Our old friend J. B. Crossen, who made himself the most popular man in the county while serving the people as county clerk, is now running a first-class family grocery in The Dalles. Mr. Crossen knows how to run a grocery—he knows that by dealing only in first-class goods he can get the trade, and hence his popularity is still on the increase.

John Teo, a captain of one of the flat boats that furnish this city with wood, died at his home near Stevenson, Wash., last evening at 8.30 o'clock. Last Sunday he was taken sick—after doing some heavy work in the woods, and it is supposed his death was caused by internal hemorrhage. Capt. Teo has been on the river for the past fifteen years, and was well known in this community. He leaves a widow and two or three children.—Mountaineer.

The "bell school" given on Wednesday evening at the Congregational church, by the ladies' aid society, was a very creditable entertainment, being in every way a perfect success. A large audience was present and the proceeds netted \$9.80 for the bell fund. The poem read, "Bells of Hood River," was original. The trustees of the church hope to have the bell in place within two weeks.

At the regular examination of teachers just completed at The Dalles certificates were granted as follows: First grade—Mrs. K. Roche, Miss Emma F. Ward, Miss Cassie Chess; second grade—Daisie E. Button; assistant superintendent, Miss Agnes Duke; president, Fay La France; vice president, Edward Heald; treasurer, Ralph Button; secretary, Agnes Dukes. This society meets every Sunday, at 3 p. m.

When J. S. Harbison was in Helena, recently he dined with an old inhabitant of the town. Canned strawberries were on the table, and of course he asked if they were Hood River berries. His host had never heard of Hood River and assured him that the berries were from California. The query is, are all brands erased from our fruit and labeled "California"?

We are indebted to Messrs McIntosh and Wilson for a fine supply of onion sets. They are called winter onions and the sets were brought from Illinois last May by I. M. Wilson. Call on Meintosh for green onions in about three weeks from now.

Mr. John Nickelsen was elected to represent the club as trustee of the Hood River library association.
A quartet given the use of music for the Congregational bell concert. Also the same offer for the K. of P. entertainment.
Club changed the regular night of meeting from Monday night to Friday night.
Adjourned.
S. E. BARTMESS, Secretary.

D. C. Boyd, who has been acting as a reporter for the Gazette for a few weeks past, has taken his departure for parts unknown. Mr. Boyd's gentlemanly conduct since his arrival in Heppner had won for him the respect of almost the entire community. But, like many others, when he came in direct contact with John Barleycorn, John knocked him out. After conducting himself in a suspicious manner for a few days, he silently took his departure. The Gazette mourns the loss of a few dollars in cash, an overcoat, a little brown hat and the editor's persuader—a big six-shooter. We especially regret losing the revolver, as we are now left without visible means of backing up our assertions.—Heppner Gazette.

First Council Meeting.
The first meeting of the town council was held Monday afternoon, there being a full attendance of aldermen and officers.
On motion, a certified copy of the order of incorporation were filed with the recorder.
The following ordinances were considered:
Ordinance No. 1—Adopting certain rules for the government of the proceedings of the council, and for the appointment and duties of committees of the council.
Ordinance No. 2—Relating to the recorder and recorder's court.
Ordinance No. 3—Relating to treasurer.
Ordinance No. 4—Relating to marshal.

Final action was deferred on these ordinances till the next regular meeting.
On motion, the standing committees were appointed by the mayor, as follows:
Judiciary—Watt, Rand and Hartley.
Finance—Bartmess, Watt and Button.
Streets and Public Property—Morse, Hartley and Rand.
Fire and Water—Button, Morse and Bartmess.
Health and Police—Watt, Hartley and Rand.

The aldermen were classified by lot, as follows: To serve for one year—Button, Watt, Bartmess; for two years—Rand, Morse, Hartley.
On motion, Watt, Morse and Rand were appointed a committee by the mayor to prepare ordinances for the consideration of the council.
The committee on streets and public property were requested to look up suitable rooms for the use of the council and report at next meeting.
On motion, Watt and Bartmess were appointed to act with the mayor as a committee to purchase necessary books and supplies for the use of the town officers.

Capt. J. H. Dukes stated that the Congregational church was about to purchase a new bell; that if the council would add about \$30 to the \$100 now raised by the church, a heavier bell could be had, and the church people would arrange it so the bell could be used any time for a fire bell. No action was taken on the suggestion.
On motion, the next regular meeting was fixed for Monday, February 25th, at 7.30 o'clock, p. m.
Adjourned.

DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most cases the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you first took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price \$1.00 per box, or 3 boxes \$3.00 in treatment and guaranteed cure, \$2.50. For sale by all druggists, or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Booklets and proofs free. Eureka Chemical & Mfg. Co., La Crosse, Wis.

OFFICE OF THE PIONEER PRESS, ST. PAUL, MINN., Sept. 7, 1894.
Eureka Chemical and Mfg. Company, La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked from ten to twenty cigars a day. I must give up the use of tobacco for the time being, at least. I tried the so-called "Keely Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself entirely cured. I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I can fully recommend it, and can fully consider your "Baco-Curo" simply wonderful. [116] C. W. HORNICK.
