Trusts and "Business Interests" HOW THEY WORK TO DOMINATE POLITICAL AFFAIRS

If the primary law and Statement One thereof shall finally become established in Oregon, no one need imagine that it will put the special privilege class out of business. It will prove effective for that purpose only to the extent that the people may prove their intelligence and ability to use it. The agents of special privilege classes and looters of the public will pose as candidates for office, and will be backed by the money and influence of those interests in order to still hold their grip on the powers of government. At this time the tobacco trust, the sugar trust, with all other trusts, and the adulterated food manufacturers and vendors, are entrenched in the United States Senate. A pure food bill cannot pass the Senate.

No measure of relief for the people from the exactions of the tobacco from whiskey, sugar or any other trust is to be hoped for until such time as the people may own the Senate. Bearing the foregoing facts in mind, let us see if we can figure out what the following letter signifies:

Mason, Ehrman & Co., M. Ehrman & Co.
Portland, Ore. San Francisco, Cal.
Branch Cigar Department,
Seattle, Wash.

MASON, EHRMAN & CO.

Importers, Wholesale Grocers, Cigars
and Tobacco Dealers

Portland, Ore., March 8, 1906.

Dear Sir—We are much interested in the election of Mr. H. M. Cake of Portland to the United States Senate. Mr. Cake has never been in politics, and is a clean, able man, and has proved his fitness for the place by the interest he has taken in the development of the State.

The business interests of Portland desire the election of Mr. Cake and by giving him your support you will confer a great favor upon us.

Yours very truly,

MASON, EHRMAN & CO.,
Per E. E.

This is a copy of a circular letter being sent out by the firm of Mason Ehrman & Co., to their customers all over the State. The word comes up from the Valley and down from the mountains that a vendor of groceries and tobacco is in politics as well as business. It speaks for "the business interest" of Portland by whose authority? Can it be by authority of the tobacco trust, the sugar trust, the glucose trust, the beef trust, or all of them; or is it by authority of the Board of Trade?

Candidate for Republican Nomination
As State Treasurer.

JUDGE THOS. RYAN OF OREGON CITY.
Born in Rhode Island 46 years ago, Judge Ryan came to Oregon in his 21st year and entered into the employ of the Brownsville Woolen Mills Co. at its factory in Brownsville. The following year he went to Oregon City where he has since resided. He has been elected as Mayor, City recorder and School Director and Clerk of Oregon City, and for the last seven years has been the County Judge of Clackamas County in which position he has proven himself to be an exceptional business man, paying off an indebtedness of over \$200,000 and at the same time constructing each year many miles of good improved modern roads.

The Better Way

The tissues of the throat are inflamed and irritated; you cough, and there is more irritation—more coughing. You take a cough mixture and it eases the irritation—for a while. You take

SCOTT'S EMULSION

and it cures the cold. That's what is necessary. It soothes the throat because it reduces the irritation; cures the cold because it drives out the inflammation; builds up the weakened tissues because it nourishes them back to their natural strength. That's how Scott's Emulsion deals with a sore throat, a cough, a cold, or bronchitis.

and decreasing the tax levy each year. In an interview Judge Ryan says: "Being neither President, Cashier nor Stockholder in any Bank or Agent or Employee of any Money Lending Institution I pledge myself to use and guard the funds of the State in strict conformity to the laws of the State and for the interests of all the people and not discriminate in favor of any institution or person. As a man of the people, independent of any clique, faction or corporation, I request the support of all Republicans in securing this nomination, and if elected I promise to perform every duty required of the State Treasurer in an economical manner."

The best remedy for Coughs and Colds is Kennedy's Laxative Honey and Tar. It acts on the bowels as a mild cathartic—expels all cold from the system. Cuts all phlegm out of the throat relieves coughs, colds, croup, whooping cough etc. An ideal remedy for children—equally good for adults. Sold by PERRY & GRAHAM.

Notice.

Having filed my petition, with the required amount of signers, to have my name printed on the official nominating ballot, I hereby announce myself as Republican candidate for nomination for County Clerk, subject to the decision of the Republican voters at the primary election, April 20.

W. A. HARRIS.

Nothing will relieve indigestion that is not a thorough digestant. Kodol Dyspeptic cure digests what you eat, and allows the stomach to rest—renewed growth strong again. A few doses of Kodol after meals will soon restore the stomach and digestive organs to a full performance of their functions naturally. Sold by PERRY & GRAHAM.

Notice.

Having filed my petition, with the required amount of signers, to have my name printed on the nominating ballot I hereby announce myself as Democratic candidate for nomination for County Clerk, subject to the decision of the Democratic voters at the primary election, April 20.

H. HENDERSON.

What good does it do you to eat if your stomach fails to digest the food? None. It does you harm—causes belching, sour stomach, flatulence, etc. When the stomach fails a little Kodol Dyspeptic Cure after each meal will digest what you eat and make the stomach sweet.

PERRY & GRAHAM.

WAR OR PANIC NEEDED.

The Washington correspondent of the Boston Transcript wrote last week that "a prominent railroad man who is here in opposition to the pending legislation" said: "What the country needs is a panic. Things are too prosperous. People have gone mad on these populist ideas, and nothing will bring them to their senses but a panic, which will show how dependent all classes are on those sound conditions that invite the investment of capital."

In 1896 a United States senator said to the executive committee of the Monetary association: "We want a war, something to set the people to thinking of something else than the money question." Well, we have a war. Perhaps we will have another one, since it seems impossible to have a panic.

On the other hand, has it ever occurred to any of these people that a panic is precisely what is needed to hasten the very reforms which are now in the air?—Journal.

