

Medford, Phoenix Champions in All Three Prep Polls

Medford and Phoenix High Schools are the unofficial state football champions according to the final tabulations of all three rating polls in the state.

Medford paced the balloting for the A-1 honors in the Oregonian, Oregonian and Associated Press polls. Phoenix did the same in A-2.

Now the two Jackson County schools will attempt to protect those ratings as they enter into the official playoffs of the Oregon School Activities Association for the titles. Each is engaged in a quarterfinal this Friday night in its respective class.

Roseburg was runnerup to Medford in the Class A-1 poll and will entertain the Black Tornado on Friday night in a quarterfinal.

Vale was runnerup in two

polls in A-2 and North Catholic in one. Phoenix and Vale will meet in the semis if each wins its quarterfinal mix.

Final Associated Press tabulations were:

(A-1 Poll)	
1. Medford (7-1)	63
2. Roseburg (8-1)	59

Phoenix To Take On Douglas High In Ashland in A-2 Playoff Fray

PHOENIX — Annual football conflict between the Rogue and Umpqua Valley League standard-bearers is set for Friday night. This year the game has greater meaning.

Phoenix High School's Pirates, ranked No. 1 in final prep polls of the fall, carry on their campaign to add authority to unofficial recognition by advancing against the Douglas Trojans.

The game will be contested at the Southern Oregon College field in Ashland with kickoff billed for 8 p.m.

In past seasons the battle between the representatives of these two circuits has been for district laurels. This time Phoenix of the Rogue and Douglas of the Umpqua are full-fledged district titleholders. Their fracas is an Oregon A-2 quarterfinal. Winner will move on to a semifinal against either Vale or Woodburn High.

MAKES PIRATES GO — Ron Williams, above, Phoenix High quarterback, is called a "complete" football player by his coach, Jack Woodward. "He's what makes us go," the mentor said. Williams, 175, will be seen in action when the Pirates oppose Douglas at Ashland Friday night in a state A-2 quarterfinal.

The game originally set for the Phoenix field which is in poor shape from action there this season. Scheduling on the fine Fuller Field grass at Ashland will make for better footing and a better game although the field may be soggy, sloppy wet.

Phoenix will be favored on the strength of its top ranking in the polls, its fine season record, its better success against a common adversary and its depth of talent.

Here is the prediction of Leo Davis, writing for the Portland Oregonian:

"Phoenix over Douglas: The Pirates have too much of everything. Although Jack Woodward's varsity spent most of the season on the bench, Phoenix yielded only six points to nine opponents and scored almost at will. Douglas will disabuse the skills of Jon Granby, Ron Williams, Dave Westfall

slot backs and flankers either right or left. Phoenix operates with versatility with either single wing or T offense.

Stress Defense

The Trojans are looked upon as a good, tough football team which is well coached and has good size.

Phoenix in drills this week has been stressing drills quite a bit. Pre-game work this afternoon was slated in the final practice. Yesterday's workout included tackling and blocking drills, dummy defensive work, a little full-speed defensive drill and work on punt protection and covering kicks.

Fullback Jon Granby, Woodward reported is still not up to par because of ailing ankles. He'll probably start at end on defense with Dennis Grennan drawing the offensive full assignment.

Douglas has defeated Coquille 14-12, Gold Beach 14-7, Sutherlin 26-7, Glendale 44-7, Riddle 19-6, Myrtle Creek 28-6 and Bandon 20-12. The Trojans lost to Myrtle Point 20-18.

Phoenix Record
Phoenix has subdued Serra

21-0, Coquille 28-0, Sacred Heart 60-6, Rogue River 60-0, St. Mary's 20-0, Eagle Point 46-0, Illinois Valley 25-0, Lakeview 32-0 and Henley 28-0.

Douglas has rushed for 1,677 yards and passed for 770 this fall for 2,447 scrimmage net while respective totals of the opponents were 973, 630 and 1,603.

Phoenix tabulation is 2,260 rushing, 523 passing and 2,783 total. Opponents have 576, 707 and 1,283 corresponding tallies. Pirates out-totaled rivals in first downs 124 to 65.

PROBABLE LINEUPS:
Phoenix—Greg Esp and Gary Smith, ends; Ron Patterson and Gary McGarity, tackles; Dave Westfall and Ken Tycsen, guards; Paul Diederich, center; Ron Williams quarterback; Jim Consbruck, left halfback; Dale Sauer, right halfback; Dennis Grennan, fullback; Jon Granby to replace Grennan for defense.
Douglas offense—Chuck Person and Russ Anderson, ends; Jerry Langdon and Larry Rust, tackles; David Rust and Phil Daniels, guards; Roy Ellis, center; Dan Withers, quarterback; Pat Patterson, left half or slot back; Floyd Meridith or Gary Brown, right half, and Jim Heard, fullback.
Douglas defense—Rocky Trimble and Daniels, ends; L. Rust and J. Langdon, tackles; Warren (Tank) Hill and Mike Lewis, guards; Heard and Bob Langdon, linebackers; Patterson and Meridith, halfbacks; Brown, safety.

