Nothing on the Market Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is called for. Mr. One Whitmer, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell this preparation."

A Touching Story

Is the saving from death of the baby girl of Gen. A. Eyer, Cumberland, Md. He writes: "At the age of 11 months our little girl was in declining health with serious Throat Trouble, and two physicians gave her up. We were almost in despair, when we resolved to try Dr. King's New Discovery for Consumption, Coughs and Colds. The first bottle gave relief; after taking four bottles she was cured, and is now in perfect health." Never fails to relieve and cure a cough or cold. 50c and \$1. Guaranteed. Trial bottle free.

W. S. Bally, postoffice True, Texas, writes: "My wife had been suffering five years with paralysis in her arm, when I was persuaded to use Ballard's Snow Liniment, which cured her all right. I have also used it for old sores, frost bites and skin eruptions. It does the work." 25c, 50c and \$1 a bottle at Bailey & Brinn's.

The RAINIER GAZETTE.

All the subscribers to the Rainier Gazette, who have paid in advance, will be supplied with the Columbia Register in lieu of the Gazette. We hope to add your name to our regular list of subscribers. All persons in arrears for the Gazette will please settle with R. H. Mitchell, of Houlton, who purchased the subscription books and accounts.

A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give a child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not cure the bowels give Chamberlain's Ointment and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence, even in cases of cholera infantum. For sale by Perry & Graham.

The Only Way.

There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will let down and disease will set up. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, indigestion, dyspepsia and all stomach troubles that are curable are quickly cured by the use of Kodol Dyspepsia Cure. Kodol digests what you eat and strengthens the whole digestive apparatus. For sale by Bailey & Brinn.

At 2 o'clock last Friday morning the people of Houlton and vicinity were aroused from their slumbers by the alarm of fire from the factory whistle.

By the efforts of the good citizens the fire was soon under control and was prevented from spreading to adjoining building. The root house where the fire originated and its contents amounting to about \$100 was totally destroyed.

The fire was on Ed. Hazen's place and it is supposed that it caught from grass and rubbish that had been set afire in the afternoon. People cannot be too careful when they have fire outside. Had there been a strong wind impossible to save any of the adjoining building and it would not have required much wind to have carried the fire into the business portion of town. It would be a wise thing for the town council to make some provisions for fire protection.
