

Newspicture Award To Aid Youngster

NEW YORK (UPI)—Money usually awarded in the monthly UPI Newspictures contest will go to the Pattie Corte fund for November because the assassination of President Kennedy and related events produced such a flood of outstanding UPI newspaper coverage that the contest judges felt it unfair to single out any picture or photographer.

Pattie Corte, now 17, is the daughter of the late Charles Corte, former UPI photographer in Washington. Corte, Mrs. Corte and Mrs. Corte's aunt were killed in an automobile accident August, 1961, in which Pattie was so seriously injured that she now is a paraplegic.

Desparadoes Held On Murder Charge

CAMERON, Tex. (UPI)—Four desperadoes, accused of murder in a week-long robbery rampage, sat glumly in their jail cells today, looking "like the end of the road."

The four, Cecil Green, 21, John Lucas, 19, Gerald Eaton, 18, and Dennis Woods, 17, were captured in a door-to-door, barn to barn search Monday after they returned to the scene of a crime they were accused of committing last week.

They were found in an abandoned farmhouse.

The four carnival workers surrendered meekly, even though they were armed with two shotguns, two rifles and a pistol. Eleven more rifles and shotguns were found in a car they had abandoned.

The four were charged with the Friday night slaying of Leland Culpepper, 55, at his home in York, Ala., and armed robbery of families in Buckholts, Tex. and Randlett, Okla.

This Week's Plan for Home Builders

How to achieve the maximum of usefulness in a minimum amount of space is every prospective homeowner's budget problem—a not insurmountable one, as is illustrated in this compact three bedroom home. Spaciousness and even grandeur has been achieved by excellent planning in this medium size design—a difficult problem in a home with this number and size of rooms.

Each area of this design contributes to the overall livability of the home. First, the "dead-end" living room is just off the entry. A bank of windows looks out over a low planter toward the street. For greater expansibility, sliding glass doors open to the roofed patio as do similar doors in the family room. With such easy access, the patio becomes a private outdoor living area and gives a substantial illusion of extra space to both the family and living rooms.

Half-Wall at Nook
 The ample size and informal family room is partially open to the kitchen because of the half-wall at the nook. You'll thoroughly enjoy the kitchen due to the remarkable efficiency of the built-ins and the touch of luxury which they add to contemporary living. In addition to the generous amount of cabinet storage, there is an extra wide floor to ceiling pantry. Note the spaciousness of the nook area.

To decrease the number of baths, one bath is accessible from both the service and the master bedroom. The other bath is off the bedroom hall. Linen, broom and guest closets open to this bedroom hall. Notice the wide built-in telephone desk with wall cabinets over which is located next to the broom closet.

The garage door has been offset in the oversized garage—21'x21' outside dimensions—to provide space for storage, forced air furnace and water heater along the wall next to the bedroom wing.

The interesting roof lines together with the wide eaves and the brick planters all flow together to form an appealing exterior.

Complete working drawings for this plan can be purchased at a cost of \$7.50 for the first set and \$5 for each additional set when ordered at the same time. This plan will be available at these prices until April 15. Please allow two to three weeks for delivery. The following home plan books are also available: Halfmark Homes \$1; Homes By Hiawatha \$1; Town and Country Homes \$1; Homes For Living \$1; Delineative Homes \$1; Ranch and Modern Homes \$2. All books: a \$7 value, minus \$3. Send all orders for either plans or books to: Hiawatha Estes, P. O. Box 404-T, Northridge, Calif.

Motions Filed in Mail Fraud Case

PORTLAND (UPI)—Three men found guilty of mail fraud and conspiracy in the sale of land in a Harney County subdivision filed motions Wednesday asking that the convictions be set aside.

U.S. District Judge John P. Kilkenny, who heard the case earlier this month in Pendleton, set a hearing for Monday morning here.

Richard D. Walker, 41, Los Angeles; John M. Phillips Jr., 38, Evanston, Ill.; and Jack C. Cherbo, 37, Chicago.

The motions contend that there was insufficient evidence to support a conviction and that the judge erred in allowing prejudicial and improper testimony.

The men are scheduled to be sentenced Feb. 4. Four other defendants indicted in connection with the sale of Lake Valley land tracts 22 miles south of Burns were acquitted.

The common garden snail has 14,125 teeth. These are located on the snail's tongue in 135 rows, each row containing 105 teeth.