Chicago Area Fans To Travel To Find Television Sets To View Bear-Packers Grid Tiff

CHICAGO (UPI) — There won't be any turnstile count, but a considerable number of Chicago Bears and Green Bay Packers fans will be taking in their Sunday struggle without a ticket for a football game.

Instead they'll be buying railroad tickets, tollroad tickets, motel and hotel receipts and bar bills.

The almost 50,000 tickets for the game, between the two teams leading the National

Football League's Western Division, were sold out in July, and even the scalpers, with prices approaching the astronomical, aren't overly supplied.

Hence fans of all types are making their own plans to take in the spectacle via television, involving the problem of getting there, finding a video screen, and getting back.

No Way To Count

Two railroads, the Santa Fe and the Milwaukee, are running special trains to TV territory, and there's no way to count the people who'll ride a tollway to find a TV set.

The Santa Fe will haul its passengers to Galesburg, Ill., where they will be able to get the game from a Peoria TV station in a hotel. The Milwaukee will run to Lake Geneva, Wis., where they can watch video from Milwaukee or Madison, Wis., in a hotel.

The northwest tollway runs from Chicago to Rockford, Ill., where numerous motels and hotels offer video facilities, and a Rockford station to put the game on the TV screen.

The Indiana tollroad runs to South Bend, where one motel is offering 175 rooms, equipped with TV, on a first-come-first-served basis to anyone who shows up. A South Bend TV station handles the game.

Other outlets in the Midwest will make the game available in thousands of bars and motels, and friends in the area might expect an influx of guests.

Coach Wilt Decides To Feed Wilt

By United Press International

Wilt Chamberlain, thrust unexpectedly into the role of coach, viewed the San Francisco Warriors' state of affairs and made a firm decision.

The Warriors trailed, 29-19, at the end of the first period, Coach Alex Hannum was benched to the dressing room and the Cincinnati Royals' Jerry Lucas and Oscar Robertson were running wild.

Coach Chamberlain decided that the Warriors' best bet was to feed the ball to player Chamberlain.

With Coach Wilt directing signals, player Wilt went on to score 19 points in the second period, 13 in the third and 14 in the fourth for a game-total of 46 Wednesday night that lifted the Warriors to a 98-92 victory. It was a complete turnaround from Wilt's early games this season during which he was acted with more emphasis on play-making than in his four previous seasons in the National Basketball Association.

Bread and Butter

"I told 'em what I thought would go," said the 7-foot, 1-inch Chamberlain after the game. "And I got their cooperation."

Playmaker Guy Rodgers said it more succinctly: "We knew where our bread and butter was — and that's where we went."

Rodgers' steal and layup gave the Warriors a 91-90 lead with 4:28 left and then Chamberlain's rebounding kept them ahead the rest of the way. Robertson wound up as the Royals' high scorer with 28 points.

The Boston Celtics defeated the Los Angeles Lakers, 114-110, and the New York Knickerbockers beat the St. Louis Hawks, 106-102, in a double-header that drew 18,137 to New York's Madison Square Garden.

Tom Heinsohn scored 31 points and Sam Jones had 16 for the Celtics, who scored their 10th win in 11 games, while Jerry West had 35 for the Lakers. Billy McGill, acquired two weeks ago from the Baltimore Bullets, scored 28 points to lead the Knicks, who held Bob Pettit to a 4-for-21 shooting night and only 13 points.

Clowns Have Years Of Laugh Experience

Great Demands

They were originated by Al (Runt) Pullins, one of the greats of comic basketball. Pullins was a member of the original Harlem Globetrotters team in the late 1920s. He broke with Trotter boss Abe Saperstein in 1934 and went on the road with his own now-famous Clowns.

Demands for appearances have become so great that Pullins has formed two teams—a western unit and an eastern unit. The western group played the Loggers at Eagle Point last month. It is the eastern unit, on its way to their east coast bookings, which will go against the Loggers here.

Reserved and general admission tickets are available at Lamport's Sporting Goods store or at Bud's Tire Exchange.

Baltimore Meted Fine Of \$5,000

BALTIMORE (UPI) — The owners of the Baltimore Bullets readily admitted today that haste makes waste. It also costs money.

The Bullets were fined \$5,000 Wednesday by the Board of Governors of the National Basketball Association for failing to ask league permission to move their franchise from Chicago at the end of the 1962-63 season.

It was the largest fine ever assessed by the NBA, and it was paid immediately by Munya Goldman, executive vice president of the Bullets, to league President Walter Kennedy.

Goldman conceded that the fine was "fair," and then proceeded to explain why.

Anxious to Move

"Our transfer to Baltimore was in violation of an agreement with the NBA," he said in a prepared statement. "It called for us to stay in Chicago a minimum of three years when the new franchise was issued (prior to the 1961-62 season)."

