Prisoners and Captives

By H. S. MEREDITH

CHAPTER III

On the third night after the capture of the ship, the British boarding party boarded the tapes, and having secured the rigging of the ship, they set to work cutting up the enemy's ship. They worked through the night, and by the next morning had made good progress. The British had captured the ship and were now in control of the situation. They had secured the rigging of the ship and were able to move about freely on board.
