Bears, Packers, Giants Dominate NFL All-Stars

NEW YORK (UPI) — Jimmy Brown of the Cleveland Browns, pro football's greatest running back, regained his place on the 1963 National League all-star team today by unanimous acclaim.

The Chicago Bears, Green Bay Packers and New York Giants each placed five men on the 22-man, two-division team; the St. Louis Cardinals had three representatives; the Detroit Lions two, and the Browns and Minnesota Vikings one each.

PITTSBURGH (UPI) — The Pittsburgh Pirates purchased lefthanded relief pitcher Bob Allen from the Cleveland Indians Monday and sold outfielder Larry Elliot to the New York Mets.

PERFECT GAME—Dick McKenzie, above, rolled a perfect game Sunday at Roxy Ann Lanes. It is the first 300 game to be rolled at Roxy. McKenzie accomplished his feat in open bowling and thereby missed the monetary and merchandise awards of league play under sanction of the American Bowling Congress. He will get a trophy from the Oregon State Bowling Proprietors Association. McKenzie's 300 was in a practice round on two alleys, Nos. 15 and 16. He'd gone to Roxy for a make-up game in the Coca Cola Invitational Singles League and his rival was late. Dick reported the ball perfect in the pocket on all 12 strikes. Dick carries a 201 average in the Coke league and has averages of 190 in the Medford Classic League and 187 in the Commercial League at Medford Lanes. His highest previous game was 287 in the Northwest Tournament at Tacoma, Wash., in 1951. McKenzie is employed at Medford Lanes.

Upsets Jumble Basketball Ratings

NEW YORK (UPI) — Michigan and Kentucky moved up to challenge top-ranked Loyola of Chicago today in the United Press International college basketball ratings. The weekly standings were jumbled by a series of upsets.

Loyola's high-scoring Ramblers survived a close brush with the upset wave against Detroit and Western Michigan during the week and thus dropped four first-place ballots from last week. The undefeated Ramblers were ranked No. 1 by 28 of the 35 coaches on the UPI rating board this week.

Unbeaten Michigan, an early-season favorite to capture the Big Ten crown, skipped three places to second, receiving three first-place ratings and totaling 245 points, 80 behind Loyola.

Kentucky, which has broken the 100-point mark three times in winning five straight, moved four positions to third with two first-place votes and 202 points. Duke, one of five members of the top 10 last week to be upset, dropped from second to

Boosters Would Welcome OCC Probe of Southern Oregon's Athletic Scholarship Program

ASHLAND — "The Red Raiders Boosters Club would welcome an investigation of our athletic scholarship program by the Oregon Collegiate Conference," Ed Singmaster, president of the club declared yesterday.

His statement was in answer to a proposal by Dr. Alexander Petersen Jr., former chairman of the Southern Oregon College department of physical education.

Petersen Saturday called for an inquiry of the college's athletic practices by the American Association of University Professors.

Singmaster said, "Our club is made up of a great many businessmen in Jackson County whose contribution averages about \$100 each per year. We help from 15 to 18 boys with tuition only which amounts to \$80 a semester.

"We feel that a modest type program such as this is of benefit to a teacher educational institution such as Southern Oregon College. We believe our program is good for the school, the student body and athletics and we hope to continue it in the future."

Singmaster pointed out that there are "no strings attached to the money, whatsoever," and the Boosters don't dictate to school officials whom to use if for.

Petersen at an Oregon Collegiate Conference meeting last Tuesday accused his own school of two violations of the OCC compact. He maintained that SOU basketball practice began before the official Nov. 1 opening date and charged that athletic scholarships had been issued by coaches rather than by an academic committee.

The charges were denied by Dr. Theodore Schopf, head basketball coach and by Dr. Elmo Stovenson, president of the college.

In a formal statement to the Ashland Tidings, Dr. Petersen said he would not seek to regain his position as department chairman. He stated that Dr. Stovenson had accepted his resignation after previously rejecting it. The resignation was submitted a year ago.

Petersen proposed the AAUP inquiry because of conflicting "facts" being put before the public.
