Police Seek Man In Canby Slaying

OREGON CITY (UPI)—Police today continued to seek a man for questioning in the gunshot slaying of Minnie Kornelia Milleson, 63, a widow from nearby Canby.

Her body was discovered in her home by a neighbor on Sunday. She apparently had been shot Saturday, police said.

Police said two transients who were picked up while driving the dead woman's car had been cleared as murder suspects. They apparently found the car in Portland's skid road district, police said.

Property Damage Results from Crash

Comparatively minor property damage resulted when a car driven by Louis Crawford Burn, 44, of Box 1307, Medford, hit an unattended car on Crater Lake Avenue yesterday at the north city limits, state police said.

The Burn car overtook and started to pass a northbound car when it hit the unattended car on the west side of the highway and in the southbound lane.

The car was registered to Carl D. Campfield, 107 Kings Way, Central Point. However, when contacted Campfield said he had sold the car. State police have a number of articles from the car and hope the owner will contact them.
