**THE BOSS WORM MEDICINE.**

H. P. Kumpe, Druggist, Leighton, Ala., writes: "One of my customers had a child, which was sick, and threw up all food, could retain nothing on its stomach. He bought one bottle of White's Cream Vermifuge, and it brought up 119 worms from the child. It's the boss worm medicine in the world." White's Cream Vermifuge is also the children's tonic. It improves their digestion and assimilation of food strengthens their nervous system and restores them to health, vigor and elasticity of spirits natural to childhood. 25c at Baily and Brinn.

In the foreign Exhibits building at the Lewis and Clark Exposition there is a reproduction of Raphael's "Sistine Madonna", done entirely in needlework. The reproduction was made by a young German girl, Fraulien Clara Ripberger, and is considered the most wonderful example of art needle work ever created.

One Dollar Saved Represents Ten Dollars Earned.

The average man does not save to exceed ten percent of his earnings. He must spend nine dollars in living expenses to every dollar saved. That being the case he cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by PERRY & GRAHAM.

In 90 days from planting 100 pounds large, well matured potatoes were dug from a piece of land containing 75 square feet near Eugene, and at this ratio the land fertilized and irrigated would bear 900 bushels of potatoes to the acre. This is not all. Mr. Schofield will again plant potatoes in the same ground, and in 90 days, by the aid of irrigation and fertilizer, raise a second crop, which would mean 1,800 bushels of potatoes to the acre.

**BUY IT NOW.**

Now is the time to buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is certain to be needed sooner or later and when that time comes you will need it badly—you will need it quickly. Buy it now. It may save life. For sale by PERRY & GRAHAM.

All ready the duckhunters are laying their plans for the coming winter. The Deer Island Club will hold a meeting soon to make arrangements. While there are many duckhunters who will not shoot this year on account of the son-sale law, others are taking their places, and the lakes will be used as any time last season. The new law will tend to bring out more hunters, as they will be obliged to distribute their expenses among a larger number.

**The Perfect Liver Medicine.**

Mrs. M. A. Jolley, of Foble, O. T., writes: I have used Herbine for a number of years, and can cheerfully recommend it as the most perfect liver medicine, and the greatest blood purifier. It is a medicine of positive merit, and fully accomplishes all that is claimed for it. Malaria cannot find a lodgment in the system while the liver is in perfect order, for one of its functions is to prevent the absorption of fever producing poisons. Herbine is a most efficient liver regulator. 50c at Bailey and Brinn, Houlton, Oregon.
