League leading Denver is at second place Los Angeles to night in a big Western Hockey league battle that highlights a full evening of action.

While the two leaders fight it out, third place Seattle will try to gain ground at Vancouver, while San Francisco hosts Portland.

Meanwhile, veterans Guyle Fielder of Seattle and Phil Maloney of Vancouver have again swapped places atop official scoring statistics.

Fielder last week registered four assists to climb to 34 total points, based on eight goals and a league leading 26 assists. Maloney managed only two assists last week and has 33 points.

Vancouver's Buddy Boone still maintains the league goal-scoring lead with 14 markers. Close behind are Rudy Migay of Denver with 13 and Leo Labine of Los Angeles and Bob Barlow of Seattle with 12 apiece.

Denver's first place position can largely be credited to Al Miller, who leads goalies with a 2.86 average. Jimmy McLeod of the Los Angeles Blades has the same average, but has played far less games.

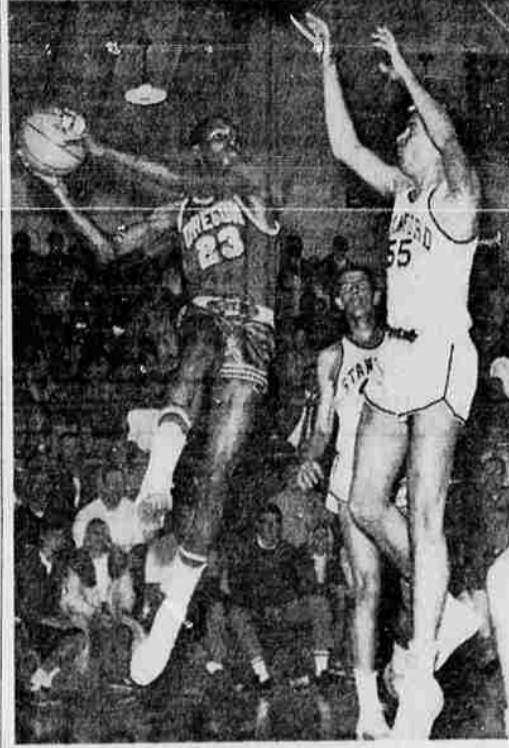

Seattle's Larry Zeidel has spent 21 minutes in the penalty box in 21 contests to top that department.

Longhorns Win National Football Championship

By GEORGE C. LANGFORD
UPI Sports Writer
NEW YORK (UPI) — Two years of frustration during which the University of Texas missed the national football title by a total of seven points ended for the Longhorns today when they were crowned the 1963 major college football champions by the United Press International Board of Coaches.

For 13 seniors, the national championship was particularly gratifying, remembering how narrowly they missed the honor the last two seasons.

"We had a little pact between us (seniors) this year that we wouldn't settle for less than 10-0," senior tailback Tommy Ford, the Southwest Conference's leading rusher, revealed.

The Longhorns produced the perfect record, the only one in major football this season and Texas' first in 43 years, to attain the apex which slipped through their grasp in 1961, when their only blemish was a 6-0 defeat to Texas Christian, and again last season when Rice hurt them with a 14-14 tie.

Navy finished a distant second, but nonetheless reached the highest ranking held by a service academy in the 14-year history of the UPI ratings. They held the runnerup spot for the last month of the ratings and collected the other four first-place ballots.
