SEATTLE IN ASHES

The flame that swept the city may have been started by a misguided effort to save property. It was a tragic mistake, but one that must be repeated. The city was destroyed, but the spirit of the people will live on.

A CITY DESTROYED

Johnston, Pa.-A fire spread by a night wind.

HUNDREDS OF LIVES WERE LOST

Many people survive the disaster, but a few thousand people were killed in the fire.

WASHINGTON, D.C.-On the occasion of the visitation of the President, the following tribute was paid to the city of Seattle:

NELLIE IN SEATTLE.

The flames that swept the city may have been started by a misguided effort to save property. It was a tragic mistake, but one that must be repeated. The city was destroyed, but the spirit of the people will live on.
