

UPI, American Heritage Plan Book on Death

NEW YORK (UPI) — "Four Days—The Historical Record of President Kennedy's Death" has been chosen as the title of the book to be published shortly by United Press International and the American Heritage Company.

Material was being assembled today with a view to making the book available to the public in record time. It will be distributed early next month through UPI subscribers exclusively and through retail book stores in February.

Mims Thomason, president of UPI, and James Parton, president of American Heritage, said the elaborately illustrated documentary account would contain a preface by Bruce Catton, historian and senior editor of American Heritage magazine.

It will be published in hard covers, the content based on UPI's news and picture coverage, beginning with the late President's arrival in Dallas on Nov. 22, and ending with his burial in Arlington National Cemetery Nov. 25.

Thomason said a special staff of UPI executives under the direction of Earl J. Johnson, vice president and editor of the service, and Harold Blumentfeld, executive editor of UPI News-pictures, was at work with Joseph J. Thorndike, Jr., editorial director of American Heritage, in the selection and editing of material for the book.

The volume is being offered to UPI subscribers at reduced prepublication rates for resale under their individual auspices and imprint.

Blumentfeld said he was making selections for the picture pages from thousands of black and white and color photographs made by UPI photographers during the four-day week-end.

Many of UPI's more striking dispatches will be reproduced just as they were carried in the service from reporters who covered the momentous events in Dallas and Washington.

"Four Days" will be issued in the regular format of American Heritage magazine.

Funeral Services Set for Ex-Red

NEW HAVEN, Conn. (UPI)—Funeral services will be held today for Elizabeth Bentley, the Communist - turned - informer whose testimony helped send atom spies Julius and Ethel Rosenberg to the electric chair.

Miss Bentley, 55, died Tuesday at Grace-New Haven Hospital after undergoing abdominal surgery. She had lived in nearby Middletown, and taught at the Long Lane School for Girls in Middletown, Conn.

Miss Bentley, after her defection from communism, accused more than a score of government employees of being part of Red conspiracy in the United States. Among them was the late President Roosevelt's assistant secretary of the Treasury, Harry Dexter White, whose true identity has never been established. White is now dead.

Her defection came in 1945 when she walked into the New Haven FBI office and told agents there that she was "one of the most important couriers for Soviet espionage in the United States." She told them she had been the courier between Washington and New York and disclosed the existence of two major Red spy rings.

In later testimony before congressional committees she said she became increasingly disillusioned with communism after Jacob Golos, chief of the Russian secret police in the United States, died in her apartment in 1943. She said she had fallen in love with Golos, who when alive had worked with the Rosenbergs.

UC Contributions Reach \$147,317

The United Crusade campaign has reached 81.5 per cent of the \$180,000 goal, it was reported at the Dec. 3 report meeting. Amount collected so far totals \$147,317.

Jerald J. McGrew, campaign chairman, said that plans include a final push by all solicitors to complete their work not later than Dec. 16. He attributed losses in the fruit industry as being partially responsible for the present campaign collections being behind last year.

United Crusade volunteers will attend a free dinner Thursday, Dec. 5, at 7 p.m. at Kim's Restaurant. Henry Fong, owner of the restaurant, has volunteered this service for the past several years. Entertainment will be provided by The Kinsmen, a musical group obtained by Dr. Justin Dyrud of the Medford High School staff.

Persons wishing to make contributions to the United Crusade may send them to Post Office Box 5000, Medford.
