A valuable horse belonging to Chris Dethman died last Sunday. Mr. Dethman turned his horses out Sunday morning and they played around, all in seeming good health, and in the evening he found the best one of his lot stretched out dead. He has no idea what caused its death.

By order of the county court, Supervisor Sloper Saturday caused the arrest of Mrs. Oiler, charged with obstructing The Dalles and Sandy wagon road at or near the bridge crossing Hood River, in the eastern part of town. Mrs. Oiler claims that when the bridge was built and the road changed at this point the old part of the road was vacated, and she had the same inclosed when fencing her land. The trial was held before Justice Soesbe, who found defendant guilty and imposed a fine of \$25, with costs. C. P. Heald acted for the prosecuting attorney and H. S. Wilson of The Dalles appeared for defendant. An appeal will be taken to the circuit court.
One of the most enjoyable socials of the season was given by Waucoma lodge on the evening of February 22d, at Castle hall, to the members and their families, it being the fifth anniversary of the lodge. The evening's entertainment commenced by a speech of welcome by J. A. Soesbe to J. L. Hill, G. C. C. and Geo. F. McConna, G. K. of R. S. Music was furnished by the Belmont band, Nellie Coe on the organ, and songs by the Glee club and John R. Nickelsen. Recitations were given by Arthur Soesbe, C. E. Markham, Bertha Prather, Grace Prather. Supper was served at 10:30 in the hall.
A lamp exploded in the house of Mr. Byrkkett, adjoining the U. B. church, Wednesday evening. Mrs. Byrkkett was in an adjoining room at the time, alone in the house, and although badly crippled with rheumatism, she managed to gather up the burning lamp in the table cloth and another the flames. The lamp was setting upon a table in a corner of the room, and the explosion broke a board in the wall by the side of the table. A rubber boot in the corner took fire from the burning oil and the leg was burned off. It was a close call for the house and surrounding buildings.
See our display of shoes in show window; over fifty different styles and grades. If you don't see what you want, call for it; we have it and are prepared to fill the bill when it comes to boots and shoes. Every pair of Bradley & Metcalf's shoes warranted. Let us quote you prices; if we are not lower than the lowest, will not ask for patronage. A. S. BLOWERS & Co.
Capt. Blowers last fall heeled in a fine lot of Spitzenberg apple trees, 32 in number, at his place west of town. A few days ago he went out to plant the trees and found that some one had taken the whole lot. He hopes that when the trees come into bearing the thief will become conscience stricken, and at least give him some of the fruit.
Last Friday afternoon a team belonging to Olinger & Bone, hitched to a buck, started from the livery stable and ran up Third street. When just above the bakery they collided with a wagon belonging to N. C. Evans, whose team was hitched. The tongue of the buck was broken and a hind wheel on Evans' wagon was smashed.
The trustees of the Congregational church have sent to Cincinnati for a Buckeye bell. They expect to have it in position within three weeks.
Lost—At Frankton school house, two Sundays ago, a large button from a lady's cloak. Please leave at this office.

Spraying Fruit Trees.
W. J. Baker has received from J. R. Casey, mayor of Ashland, the following directions for making and using a wash for fruit trees:
Put 100 pounds of sulphur in your kettle; then put in about 5 gallons of water. Stir it thoroughly until it is a paste. The object is to get it all moistened, with no lumps in it. Then add thirty gallons of water and start your fire. Now dissolve, or slake, 100 pounds of strong lump lime with hot water. When slaked, commence feeding the lime to the sulphur; keep stirring it, or it will burn. It will first be like mush, but as the lime eats the sulphur it will become thin and turn a brownish color. Bring to a boil, and let it boil 1 1/2 hours. In the meantime, dissolve 12 pounds of blue vitriol in a separate kettle and pour it on to the lime and sulphur, and continue the boiling one-half hour longer. Draw your fire and let the compound settle for one or two hours; then dip out your compound into a barrel and throw the sediment away. Fill your kettle with water to keep the compound from hardening on it. When it begins to cool in the barrel, you must be very careful and keep it well stirred, so that it will not crust over. Be sure of this! When cold, your compound will be a greenish color, and there will also be some water on the top. Always stir it well before taking any out.
Directions for use—For bad scale, take 1 gallon compound to 19 gallons of water.
For general use, 1 gallon compound to 29 gallons water.
For fungus, 1 gallon compound to 39 gallons water.
For codlin moth, 1 gallon compound to 80 gallons water.
Use about 3 pounds of soap and Paris green in the mixture for codlin moth. Use as hot as you can.
You will find this one of the best all-round sprays known. It combines the good qualities of all other sprays. If you spray with the 1 to 19, I will guarantee it will kill all the scale it reaches. Respectfully yours, J. R. CASEY.
Dr. E. T. Carns, Dentist, Will be in Hood River March 3d, prepared to do all kinds of dentistry work—examine, fill, extract, regulate and make new teeth; also, crown and bridge work.

Council Proceedings.

The common council met Monday night, Feb. 25th. The minutes of the last meeting were read and approved.
Committee on finance asked that they be given until next meeting to make report on bills submitted. Request granted.
Committee on streets and public property reported that the Hanna building could be secured for use of the council at \$5 per month. E. S. Olinger offered the use of his office free, until other arrangements could be made. On motion, Mr. Olinger's office was accepted, with a vote of thanks.
Ordinances numbered one, two, three and four were ordered enrolled.
Special committee on ordinances reported Ordinance No. 5, entitled "An ordinance imposing certain duties and prohibitions for the better protection of property, morals, safety health and the convenience of the town of Hood River." The ordinance was read, considered, approved and ordered enrolled.
The following resolution, offered by Morse, was adopted:
Resolved, That the mayor petition the county court of Wasco county, on behalf of the common council of the town of Hood River, to establish a new road district to conform with the corporate limits of said town.
The next regular meeting was fixed for Monday, March 4th, at 7:30 p. m.
Ordinance No. 5 is one of the most important to come before the council, and is of general interest, as may be inferred from section 16, which we give here:
"No person or persons shall barter or sell in any manner, or bargain for or buy, directly or indirectly, any spirituous, malt or vinous liquors, or other intoxicants, within the corporate limits of Hood River; provided, that a duly registered pharmacist under the laws of the state of Oregon, may purchase and sell or dispose of the same as medicine only, upon the prescription of a regular practicing physician, and no physician shall prescribe the same except for medicinal purposes."
Section 17 makes still further restrictions in regard to the use of liquors.
Missionary Exercise.
A missionary exercise, "Children of all Nations" (in costume), will be rendered at the U. B. church on Sabbath evening, March 3d. Mrs. Henkle, president of our branch missionary society of Oregon conference, also president of the Chinese mission of Portland, will be present. She will bring with her the interpreter's little boy, Kye Moy Ling, 5 years old, who will favor us with some songs. The following is the programme, which will prove itself entertaining, instructive and unique:

DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you first took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price \$1.00 per box, or 3 boxes (30 days' treatment and guaranteed cure), \$3.50. For sale by all druggists, or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Booklets and proofs free. Eureka Chemical & Mfg. Co., La Crosse, Wis.

Office of THE PIONEER PRESS COMPANY, C. W. HORNICK, Supt. ST. PAUL, Minn., Sept. 7, 1894.
Dear Sirs, I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physicians told me I must give up the use of tobacco for the time being, at least, I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured. I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly,
C. W. HORNICK.

CHURCH NOTICES.
