The Grip.

"Before we can sympathize with others, we must have suffered ourselves." No one can realize the suffering attendant upon an attack of the grip, unless he has had the actual experience. There is probably no disease which causes so much physical and mental agony, or which so successfully defies medical aid. All danger from the grip, however, may be avoided by the prompt use of Chamberlain's Cough Remedy. Among the tens of thousands who have used this remedy, not one case has ever been reported that has resulted in pneumonia or that has not recovered. For sale by Perry & Graham.

LA GRIPPE — PNEUMONIA

So many people who have apparently recovered from an attack of *La Grippe* are stricken with *Pneumonia*. This is due to the fact that the Bronchial Tubes and Lungs are left weakened and unable to resist disease.

FOLEY'S HONEY AND TAR

not only cures *La Grippe Coughs*, and prevents *Pneumonia*, but strengthens the Lungs so they will not be susceptible to the development of serious lung troubles. Do not take chances with some unknown preparation that may contain some harmful drug when **FOLEY'S HONEY AND TAR** costs you no more and is safe and sure. Contains no opiates.

I had a bad case of *La Grippe* about ten years ago which left my Lungs so weak that I have been troubled more or less every winter since until I used **FOLEY'S HONEY AND TAR**, which cured me completely and my Lungs no longer trouble me.—J. H. BROWNING, D.D.S., Orrick, Mo.

G. VACHER, 157 Osgood St., Chicago, says: "My wife had a very severe case of *La Grippe*, and it left her with a very bad cough. She tried a bottle of **FOLEY'S HONEY AND TAR** and it gave immediate relief."

Three sizes—25c, 50c, \$1.00. The 50-cent size contains two and one half times as much as the small size and the \$1.00 bottle almost six times as much. **Refuse Substitutes.**