K. F. LARSEN,
Columbia Co. Warren, Oregon.

The campaign now on in Oregon is unique. It turns within the Republican party on that provision of the primary law known as Statement No. 1, by which the election of United States senators is to be steered, governed and made obligatory on the legislature in advance by a direct vote of the people. Mr. Jonathan Bourne, Jr., has been championing this cause and is a candidate for nomination for United States senator before the Republican primaries, as the exponent of the theory that the people should select the United States senators. He has made a most effective campaign of law, and is said to be developing great strength as a candidate. He is a man of great energy and tact, broad in his views, able and earnest and of absolute integrity, whose word is his bond. If he shall be elected United States senator from Oregon he will prove equal to the duties of the office honestly and efficiently performed.

JACK APPLETON,
Rainier, Or.

Don't tie a cough or cold up in your system by taking a remedy that binds the bowels. Take Kennedy's Laxative Honey and Tar. It is different from all other cough syrups. It is better. It opens the bowels—expels all cold from the system, relieves coughs, colds, croup whooping cough etc. An ideal remedy for young and old. Children like it. Sold by PERRY & GRAHAM.

As things now shape up politically the special privilege class shows up as the backer of the modified statement candidates for the Legislature in Multnomah and other counties of the state. They have "hot aired" Judge Lowell into repudiating Statement One of the primary law: Cincinnati Smith has had "influential friends" in Portland whisper in his ear; Tom Richardson's aggregation of trust agents are doing a political stunt for Cake; and some one has induced Judge Watson to hang his harpoon on the willow trees growing on the wagon road land grants growing in Coos County. But the fight is Bourne and anti-Bourne, because his candidacy means something ill to the grafters. He stands for the law and the people against the plutocratic anarchists.

If you ever bought a box of Witch Hazel Salve that failed to give satisfaction the chances are that it did not have the name "E. C. DeWitt & Co." printed on the wrapper and pressed on the box. The original DeWitt's Witch Hazel Salve never fails to give satisfaction for burns, sores, boils, fester, cracked hands etc. For blind, bleeding, itching and protruding piles it affords almost immediate relief. It stops the pain. Sold by PERRY & GRAHAM.

Don't create discontent! No! No! It would be too bad to have human discontented with a system that forces them to suicide to get out of their misery, wouldn't it? You ought to be satisfied with this. Th. Jennings, who had spent most of his life working for the Chicago Railway Company, old and infirm from exposure, was discharged. Not being able to get any work, and having a policy of \$4,500 on his life he, concluded that he was worth more dead than alive to his family and, he went and jumped into the lake. What a lovely system! Be discontented with it? Never! It is the highest point reached in the long travel of the race of cave dwellers of the murky past! Wonder if the cave men had to commit suicide to save their families from starvation? I just wonder, and wonder, and wonder!—Appeal to Reason.

A man came into town one day last week riding on the horns of a cow. He was leading the animal across the bridge, when a dog scared it. The cow jumped forward, catching the man on her horns and carrying him quite a distance.—Chatskanie Chief.

Grip Quickly Knocked Out.

"Some weeks ago during the severe winter weather both my wife and myself contracted severe colds which speedily developed into the worst kind of a gripe with all its miserable symptoms," says Mr. J. S. Eggleston of Maple Landing, Iowa. "Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate sneezing and fever. We began using Chamberlain's Cough Remedy, adding the same with a double dose of Chamberlain's Stomach and Liver Tablets and by its liberal use soon completely knocked out the grip." Sold by PERRY & GRAHAM.

Living indoors so much during the winter months creates a sort of stuffy, want-of-ozone condition in the blood and system generally. Clean up and get ready for spring. Take a few Early Risers. These famous little pills cleanse the liver, stomach and bowels and give the blood a chance to purify itself. They relieve headache, sallow complexion, etc. Sold by PERRY & GRAHAM.

Caught Cold While Hunting a Burglar.

Mr. Wm. Thos. Lanorgan, provincial Constable at Chapeau, Ontario, says "I caught a severe cold while hunting a burglar in the forest swamp last fall. Hearing of Chamberlain's Cough Remedy, I tried it, and after using two small bottles, I was completely cured." This remedy is intended especially for coughs and colds. It will loosen and relieve a severe cold in less time than by any other treatment and is a favorite where ever its superior excellence has become known. For sale by PERRY & GRAHAM.

Young Rockefeller eulogizes the cunning of Joseph in getting a corner on corn in Egypt and making slaves of the people after they had parted with all their property. Wonder how he would like it for the people to follow the example of Moses who slew the over-seer or taskmaster? Why not take the whole box?

Counterfeiting the Genuine.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds.

Ellis in Encumbrment No. 111. O. O. F. of Portland held a special meeting last Saturday evening and conferred three camp degrees upon a class of 25; five from St. Helens No. 117, one from Portland and nineteen from Houllon No. 18. Grand Scribe Sharon met the boys at the depot, escorted them up to the Lewis and Clark Restaurant where they were served with a good substantial dinner. At 8 p. m. the work began and it was not until midnight that the work was finished and the boys set down to a spread in the hall. The boys ate and all pronounced the work of the team the best they had ever seen; and the ritualistic lessons were such as will long be remembered by all.

Rheumatism Makes Life Miserable.

A happy home is the most valuable possession that it is with the reach of mankind, but you cannot enjoy its comfort if you are suffering from rheumatism. You throw aside business cares when you enter your home and you can be relieved from those rheumatic pains by applying Chamberlain's Pain Balm. One application will give you relief and its continued use for a short time will bring about a permanent cure. For sale by Perry & Graham.