"We were so anxious to make the move to Baltimore that we made the lease and contractual agreements before we could get the final approval of the NBA Board of Governors for the transfer of the Chicago franchise."

The announcement of the fine was made in New York by Kennedy following a meeting of the Board of Governors.

The Bullets originally were fined \$25,000 but it was reduced to \$5,000 following a review requested by Goldman.

During its two seasons in Chicago, the club did poorly, both at the gate and in the standings, winning only 25 of 80 games last season. The switch to Baltimore hasn't worked any miracles. The Bullets remain at the bottom of the NBA's Western Division with a 3-7 record.

Halas Says Bears Need Best Game

CHICAGO (UPI) — George Halas' view of his Chicago Bears game against the Green Bay Packers Sunday was bleak today from every angle except the final result.

"We can win," he said, "but the odds are against us."

"We must play our best game of the season, and much better than we did in our first game with them, when we played our best game previously this year. We've got to have an even greater effort Sunday."

The Packers and Bears share first place in the Western Division of the National Football League, each with an 8-1 record, but the Packers have an eight-game winning streak following their 10-3 defeat by the Bears in the season opener.

Something New

"They're a better ball club than they were at the beginning of the season," Halas said. "We've seen films of their last two ball games, but I expect them to come up with something new, and I don't know what it will be."

Halas shunned comment on whether the Bears were a better team now than for their first meeting with Green Bay, but he said that with Ronnie Bull, Willie Galimore and Charlie Davis all ready for action at the running halfback spot, the Bears might have some opportunities for surprise too.

"Let's not build up our great strength," he said. "The Packers have the edge on past performance. They've won two straight championships. They've beaten us five of the last six games. That's an indication of their over-all strength."

"And psychologically, they'll be primed emotionally for their best performance of the season because they want to prove that our beating them the first time was a mistake."

Lewis and Clark One Of Six in Running

PORTLAND (UPI) — Lewis and Clark is one of six teams in contention for three remaining berths in the National Association of Intercollegiate Athletics football playoffs, the NAIA's top official said Wednesday.

Al Duer, executive secretary-treasurer, said at Kansas City, Mo., that the teams will be selected Nov. 24.

The NAIA named St. John's of Minnesota to one of the berths Tuesday. Northern Illinois, top-ranked in the NAIA poll, took itself out of contention Wednesday by accepting a bid to the Mineral Water Bowl at Excelsior Springs, Mo., Nov. 30.

The teams still being considered, in addition to Lewis and Clark, are College of Emporia (Kan.), Kearney (Neb.) State, Northeast Oklahoma State, Prairie View and Southwest Texas State.

Hood Could Pass Battle In Rushing

PORTLAND (UPI) — Offensive and defensive standouts shared Lineman of the Week honors in the Oregon Collegiate Conference today with the selection of Oregon Tech's Vic Ventura and Portland State's Gary Kmetlic.

Freshman quarterback Mike Glines of Oregon Tech was voted Back of the Week by conference coaches.

Ventura caught 9 passes for 185 yards in a 13-7 loss to Southern Utah last weekend.

Kmetlic, a linebacker, was a defensive standout in his team's 14-7 loss to Linfield.

Glines completed 15 of 32 passes for 273 yards.

Bob Battle of OTI leads the league in rushing with 647 yards, but SOC's Mike Hood has a chance to pass him this week end. Hood has 573 yards. Bill Bailey of SOC appears to have the passing title wrapped up with 87 completions in 169 attempts for 898 yards.

Johnny King Leader In PBA Tournament

GARDEN CITY, N.Y. (UPI) — Cigar smoking Johnny King of Chicago took the first round lead in the fourth annual Professional Bowlers Association's championship Wednesday, finishing nine pins in front of Ron Winger of Van Nuys, Calif.

King bowled 1316 for the six games while Winger came through with 1307.

Johnny Guenther of Seattle was in eighth spot with a total of 1268.

Cosmo Iacavazzi, Terry Isaacson Run One-Two in Scoring

NEW YORK (UPI) — Cosmo Iacavazzi of Princeton and Terry Isaacson of Air Force today are running 1-2 in the college football scoring race.

The NCAA Service Bureau statistics show Iacavazzi leading the race for the second straight week with a 10-point bulge over the Air Force quarterback.

While the Princeton fullback scored the Tigers' only touchdown against Harvard, Isaacson raced into second place with a 20-point production against UCLA. Iacavazzi has 72 points compared to Isaacson's 62 points. They both have two games remaining.

In the pass-catching department, Lawrence Elkins of Baylor increased his lead to 17 with 56 completions thus far this season.

Elkins caught 12 against a strong Texas team and needs just 15 more to set a new record for receptions with three games remaining. Elkins also leads the nation with seven touchdown receptions.

John Simmons is second with 39 completions and Stan Crisson of Duke is running third with 37.
