Wm. Tillett has ordered apple trees of the

The reason why baked beans outside of New England are so unlike the genuine article is that they are not properly cooked, and more especially because they are not cooked in the oldfashloned down-East bean pot. There are probably no real bean pots on sale are probably no real bean pots on sale stu, two red and white colored steers; no outside of New England. They are all marks nor brands visible. Owner can prove about the same in appearance, and are property, pay charges and take them away. made of potter's clay, which is the material flower pots are made of.

For some reasons beans baked in any a bean pot. Just why this is so is hard to determine, but the fact remains.

One quart of beans is sufficient when

shoes. Mr. Pierce, during the short gives the beans a delicious flavor, and

cooked for two meals for an average

Beans should be baked in an oven HOOD RIVER, - - - OREGON. to time, but care should be taken to keep the beans covered. This must be

The pot can remain in the oven, where it will simply keep hot, for an indefinite time without injury. Beans should be served in a covered dish. Beans that have been left over are deliclous warmed up in a stewpan with a little water added, and many bean epi-cures think the more times beans are warmed over the better they are. In a number of New England towns

be so moist as to become mashed or

the local baker bakes beans for half the town. Saturday nights the pots are taken to the bake shop, where the baker marks each one with the initials of the owner, and places them in his big oven. Next morning the owners call for their beans and pay the charge of 10 cents, and invest 10 more in brown bread. It is an amusing sight on a Sunday morning to see a line of citizens going from the bake shop to their homes each with a bean not on their homes, each with a bean pot on one arm and a loaf of brown bread on

the other.
Good, old fashioned brown bread is the proper accompaniment for baked beans, and it is as difficult to get the genuine article in New York as it is to genuine article in New York as it is to find good baked beaus. Here is a famous receipt for Boston brown bread of the proper kind: One cup of rye or graham flour, one cup of white flour, two cups of Indian meal, one cup of molasses (scant), two teaspoonfuls soda, one-half teaspoonful salt, one cup sour milk and one and a half of two and a half cups water. Steam for three hours and then dry in the oven for half an hour. The brown bread should be eaten warm, and what is left over can either be steamed again or toasted

Written for the GLACIER. Looking Backward.

How oft in my dreams have I wandered away From this drear land of sorrow and care, To review once again, with a bounding heart The scenes of my childhood fair.

How soft seemed the sunshine, how balmy And how dreamy the hills rose to view How hummed the gay insects among the gay

flowers, How gleamed in the sunshine the dew. How winding afar was the smooth-flowing

river, Its wate's sent up a low hum;

How rang from the trectops of woodland and Sweet strains which the earth angels sung. How, meeting again with friends dear and

olden (And knew not that many had flown), We wandered afar 'mid the sweet scene

Till parted again by the dawn, PENOSWAH.

### A Legislative Session

most any other subject of public interest. The last two Oregon law-making bodies afforded much material for interesting discussion, and the next general assembly will be no exception to the rule. Whatever occurs the public knows that the Daily and Weekly Capital Journal of Salem will give correct reports of hay for sale at my place, one mile west of Belmont. [Ja12\*] G. R. CASTNER.

T. C. Dallas has turned his plumbing business over to M. A. Cook, a practical plumber, All orders in that line left at Dallas' store will receive prompt attention. [Ja2\*]

Wm. Tillett is still in the nursery business, with a good stock of home-grown trees. If he is out of what you want, he can supply you will be sent you a year for \$\otins\$, four months for \$\otins\$, or one month for \$\otins\$ cents. The Weekly has been reduced to \$\otins\$ a year. Like the Daily it is payable cash in advance, and no paper will be sent after your time expires. Positively "no pay no paper." The Journal is a madern newspaper run on modern methods, the same. If you want to know what is done, how it is done, and why, you should read the Capital Journal. It is the first One Cent Daily published on the Pacific coast, and is conducted in the interest of the people. Si, or one month for \$\otins\$ conts. The Weekly his been reduced to \$\otins\$ a year. Like the Daily it is payable cash in advance, and no paper \$\otins\$, four months for \$\otins\$, continued in the interest of the people. The Daily his been reduced to \$\otins\$ a year. Like the Daily it is payable cash in advance, and no paper \$\otins\$, four months for \$\otins\$, one for \$\otins\$, four months for \$\otins\$, or one month for \$\otins\$ contains been reduced to \$\otins\$ a year. Like the Daily it is payable cash in advance, and no paper \$\otins\$, one month for \$\otins\$ contains been reduced to \$\otins\$ a year. Like the Daily it is payable cash in advance, and no paper \$\otins\$, one month for \$\otins\$ contains been reduced to \$\otins\$ a year. Like the Daily it is payable cash in advance, and no paper \$\otins\$, one month for \$\otins\$ contains been reduced to \$\otins\$ a year. In the weekly it is payable cash in advance, and no paper \$\otins\$, and the payable cash in advance, and no paper \$\otins\$, so the payable cash in advance, and no paper \$\otins\$, the payable cash in advance. The weekly is the payable cash in its work as well as intelligent discussion of
