sanitation facilities.

The model is on a six-week tour through nine states.
