LOCAL.

Primary Friday, April 20.

Birds were never happier.

Spring crops generally all right.

Prmary election one week from today.

More potatoes than usual are being planted.

Oregon apples are worth $10 a box in New York. Worth it, too.

Vote for U. W. Clark for precinct committeeman for Union precinct.

Several men would give a little something to know how the election is coming out.

M. F. Hazen and wife of Warren attended the I. O. O. F. ball in Houlton Saturday night.

Henry Larson's sale last Saturday was well attended and the property was all sold at a fair price.

W. E. Belford made a business trip to Seattle last week. He reports much improvement going on in the Sound city.

G. W. Welch and wife of Marshland visited friends in Houlton and attended the Odd Fellows anniversary last Saturday.

Jack D'Spain, left his engine in Howard's logging camp long enough to attend the I. O. O. F. anniversary Saturday night.

George White of Cathlamett came up to the anniversary of Houlton I. O. O. F. George was one of the five charter members.

The Pythian District convention at St. Helens was well attended. The lodges of Astoria, Rainier, Kalama and St. Helens being in competition, St. Helens won prize for best drilled team. Also for best prelate and best Master-at Arms, Dr. Cliff being the Master-at-Arms. J. B. E. Bourne won prize as best Chancellor Commander. One prize was won by Astoria lodge. The Rathbones held their convention and gave a banquet in the evening.

The county commissioner met in adjourned session last Tuesday to consider bids for the erection of the new court house at St. Helens. The lowest bid was that of F. A. Erixon, of Portland, for $26,795. He is to enter into a contract in thirty days and give a bond of $9000 for the faithful performance of the contract according to the plans. The contract does not include the jail doors and fixtures. The new building completed and furnished will cost less than $30,000, and considering the price of material and labor this is a good building for the money, one that cannot be duplicated at any other part of the state for $35,000.

Art Yarwood of Deer Island was in Houlton for the last time Friday afternoon. He filled up with "Squirrel" whiskey, took a bottle along and started for home. He proceded along the N. P. railroad track until about opposite the Muckle place where he was struck and instantly killed by the 5:38 "Flyer." A coroners jury was impanelled and the railroad completely exhonorated; but it is said that steps will be taken toward a criminal prosecution against the saloon man selling him the liquor. The law is severe against selling to men who are drunken or who are known to be habitual drunkards. This is the third drunken man killed by the "Flyer" in the past three months.

The largest and best society function ever held in the town of Houlton was on last Saturday evening. The occasion being the anniversary of Houlton Lodge No. 189, I. O. O. F. Early in the evening the Odd Fellows, Rebekahs and their guests to the number of nearly 200 met in their hall and listened to two very able speakers, G. W. Welch of Marshland, D. D. G. M. and Hon. Thos. Ryan of Oregon City, representative to the Soverign Grand Lodge of the World, who gave a complete history of the order from its founding up to the present time, and dwelt upon its teachings and precepts in a manner calculated to enlist the sympathy of all those who were not members. After the speaking those who desired to dance, or to be an onlooker repaired to Spence's Opera House, and to the strains of good music tripped the light fantastic till the wee sma hours of the morning. At 11 p. m. a banquet was served by the Rebekahs, and when we consider the short time in which they got it up we can hardly understand how it was done. The banquet was the best ever given in Houlton, at least that is the verdict of those in attendance. The day will long be remembered as one of the bright days in the history of Odd Fellowship.

CARD OF THANKS.

Scappoose, Ore.
April 9, 1906.

Editor Houlton Register: We wish to express, through the columns of your paper, our heart-felt thanks to the neighburs and friends who so kindly assisted us during the suffering and death of our son and brother Robert, and for the deep sympathy extended to us.

GEORGE GRANT,
FRANKIE GRANT,
MILDRED GRANT.

Hon. T. T. Geer candidate for nomination for governor on the republican ticket was in Houlton and St. Helens yesterday shaking hands with his friends. He is hard after the nomination all right.

WRITE YOUR CHOICE.

