Mr. Thos. George, a merchant at Egin, Ontario, says: "I have had the best agency for Chamberlain's Cough Remedy ever since it was introduced into Canada, and I sell as much of it as I do of all other lines I have on my shelves put together. Of the many dozens sold under guarantee, I have not had one bottle returned. I can personally recommend this medicine as I have used it myself and given it to my children and always with the best results." For sale by Perry & Graham.

There is today a crying need of a reformation in the treatment of the body. The basis of this reformation is to be found in the thesis of Dr. R. V. Pierce: "Diseases which originate in the stomach must be cured through the stomach."

In the forty odd years of Dr. Pierce's experience as chief consulting physician to the Invalids' Hotel and Surgical Institute in Buffalo, N. Y., he has treated more than half a million people with a record of ninety-eight cures in every hundred. The theory held by Dr. Pierce is that the stomach is the chief breeding place of disease, is abundantly borne out by the success of his treatment which is addressed primarily to the stomach and other organs of digestion and nutrition.

No other medicine acts so powerfully and so perfectly on the stomach and other organs of digestion and nutrition, as Dr. Pierce's Golden Medical Discovery. Men and women afflicted with shortness of breath, heart disease, suffocation, dizziness, spots before the eyes, "liver pains," and similar ailments have been promptly and perfectly cured by the use of "Golden Medical Discovery."

Miss Lavilla Bonine, Curator Natural History Society, of 408 Leeward Street, West, Lansing, Mich., writes: "I suffered with chronic dyspepsia for nearly seven years, and this caused me to grow very thin and pale, at the same time my blood became poor and I was so nervous and unstrung that I was unfit to attend to my daily duties. Heart was also affected and fluttered at the least excitement. I spent a lot of money doctoring and found no relief, until I took Dr. Pierce's Golden Medical Discovery. It certainly is a wonderful medicine. It toned up my stomach and I began to have a splendid appetite; had no trouble with my digestion, and I began to pick up and get strong; soon new, rich blood flowed in my veins, and I once more felt the beauty and joy of life. I have now enjoyed perfect health for a year, thanks to Dr. Pierce's Golden Medical Discovery."

We notice unmistakable signs of a political filtration in progress between the Mitchell republicans and certain of the democracy. We trust the democrats will not allow themselves to be drawn into any such combination, either in this or any other county. The democrats cannot afford to hook up with any such cattle, if they expect to retain the respect of the rank and file of the people. It is a fact that the country voters, to a man, believe absolutely in the guilt of Mitchell and Williamson, regardless of the labored excuses and attempted vindications of the much interested Mist editor; and an amount of heated pyrrhonism, from whatever source, or however a ministered, relative to the desperate condition of the Mitchell faction, will fool many of the people, even a little bit. It will take something more potent than wind-jumping, or wilcox's money to hoodwink the voters this time.

## "SAVED MY LIFE"

—That's what a prominent druggist said of Scott's Emulsion a short time ago. As a rule we don't use or refer to testimonials in addressing the public, but the above remark and similar expressions are made so often in connection with Scott's Emulsion that they are worthy of occasional note. From infancy to old age Scott's Emulsion offers a reliable means of remedying improper and weak development, restoring lost flesh and vitality, and repairing waste. The action of Scott's Emulsion is no more of a secret than the composition of the Emulsion itself. What it does it does through nourishment—the kind of nourishment that cannot be obtained in ordinary food. No system is too weak or delicate to retain Scott's Emulsion and gather good from it.

We will send you a sample free. Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.
