Dr. Brosius' cow had been missing for a week, when she came home Tuesday. The Doctor feels extremely thankful to know that some kind hearted person milked her all the time she was

Mr. John A. Wilson, left us a specimen of barley raised on his place that men of barley rais is simply perfect. The stocks are nearly five feet and the heads long, even and well filled, It would be a credit to any county.

Mr. E. C. Rogers shipped this year 67 crates of berries from sixty rods of land this season. This is a crate and a ninth to the rod, and these will average \$4.50 per crate, or \$5 per square rod, or \$800 per acre.

Rev. Daulel Staver of Portland will preach at the Riverside Congregational church Sunday morning at 11:30 o'clock and in the evening at 8 o'clock; also in the First Congregational church at 3 o'clock p. m.

luck with their fish wheels and are of cigars, and an excellent stock of gathering in the salmon and dollars, choice candles. He will have be cream We are glad, indeed, to note this fact, every Sunday, and lemonade, sods and hope they may clean up half a water etc, every day. He will also hundred thousand dollars by the time have a stock of fire works for the 4th. the senson closes.

The Dalles elected the following offleers Monday: Mayor, Robert Mays: recorder, Frank Menefee; marshal, Dan gan and Piano manufacturer, is build Maloney; freasurer, Louis Rorden; water commissioners, J. O. Mack, O. C. Mollister and W. H. Wilson; council-men, C. F. Lauer and Thomas Joles.

Captain Dukes has purchased an in-terest in the butcher business of Mr. Mr. and Mrs. Pealer are making ex- Mercer, and the new firm will be known as Mercer & Dukes. They will run a wagon through the valley and to the mills three times a week, and will fill orders for anything in their line promptly and with satisfaction.

The Horticultural society will hold a meeting next week, Saturday, July 2d, at the old armory ball, for the purpose of perfecting arrangements for the Every person on the East Side who coming meeting of the state society is not engaged in berry picking is mak-here. This meeting will be important, and all members are urged to be pres-

> It is reported that the Baker will be logue. put on her route about August 1st, and that some lively rate cutting is liable to occur between The Dalles and Port-land. If Eastern Oregon gets another visit from the East wind the wheat crop will be so small that there will be money. nothing to cut rates on.

Captain Coe and George Mathias are building a steamer to be used for exeitizens, and yet there is room enough feet long and will be about thirty for hundreds more. Edward Ketchum and wife arrived sengers. Work has commenced on her, here from Iowa Sunday, and will prob- and as the machinery is all here, it will not be long until she is ready for the trial trip.

The GLACIER has been remembered during the week by J. W. Ingalls, F. C. Sherrieb and Fred Howe, all of whom brought us a fine lot of straw-Thursday evening, entertaining the berries. When any of our berry growers select a box or two for show, there is really nothing to be said about them, because if we told the truth it would ruin our reputation for veracity.

Mr. E. C. Mooney is at present in charge of the office at Umatilla, his family are here for a shot time.

Miss Stilson has so far recovered from her prison oak experience, as to again a tent to be a still to be a solution of the prison oak experience, as to again to be a solution of the prison oak experience, as to again to be a solution of the prison oak experience, as to again to be a solution of the prison oak experience, as to again to be a solution of the prison oak experience, as to again to be a solution of the prison oak experience, as to again to be a solution of the prison oak experience, as to again to be a solution of the prison oak experience, as to again to be a solution of the prison oak experience. in making them forget the hours.

Mercer & Dukes will run their meat wag in broadys, Weddesdays and Saturdays.

Mrs. G. A. McCurdy who has been visiting her parents Mr. and Mrs. Crapper, returned to her home in Portland, show their appreciation of the railroad

Mr. R. W. Button of California, and who was one of the delegates to the republican national convention at THE DALLES, OREGON. Minneapolis, stopped here on his way Mr. A. H. Jewett of White Salmon home from the convention to visit his is a delegate to the national convention son, F. H. Button. He only remained of the people's party, which will meet a day, urgent business in San Francisco preventing his remaining longer. He was much pleased with our country and will return in the fall to visit us

again. The 4th of July committee have about perfected all arrangements for the celebration and a very interesting programme will be presented.

San Jose S Now is the hatching season of the mation as to the manner of mixing and Hoon RIVER, . . . . . . J. R. Rankin has bought a tract of land of G. H. Palmer at White Salmon and will move his family across the river as soon as he can build a house.

using washes. A vigorous and persistent fight will, if taken part in by all, soon exterminate the scale, which has a small foothold here, and will go a long ways towards destroying the

Captain A. S. Blowers has changed his mind about moving his family to Iowa, and will move over to White Salmon instead. He had determined to locate in Iowa, but just about the time he was ready to move, the telegrains announced that a cyclone had paid its attention to that particular neighborhood, and though the captain The east wind began to blow Thursday, and if it is general in the country east of us, the wheat crop will be principally conspicuous by not being visible.

Regular meeting of Excelsior Alliance Saturday evening, July 2d. A full attendance is desired, as there will be election of officers and other important business.

## BEATTY'S PIANOS AND ORGANS

Hon, Daniel F. Beatty, the great Oring and shipping more Organs and Planos than ever. In 1870 Mr. Beatty left home a penniless plow boy, and by his indomitable will be has worked hi way up so as to sell so far nearly 100,000 of Beatty's Organs and Pianos since 1870. Nothing seems to dishearten him; obstacles laid in his way, that would have wrecked any ordinary man forever, he turns to an advertisemen and comes out of it brighter than ever. His instruments, as is well known, are very popular and are to be found in all parts of the world. We are informed that during the next ten years he in-tends to sell 200,000 more of his make; that means a business of \$20,000,000, if we average them at \$100 each. It is already the largest business of the kind in existence. Send to Daniel F. Beatty, Washington, New Jersey, for cata-
