**THREE JURORS CURED**

**Of Cholera Morbus with One Small Bottle of Chamberlain's Colic, Cholera, and Diarrhoea Remedy.**

Mr. G. W. Fowler, of Hightower, Ala., relates an experience he had while serving on a petit jury in a murder case at Edwardsville, county seat of Cleburne county, Alabama. He says: "While there I ate some fresh meat and some some meat and it gave me cholera morbus in a very severe form. I was never more sick in my life and sent to the drug store for a certain cholera mixture but the druggist sent me a bottle of Chamberlain's Colic, Cholera, and Diarrhoea Remedy instead, saying that he had what I sent for, but this medicine was so much better he would rather send it to me in the fix I was in. I took one dose of it and was better in five minutes. The second dose cured me entirely. Two fellow jurors were afflicted in the same manner and one small bottle cured the three of us." For sale by

Mr. James Macdonald Burkhead and Miss Yarena Lovell were married at the home of the bride's sister Mrs. H. E. LaBare in Clatskanie Tuesday Sept. 12. Promptly at 8:30 the bridal party entered to the strains of the wedding march played by Miss Jessie McDonald, and proceeded to a beautiful arch of evergreens and pink roses where they were met by the minister, Rev. James K. Hawkins, who read the impressive ring service of the Methodist Episcopal Church. The bride was beautiful in a gown of cream cashmere and all over lace. She carried a bouquet of pink and white Maman Cochet roses. The maid of honor, Miss Frankie Lovell wore pale blue and carried white roses. The groomsmen, Mr. August Sandberg and Mr. J. F. Johnson, as well as the groom wore the conventional black.

The selective color used in the decoration through out all the rooms was pink and white with evergreens. After the service the guests sat down to an elaborate wedding dinner. The guests of honor were Mr. and Mrs. M. E. Page and Mrs. I. Baumgartner. The present were many and beautiful. Mr. and Mrs. Burkhead left on the evening train for Portland. The bride is one of Clatskanie's own daughters, and one who is both good and beautiful.

Saturday evening the friends of Miss Nellie Lovell gave her a linen shower and kitchen rush at the home of Mrs. LaBare. It was a complete surprise and a delightful time was had by all present. Light refreshments were served.

**THE LIGHT OF OTHER DAYS.**

Not very many years ago alcohol was used for fighting in combination with other fluids under the name of "Camphene," but it suffered banishment because it was too dangerous.

Alcohol is generally harmful when taken in the form of medicine, especially to a delicate system.

Dr. Pierce's tissue-rebuilding is following after Nature's plan. He uses natural remedies, that is native medicinal roots, prepared by processes wrought out by the expenditure of much time and money, without the use of alcohol, and by skillful combination in the most exact proportions.

Used as one of the active ingredients of Dr. Pierce's Golden Medical Discovery, BLACK CHERRYBARK specially exerts its influence in cases of lung and bronchial troubles, and this "discovery" is, therefore, a sovereign remedy for bronchitis, laryngitis, chronic coughs, catarrh and kindred ailments.

"I have had such a wonderful experience with Dr. Pierce's Golden Medical Discovery that I do not hesitate to recommend it, believing it to be a wonderful medicine to build up the tissues of the system," writes Miss Bessie Brown, Secretary Emerson Literary Association, 433 Kermann Avenue, Appleton, Wis. "I was very nervous and troubled, had completely run-down my health and strength; had no appetite, slept badly, and was in a state of nervous collapse. I took twelve bottles in all, and, each week, knew that I was getting better and stronger, until finally I was as well and strong as I had ever been. I have the utmost faith and confidence in your medicine, and wish to thank you for my good health, which is a blessing to anyone."
