

Shown above are the outfits that the men and women of the United States Winter Olympics team will wear in the opening parade of the 1964 games. The IX Winter Olympic Games will be held in Innsbruck, Austria, January 29 to February 4. The smartly styled great coats, lined in Acrilan acrylic fiber, provide brightness, lightness and warmth. Knitted ribbing at the collars and pockets are in alternating stripes of red, white and blue. The same type ribknits are used on the headgear and can be worn over the ears as the weather dictates. The stretch ski pants, in navy blue to complement the coats, provide a trim appearance and eliminate any binding.

### Olympic Games Athletes May Win Clothing Prizes

By WALTER LOGAN  
NEW YORK (UPI) — The 150 American men and women athletes taking part in the IX Olympic Winter Games next Jan. 29 in Innsbruck, Austria, may not win all the gold medals but if there are prizes for being well-dressed they could win hands down.

For the past several weeks the athletes have been going in small groups to headquarters of the United States Olympic Apparel Committee on Park Avenue to be fitted in parade and ski outfits — and after ski outfits — that may make them the talk of Innsbruck.

The colors are red, white and blue, of course, but the clothes will encompass the latest trend-setting fashions and fabric with a heavy emphasis on stretch not only in the actual racing

### Girl Scouts

**Firefly Patrol**  
The Firefly Patrol of Girl Scout Troop 139 took tray favors to Rogue Valley Memorial Hospital on December 20. Decorative candles were made by putting glitter and sequins on small jars and placing votive candles in them.

We have been learning how to plan a Scout's Own, which is a ceremony expressing the spirit of Girl Scouting. Kaye Maciolek, Julie Clarke, Joan Boehne and Sandra Boulware gave a Scout's Own with an Autumn theme. Carolyn Berry, Beth White, and Robin Murray used the Thanksgiving theme. Karen Langston also helped plan the Thanksgiving Scouts' Own.

After Christmas vacation we will begin our badges on cooking and sewing. Mrs. Richard Clarke will be leader for the sewing badges and Mrs. Russell Boulware for the cooking. Mrs. William L. White has been leader of the patrol these first months.

### Winner Announced

The winner of the annual DAR Good Citizens Contest was announced at the last meeting of Crater Lake Chapter, Daughters of the American Revolution, at Girls Community Club.

Mrs. Paul G. Weidner, chairman of the good citizens committee, announced that five high schools in Jackson County had participated in the DAR Good Citizens Contest and that Beth Biden of the Prospect High School is the winner. The Good Citizens girl from each of the five high schools and their mothers will be guest of honor of the chapter at a tea in April at which time a pin and award will be presented to each one.

Members answered roll call by displaying or describing an antique which belonged to their family. Included in the display were an album, gun, portion of a newspaper printed on wall paper, sandwich glass, jewelry, china, silver and a small tea chest.

A group of songs appropriate to the Christmas season sung by the Rev. David R. Brown, accompanied by Gregg Smith, was the opening number of the program.

A program on the "Origin of Christmas Celebrations," arranged by Mrs. T. J. Gifford, chairman of the program committee, was given by members and included the use of mistletoe, holly, Christmas tree, candles and yule log.

The Rev. and Mrs. Brown and Gregg Smith were guests of the chapter.

The meeting closed with a gift exchange.

### Listers Here for Holidays

Mr. and Mrs. H. Lawrence Lister and daughters, Jennifer and Cheryl, of Portland are among Christmas week guests in the city. They arrived Sunday to visit Mrs. Lister's mother, Mrs. Jack M. Hartley, daughter Brenda, and son Brent, until Friday at their home, 1408 Fortune Drive.

Mrs. Hartley's son, Michael, student at Oregon State University, is spending the holidays at the Mammoth Lakes ski resort in California, where he worked last summer.

### Recipe Listed for Green Bean Chowder

On a cold evening, hot soup tastes mighty good, especially this quick and hearty green bean chowder.

Simmer canned blue lake green beans, frozen cream of potato soup and instant minced onion with a bay leaf until mixture is piping hot. Serve with a garnish of crumbled bacon and paprika.

Three cups shredded green cabbage; one cup shredded red cabbage; one tablespoon minced onion; one-half cup French dressing. Combine ingredients and chill until needed.

**Real Americana**  
The real Americana starts in the women's after-ski outfits. Burlington Mills which provided the fabric for the costumes wanted something American so they made a pile fabric black and white in fake pony skin for a long skirt to be worn with various colored blouses or sweaters.

The specially designed clothing was provided under the guidance of Burlington Industries, Inc., (Thestrawand Company, Edelweiss Ski Wear and Hart Schaffner & Marx. It is provided for the athletes free of charge under Olympics arrangements.

### READ! THE TRUE FACTS: WHY SOME WOMEN LOOK YOUNG AT 50 WHILE OTHERS LOOK OLD AT 35

by Helena Rubinstein  
Creator of Ultra Feminine, the unique face cream that reduces lines and wrinkles due to dryness, starts you looking younger today.

Just as some girls reach adolescence at 12, others at 14 or later, you and I know that women show signs of age at different times. Some begin to age as early as 35, while others seem forever young. It depends greatly on individual skin and body chemistry, and each woman's supply of estrogen and progesterone, natural substances plentiful in youth, but diminished in later years. (See chart.)

Because there are no substitutes for nature's youth-giving properties once they are lost, we have sought to return to aging skin two of these natural substances, estrogen and progesterone, in a face cream. Ultra Feminine® is the only face cream that contains both of these female requisites.

These substances cannot be stored by your skin, so results depend on daily use. Ultra Feminine works within the skin... gives a daily replenishment of estrogen and progesterone. When you use Ultra Feminine regularly oil glands produce at a more youthful rate! Skin cells can hold maximum moisture! You will find that lines and wrinkles due to loss of oil and moisture are reduced! The skin's surface becomes soft, smooth; younger skin tone is restored. Yes, your skin looks younger! No other face cream, no matter how high-priced, can make these claims for effectiveness.

If you are 35 or older, I recommend that you begin Ultra Feminine treatment for your skin now! And I make this Guarantee: Use it faithfully for 30 days. Your skin must look younger, or your money back.
