## A Bank At Rainier

Ten reasons why we want a BANK and bank account.

- It helps our credit.
- It stimulates our courage.
- It guards us against extravagance.
- It gives us confidence in our judgement.
- It helps to hold us up while are out of work.
- It furnishes the best receipt for all money we pay out.

It creates business habits that will increase our savings

It protects us against loss by robbery and personal injury by robbers.

It enables us to pass over periods of sickness without embarrassment.

It makes us able to run our business, instead of our business running us.

All this and more a bank will do for Rainier, and we believe it the duty of every person in Rainier and vicinity to put forth every energy to see that this bank is organized.

We will have something to say on the school savings bank system in the near future, that has become so popular whenever introduced in the schools.

## Are You A Booster?

A booster is one who believes in pushing things to a successful conclusion.

A booster always looks on the bright side of everything—he's an optimist.

The booster says this is a good world; this is a good country; this is a good town. He praises the country and pulls for the town.

Nothing small and narrow about him. He's a booster. He believes in pushing a good thing along and wants everybody to help. He's a benefit to any community in which he happens to cast his lot.

The knocker is a sour, disappointed individual. He glories in human misery and enjoys a family row. He has no faith in the integrity of man or the virtue of women. He is a pessimist.

He hates the world, "cusses" the country and runs down the town which tolerates him.

Don't be a knocker. Join the ranks of the boosters and look pleasant. You will make everybody else feel better and end by feeling better yourself.

spread in the school house. After dinner all repaired to the grand stand in the beautiful grove and listened to an excellent address by Mrs. Waldo the State Lecturer.

After recess the committee on resolutions reported the following which was adopted:—

"Resolved, by the Pomona Grange that the executive Committee of the State Grange arrange for a Grange Day at the Lewis and Clark fair."

H. West, Chairman,  
J. H. Collins, Sec.,

Sister C. E. Patrick of Goble grange was reported severely afflicted with spinal trouble. She was remembered with kindly words and a collection of \$6 was contributed to finish paying for an invalid's chair for her. The secretary was also instructed to forward to her a receipt for Pomona dues for the year 1905.

A recess was declared until 8 o'clock and all partook of a hearty meal, and enjoyed another social hour in the cooling shades of the beautiful grove.

After recess the State Lecturer installed Gertrude Collins as Pomona and Lela West Lady Assistant Steward, they having not been present at time for installation.

Bills for current expenses were then allowed:

For Pomona's Court, 70 cents, secretary's salary \$2; entertainment of Pomona \$10.

E. H. Flagg on behalf of Milton grange extended an invitation to hold the next Pomona meeting, Saturday, Nov. 4, at Houlton. The invitation was accepted by a unanimous vote.

The committee on resolutions presented the following which was adopted by a rising vote:

Resolved, That this Pomona grange extend to the members of Natal grange their heartfelt thanks for the bounteous hospitality extended to its members during the present session, and trust that the feeling of good fellowship engendered thereby may redound to the permanent benefit of the order locally.

R. H. MITCHELL, Secretary.

Brother Flagg is to be congratulated on the stand he has taken in opposition to a republican state convention to name the nominees for the primary election. His editorial last week was timely and to the point.
