

White City Vets To Get Feasting

WHITE CITY—Members in the White City Veterans Administration Domiciliary will have all the traditional feasting that goes with the American holiday, according to James A. Hurson, Domiciliary Director.

Turkey and the trimmings will be served in the domiciliary dining room and will be carried on trays to those who are confined to infirmary beds.

The domiciliary has bought food in tremendous amounts to prepare the dinner—650 pounds of turkey, 250 pounds of potatoes, 200 pounds of cranberries, olives, and other relishes, and huge quantities of additional foods.

The atmosphere will be festive with colorful decorations, tray covers and napkins. Trimmings will include regional customs such as special kinds of dressing, vegetables, and pies, Hurson noted.

In addition to the feasting, traditional Thanksgiving programs of a patriotic nature will be presented and religious services will be offered during the day at the domiciliary, Hurson said.

Family members and friends from the VA Voluntary Service plan to visit veterans.