If the democrats of Columbia county desire to keep up a party organization they must go to the polls next Friday afternoon and place in nomination the best men the party affords. It is true Democrats are not seeking nomination. Good men rarely seek political situations, but it is also true that to maintain a good democratic form of government the office must seek the man.

More than two thirds the registered (1067 Republicans, 232 Democrats, 209 Socialists and Independents.) voters of this county are republicans; hence the only hope of the democrats must be to keep up their organization, and get republican votes in June sufficient to elect their men.

Let every democrat who has registered attend the primary next Friday and fill every blank on his ticket with his choice for the offices to be voted for and especially for the office of precinct committeeman.

The Register would suggest that the democrats of each precint get together on Friday forenoon, of April 20 and write on the men for whom you desire to vote. Then go to the polls early and let your wishes be known by your ballot.

The office of Representative is left blank; G. W. Welch of Marshland has been spoken of very favorably and it would not surprise us to see him win the race especially if Brother Flagg should get the republican nomination.

For Sheriff Robert lovelace of Rainier would if elected make an excellent officer, and he would lead Mr. White a close race.

Henry Henderson's name appears on the official ballot for the office of county clerk, he is the present incumbent and has held the office for two terms. The name of Arnold Graham has also been mentioned for this position on an independent ticket. He is a democrat and if his friends desire his election they should give him the endorsement of his own political party in the primary.

Dr. Ross, republican has held the office of county treasurer every since "Heck was a pup;" (and he's getting to be an old dog now), and with a democrat like James Dart in the race the doctor would have to get down and run some.

Mr. Fowler, whose name appears on the democratic ticket for commissioner is not the choice of the democratic party. But it is certain that he will be nominated unless the democrats will write in the name of someone else. W. J. Fullerton of Warren has been suggested as a good man for the place. If nominated by the people or by the democratic primary he will accept the place and make a race for the office.

For Coroner, Dr. Cliff of St. Helens, who is also a time honored office holder has learned all the ropes in the office and at present we could not name a good acceptable candidate against him unless we could persuade some republican to "flop." It wouldn't hurt the democrats to have a "flopper" on the tail of their ticket if the republicans should place a "flopper" at the head of theirs.

These suggestions are thrown out by the Register at the request of several democrats from different parts of the county.

Go to the primary next Friday and write in your choice if the printed names dont suit you. This is good advice to republicans as well as democrats.

It is not that the democrats have no good men, for there are scores of them. But good men are not russling around after nomination in a minority party.

The Register beleives in dealing squarely with every man, and it will not lend its support to grafters, but will support good men even if they are not democrats.

The National Educational Association will hold its national convention in San Francisco from July 7 to 14 of this year. The people of San Francisco and, in fact, the people of the whole Pacific Coast are preparing a welcome and reception to the teachers the equal of which has never been given to any organization. The educational value of these meeting is well known and those interested in education throughout the state are anxious to have our teachers participate, first, because it will be many years before another National Educational association will be so accessable and, second, because our standing educationally will be judged largely by the attendance of Oregon teachers at this convention. The railroad and steam boat lines have granted very liberal rates and the local committee at San Francisco assures us that there will be no advance in the regular rates at hotels, rooming houses and restaurants in San Francisco during the convention week. Any data or information in any way relating to the meeting can be obtained by addressing the California Committee, N. E. A. No. 25, New Montgomery St, San Francisco, California or J. H. Ackerman, Salem, Oregon.

Miss Callie Pomeroy and Mesdames Schuneson, Pomeroy and Hooghkirk were among the Houlton visitors from Rainier last Saturday; they were up attending the Pythian convention at St. Helens.

The Republican and democratic primaries will be held Friday, April 20. It is up to the registered voters to place in nomination such men as will serve the interests of the county. Only the names of two democrats appear on the county ticket. The republican ticket is full as usual.

