Thompson Trial Moves Toward Lab Evidence

MINNEAPOLIS, Minn. (UPI) — A footprint lightly tinged the new white of a feathery pre-dawn snow with a suspicious red stain — was it the killer's? Or another man's?

Elzerman was just getting started when the first-degree murder trial of the 35-year-old little lawyer and former church elder and trustee...

Thompson, a 5-foot-6 towhead from the turkey-raising country southwest of here, worked his way through law school...

At 10:35 a.m., Theodore Roy Elzerman arrived. He is a criminalist in charge of the St. Paul police laboratory. The state's 75th witness as its case now coasts downhill to a climax expected late this week...
