There is hardly a question but that the Pacific Northwest will this fall harvest the greatest wheat crop in its hisby leading men in the grain trade to be a conservative estimate. The the yield, but ten days more of lack of rain will not endanger the crop. After that a continuance of dry weather will become more serious. It is conceded that the output of the valley will be light and spring grain is suffering from lack of moisture in some sections east of the mountains, but the great bulk of the crop is as yet in no danger.

## READY TO RUSH ON LAND.

Presence of Many People at Bonesteel Causes Troops to Be Sent.

Bonesteel, S. D., July 2 .- The government has ordered three companies of regular troops to Bonesteel to assist the local authorities in preserving order during the rush incident to the opening of the Rosebud reservation, which will occur July 5. The first serious incident in connection with the rush occurred last night when "Kid" English, a cook, was fatally shot by Police Captain Ault. English, it is said, became boisterous and the officer ordered him to "move on." He refused, and in an altercation which followed, Ault shot him. The officer was arrested and taken to Fairfax for safe keeping.

About 6,000 persons are quartered in tents and temporary buildings awaiting an opportunity to register. Locaters estimate that 35,000 persons will be here during the registration period.
