STEVE CANYON

BACK IN WASHINGTON, STEVE FINDS LETTERS FROM POTEET CANYON AT MAUMEE UNIVERSITY

MILTON CANIFF

... this is a laugh — I have been asked by the AIR FORCE R.O.T.C. cadets to run for Snow Ball Queen — Against B-e-e-woc Boyd!

...But of course you don't know B-e-e-woc! They call her that because she is a B-E-E-G WOMAN ON CAMPUS!

Sunday, Dec. 8

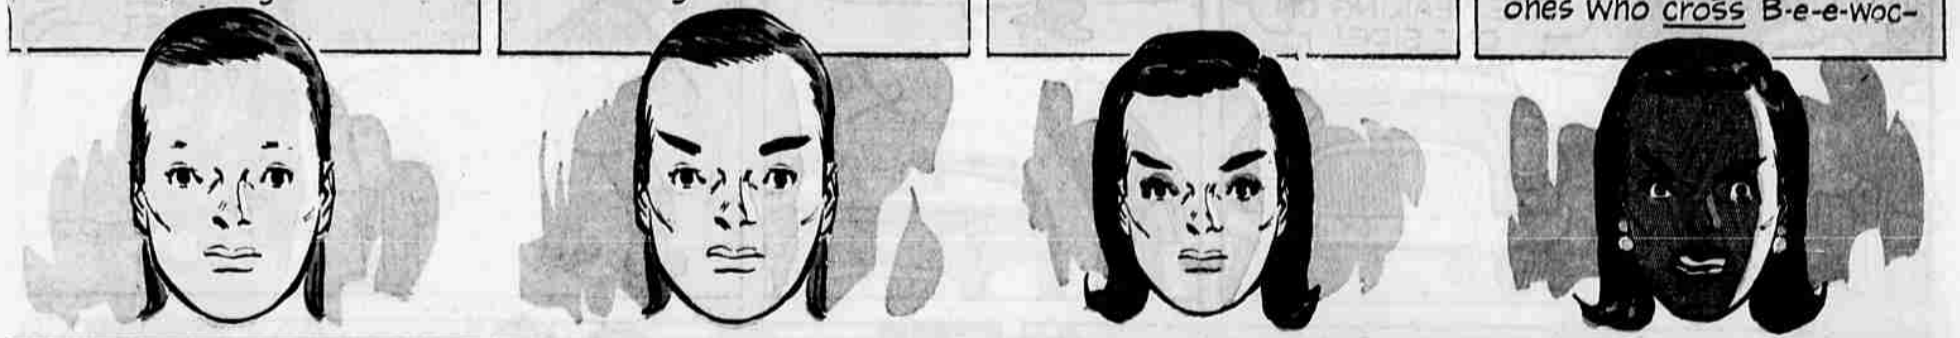

- 7:00 Study for Math quiz
- 8:00 Breakfast with Pteryx
- 9:00 Church
- 10:30 Committee for senior
- 12:00 Dinner at Sig Alph Hon with Charlie

Of course all this is hearsay — and probably some is sour grapes. She is actually a plain girl...

...until she starts to put herself together in the morning....first the witchy eyebrows...

then the innocent eyes — (which fool all the boys, but none of the girls....) — plus the hair do

... but the mouth controls the females in her faithful following... for the obedient ones it is benign, but for the ones who cross B-e-e-woc-

Our heroine has held every important job that a coed may fill, but the juicy BIG honor is to be Queen of the Snow Ball...

B-e-e-woc has been grooming herself for this since Freshman year. — I hear, she even has her dress all fitted and ready for her coronation

... I declare, Cousin Stevie B., can you imagine sloppy ol' Poteet running for Snow Ball Queen Against Beautiful B-e-e-woc Boyd? Those nice Air Force R.O.T.C. boys must have lost possession of their senses...

But we shall see...