Treating Wrong Disease,

Many times women call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous exhaustion or prostration, another with pain here and there, and in this way they all present alike to themselves and their easy-going and indifferent, or over-busy doctor, separate and distinct diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality, they are all only *symptoms* caused by some uterine disease. The physician, ignorant of the *cause* of suffering, encourages this practice until large bills are made. The suffering patient gets no better, but probably worse, by reason of the delay, wrong treatment and consequent complications. A proper medicine like Dr. Pierce's Favorite Prescription, *directed to the cause* would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native medicinal roots and is perfectly harmless in its effects *in any condition of the system.*

As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nervine "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea, St. Vitus's dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the uterus. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One to three a dose. Easy to take as candy.

"Some weeks ago during the severe winter weather both my wife and myself contracted severe colds which speedily developed into the worst kind of la grippe with all its miserable symptoms," says Mr. J. S. Eglestom of Maple Landing, Iowa. "Knees and joints aching, muscles sore, head stopped up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, aiding the same with a double dose of Chamberlain's Stomach and liver tablets and by its liberal use soon completely knocked out the grip." Gold Bach Gazette: Why is it that our government is making such little trying the packers, Standard Oil and other big trusts? Because our courts are trying the law instead of the lawbreakers. Why should we expect different results with trust lawyers for law makers and trust lawyers for our judges? These conditions will exist until men learn the power of the ballot and how to use it.

The best remedy for Coughs and Colds is Kennedy's Laxative Honey and Tar. It acts on the bowels as a mild cathartic—expells all cold from the system. Cuts all phlegm out of the throat relieves coughs, colds, croup, whooping cough etc. An ideal remedy for children —equally good for adults. Sold by PERRY & GRAHAM.

The votes for and against such amendment, or amendments, severally, whether proposed by the legislative assembly or by initiative petition, shall be canvassed by the secretary of the state in the presence of the governor, and if it shall appear to the governor that the majority of the votes cast at said election on said amendment or amendments, severally, are cast in favor thereof, it shall be his duty forth with after such canvass, by his proclamation to declare the said amendment or amendments, severally, having received said majority of votes to have been adopted by the people of Oregon as part of the Constitution thereof, and the same shall be in effect as a part of the Constitution from the date of such proclamation. When two or more amendments shall be submitted in the manner aforesaid to the voters of this state at the same election they shall be so submitted that each amendment shall be voted on separately. No convention shall be called to amend or propose amendments to this Constitution, or to propose a new Constitution unless the law providing for such convention shall first be approved by the people on a referendum vote at a regular election. This article shall not be construed to impair the right of the people to amend this Constitution by vote upon an initiative petition therefor."

PROCLAMATION.

WHEREAS, the Secretary of State of the State of Oregon, has notified me in writing that pursuant to the provision of an act entitled "An Act making effective the initiative and referendum provisions of Section 1 of Article IV of the Constitution of the State of Oregon, and regulating elections thereunder and providing penalties for violations of provisons of this act,", approved February 24, 1903, the Oregon State Grange duly filed in his office on Februarv 3d, 1906, an initiative petition containing 7,648 signatures properly attached to a copy of said measure, certified in accordance with law, demanding that a proposed law, the title, tenor and effect of which is hereinafter particularly set forth, shall be submitted to the legal voters of the State of Oregon for their approval or rejection at the general election to be held in said state on the 4th day of June, being the first Monday in June, 1906

Chamberlain, Governor of the State of Oregon, in obedience to the provisions of said act hereinbefore mentioned, do hereby make and issue this Proclamation to the people of the State of Oregon, announcing that the Oregon State Grange has filed said initiative petition with the requisite number of signatures thereto attached demanding that there shall be submitted to the legal voters of the State of Oregon for their approval or rejection at the regular election to be held on the 4th day of June, 1906, said day being the first Monday in said month, a bill to propose by initiative petition a bill entitled "A Bill to propose by initiative petition a law to provide additional revenue for state purposes; to levy a license on the gross earnings of Sleeping car companies, Refrigerator car companies and Oil companies; defining a Sleeping car company, a Refrigerator car company and an Oil company within the meaning of this act; defining the manner of ascertaining the amount of such gross receipts; a penalty for violating the provisions of this act," the tenor and effect of which in brief is:
