

Hood River Glacier.

HOOD RIVER, OR., MARCH 4, 1908.

FINANCIAL ETHICS.

We do not pretend to be a financier, or to understand the tides and currents that cause the ebb and flow of gold.

A Bad Case.

Hood River has a case calling for condemnation and pity. The former for a weak man, the latter for an injured woman.

Attention, D Company. Members of D company will assemble at the Armory Saturday, March 11th.

A. WINANS, Captain commanding D Co.

After the Battle.

Now that the smoke of battle has drifted away from the field where Cascade county fell, it may be proper for the undersigned to offer some plain facts relating to the matter.

From the time my name was mentioned as a candidate for the legislature I have strictly and fearlessly maintained that if the people of any portion of Wasco county desired to be set off as a new county, it is certainly no crime for them to petition the legislature.

I refused to be considered as a candidate running for the purpose of cutting off Cascade county. I accepted the nomination expecting, if elected, to do my duty as a representative of Wasco county.

After I had taken my seat in the legislature I learned that a large part of the people within the proposed Cascade county were petitioning a second time to be set off.

Three hundred and seventy-one voters petitioned for the new county. A very small portion of these were residents of the town of Hood River.

The tax roll of the county was here in possession of the sheriff two days this week, but long enough for most of us to discover that our taxes were very low.

Quarterly Conference. The U. M. church at this place will hold its 11th and last conference session for this year on Saturday, and Sunday.

Normal Hood Items. EDITOR GLACIER: Items are scarce as "hen's teeth" but allow us to give what we have.

Miss Linora Heinrichs returned home last week.

Rev. Eli Norcross is expected back among us in the course of a few weeks.

The "hugging bee" and "drunken carousel" at Tucker's hall last week was a grand success.

Mr. C. E. Copple is expected home the 4th, having finished the course in the Portland Business College.

If the road supervisor of the west side will just let the water have full sway on the hills between Hubbard's and Tucker's mill, ere long it will be impassable for a horsebacker.

The Clunac literary society met at the Odell school house last Tuesday evening and discussed the credit system question; the negative side, under the gallant leadership of Mr. Woods, coming out ahead.

The East Hood River Society of Christian Endeavor is now in a flourishing condition, most all of the young people taking an active part.

Our school closes Monday, Miss Halstead having taught about six months. We understand there will be literary exercises in the morning, and after dinner the young people will amuse themselves in any way they see fit.

The Acme literary society met at the Pine Grove school house last Tuesday evening and had a very interesting meeting. One of the members will be tried before a jury next evening for breaking one of the rules of the society.

R. A. Goppie was chosen for the prosecuting attorney and Mr. Hawks for the defense. BECK EYE.

Hanna will sell you goods at former prices and give you 5 per cent. discount, but remember he will not put it on the state, as the state has been broken.

Having tried the credit system for two years, and not being able to adjust my prices so as to give cash customers the benefit of cash prices, I have concluded to sell for cash only, with a 5 per cent. discount to all.

We often hear our customers ask, "Why can't our merchants sell as cheap as they do at The Dalles?" I will tell you why.

Read This and Profit by It. Olinger and Bone, proprietors of the Big Red Barn, in addition to their livery and stage business, are handling grain, chop-feed and hay.
