Last Wednesday's rain was a disastrous one for the new grade on Tygh hill. That point was the center of the storm, and culminated in a cloud burst, which completely deluged that section and carried with it flood large boulders and washed out the grade in such a manner that it was almost impassable. The grade is nearly four miles in length, and will entail quite a loss on the county.—*Chronicle*.

Mrs. C. Kelly came over from Camas Prairie, Wednesday, on her way to Portland to have a felon lanced, but after arriving here found it was not necessary to go as far as Portland; Dr. Brosius doing the work just as well as a Portland surgeon.

September 11th was Jewish New Year, or "Yosh Hashana," the first day of the month of "Tishree," in the Hebrew calendar year of 5654. The holiday festivities extend for two days, generally celebrated by this religious sect, and on the 13th of the month occurred the "Fast of Guedalyah," also generally observed in commemoration of the death of Guedalyah, the head of the Jewish nation at the time of their dethronement from Jerusalem, and who was on that day slain.

Dan Wood was found on the streets of Spokane intoxicated and was arrested. Upon his person was found some of the finest specimens of free gold in decomposed quartz ever seen. There was also a buckskin sack full of the yellow metal that had been worked out with a mortar and pestle. The collection weighed three pounds and was worth \$5,000. It was estimated that the quartz would run \$85,000 or \$100,000 to the ton. He declined to state where it came from, and it looks like another Billy Bathurst case.—*Woods San*.

Will sell for 20 cents on the dollar, the finest sheep ranch on the Pacific coast. Will range naturally fenced, sufficient for 50,000 sheep. Can arrange for cutting 250 tons of hay if desired, convenient to market, no snow. Also 30 acres of land 1 1/2 miles from the town of Hood River at \$25 per acre; level and easily subdivided. For particulars apply at this office or to W. P. Watson, Hood River, Or.

To the Farmers.
We will do all kinds of grinding on Saturdays this season except flour making. We have learned that good flour can only be made out of our dry wheat by dampening the grain after it has passed through the smutter and allowing it to sweat a few days. Leave your wheat with us and give us a chance to do good work. You will then use our flour in preference to any other.

THE NEW TOWN has been platted on the old camp ground, at the Forks and Falls of Hood river, with large slightly lots, broad streets and alleys, good soil, pure cold water and shade in profusion, perfect drainage, delightful mountain climate, the central attraction as a mountain summer resort for all Oregon, being the nearest town to Mt. Hood. It is also unparalleled as a manufacturing center, being the natural center for 150 square miles of the best cedar and fir timber, possessing millions of horse power in its dashing stream and water falls easily harnessed. Where cheap motive power exists, there the manufactures will center, surrounded by soil and climate that cannot be excelled anywhere for fruit and agriculture, and with transportation already assured you will find this the place to make a perfect home or a paying investment.
