STATE GRANGE.

Continued from last week.
round out four terms.
There are now 92 granges in the state and a few in Idaho which belong to the Oregon jurisdiction, as Washington once did. During the coming year the executive committee will send organizers into Idaho, with the object in view of creating a separate jurisdiction, so as to give that state a representation in the National Grange.

There is much competition among the country towns for the honor of receiving the State Grange during its annual conventions. As they can only be accommodated once in about ten years, their people are always ready to welcome the delegates and visitors in the most royal manner, and the sessions do much good in a social way as well as doing work for the advancement of the order.

The fire and life insurance features are advanced in a steady way. Both are on a sound footing and pay losses promptly. The report of the fire insurance department shows the amount of risks in force to be \$635,781. Only members of the Grange can avail themselves of these features.

Pittsburg.

W. D. Case has a fine patch of alfalfa, about 1/2 acre, seeded this spring. Every one here about is watching the result, hoping it will be a success, but there are many doubting Thomases as he did not inoculate either seed or land.

It is reported that Natal Grange had a fine meeting, last Saturday, with one application for membership.

Natal school gave an entertainment at Natal Grange Hall last Saturday night, with what success we have not heard.

The eagle will scream at Natal Grange July 4th. Come one, come all. There will be base ball and other games winding up with a dance at night. A good time is assured.

New potatoes, turnips, carrots, cabbage and cauliflower in the vegetable line; strawberries and red raspberries for dessert in this neck of the woods.

Haying will soon begin here with a good crop. All crops look well and growing fine. Weather perfect.

Preparations are going on for a big celebration at Natal Grove, July 4th.

The entertainment in the Grange Hall last Saturday evening was splendid. A good program was rendered; the arithmetic match between Natal and Mist resulted in favor of the latter.

A grand celebration will be held at Natal Grove, July 4th. An excellent program will be rendered. Basket Picnic Dinner at 12:00 m. There will be several foot races, sack, tub, egg and boat races, pie eating contest, tug of war, base ball between Mist and Vernonia teams, and a grand ball in the evening. Everybody invited.

Some of our farmers are raising vetches. Mr. Dow has a patch which is about as good as we have seen any place—lets try some alfalfa.

Struck by a Boom.

On Sunday June 18, at noon, while sailing back to the towhead John Gabrielson, age about 17 years, was struck by the boom of his sail and knocked overboard and drowned. He had his little brother, 10 years old, in his boat with him. There was a boat about 350 yards away, but he sank before they could reach him. The body has not yet been recovered. He was a boy of good moral habits and was well liked by everybody.
