The following deed was filed for record July 1st: Levi M. Moore to John R. Crosby, 20 acres in NW 1/4 sec. 10, tp 2 n, r 11 east; \$200.
The common council did not meet Tuesday evening, there being no quorum. Several members of the council are absent in the mountains.
Those who have agreed to pay their subscriptions in wood are hereby notified to bring it along. Sixteen-inch stove wood, delivered at our residence, preferred.
A. B. Jones shipped 600 crates of strawberries, mostly through the state union. He was the largest individual shipper, and his berries netted a little over \$2 a crate.
The strong east wind prevailing Tuesday made it uncomfortably dusty and disagreeable in town. It is not often that Hood River has such a strong blow from that direction.
The vocalist of the evening was Mrs. F. Webster Hinsdale, whose charming soprano voice and dainty mannerisms added a new sweetness to the old Scotch ballads.—New York Times.
Tuesday, while burning a slash on the Curtis place, the fire got beyond control and communicated to the neighboring grounds of Harvey Crapper and about 50 cords of wood were consumed.
Everybody will be planting apple trees this fall, and the supply may run short. Home-grown trees are always the best, and now is the time to order of Tillet, who has a good supply of standard varieties.
Stop and think one minute! Is it not reasonable that without rent to pay, I can sell doors, windows and all kinds of building material, paints and household furniture, and compete with any dealer in any city or town? Call and see.
S. E. BARTNESS.
The O. R. & N. Co., always alert to the welfare of their patrons, have placed on sale at principal stations a 1000 mile ticket at the rate of three cents per mile; good one year from date of sale, and good for passage over the rail and water lines of their system.
Mrs. F. Webster Hinsdale, the young American singer, soprano soloist of the Hoberer Concert Co. at St. James, has a brilliant soprano voice of exceptional timbre and power. Her execution of Bishop's Airs showed to good advantage her highly cultivated voice and was an intelligent interpretation of the masterpieces.—London Globe.

Concert Postponed.

The concert advertised to be given by Mrs. F. Webster Hinsdale at the U. B. church last evening is postponed till next Tuesday evening, July 16th. The absence of so many of our citizens in the mountains decided Mrs. Hinsdale to change the date. It will be given next Tuesday without fail.

Capt. Coe returned last week from a trip up the Columbia. He went as far as Walla Walla, and on his return stopped at a point 25 miles below Umatilla, on the Washington side, where he located 160 acres of government land. The land lies along the Columbia river, low enough to be overflowed by the exceeding high water of last year. It is good meadow land, but the captain will plant part of it to strawberries.

Frank Miller is now caking his crop of wheat hay on the lake bed on the Morton place, which he says is the best crop of wheat he ever saw. He has just returned from Tualatin Plains, which raises the best wheat in Oregon, and he says he saw nothing to compare with his crop. It stands as high as a horse's back, and good judges say it would make 40 bushels to the acre.

The board of directors of school district number 3, in the town of Hood River, have decided to have the higher grades taught in their school this fall and winter, provided sufficient number of non-resident pupils can be obtained. All non-resident pupils who wish to attend will make application to M. H. Nickelsen, clerk, on or before August 1st.

Wm. Orser of Chenoweth was in Hood River Tuesday. He remembered the GLACIER by bringing us five boxes of the Wilson strawberries, grown on his place 12 miles up the Little White Salmon. The citizens of his neighborhood met at the house of J. W. Hill on the 4th and had a good celebration in spite of the rain.

Dr. E. C. Brusler has a force of carpenters at work raising the back part of his building to the height of the main part. This will give more room up stairs. The drug store will also be enlarged, with the private office on the Third street side. The telephone office will be in a separate room, with the doctor's laboratory in the rear.

D. C. Herrin's photograph tent is again pitched in Hood River. It is in charge of Mr. Folsom. Mr. Herrin was here in April and expected to return July 1st, but a press of work at other points detained him until this week. Mr. Herrin's work is all first class, as many of our citizens can attest who patronized him when here before.

At the last meeting of the common council the superintendent of streets was instructed to put in repair the watering trough at the foot of Adams' hill. It would be a great accommodation to thirsty teams driving by if it could be fixed at once.

The lease held by Frank Miller on the Morton ranch will expire on the 15th of October. Mr. Morton will work the place himself next year, and Mr. Miller will return to his farm near Newburg, Oregon.

"Dance Nocturne," by Miss Gertrude Minto of London, England, was executed in an artistic manner. She has a brilliant, forceful touch, and in the fine passages shows great delicacy of execution.—Fresno (Cal.) Expositor.

Baron de Kachiack and family of Berlin, Germany, arrived at the Langille house Saturday and went out to Mr. Adams Sunday morning. On their return they will visit Cloud Cap Inn.

Hood River is now in the midst of hay harvest. The crop is a good one and consists mostly of wheat grown for hay. Geo. McIntosh has a big crop on the Adams place.

Mrs. F. Webster Hinsdale's selections were as beautiful as her voice—brilliant in opera, sympathetic in ballad—a rare combination in a singer.—San Francisco Wave.

Wm. Davidson and Henry Hibbard went to The Dalles Saturday by team. They started from Mr. Davidson's house at 6 o'clock and arrived at The Dalles at 10.

The first guests at Cloud Cap Inn for the season of '95 were Walter P. Hall and Oliver Howard Stoy of Boston, who went up to the Inn July 5th.

Wm. Divers lost a horse 21 years old. As he was an old companion, Mr. Divers feels his loss as much as if he had lost a member of the family.

Any thing you need in the line of doors, windows, window glass, mouldings, thresholds, carvings, etc., you will find at the Box Factory.

Get the best pictures ever made in Hood River, at Herrin's gallery, near Langille house. Call in for work now, as we shall leave soon.

J. W. Morton has taken up his old strawberry plants and is preparing to set new plants, commencing the first of August.

Hon. E. O. McCoy and family of Grant are at the Langille house, where the family will remain for the summer.

Mr. Gerdes of the Hood River bakery now delivers bread and cakes to any part of town and near by campers.

Oscar Stranahan spent the 4th with his son Bert at Bonneville, where the latter is running a fish wheel.

The Herrins have come! Satisfaction guaranteed on all work done. Cabinets only \$2.50 per dozen.

Shoo Fly! Screen doors and extension window screens, fit any window, at the Box Factory.

Every precaution should be taken against fires during the warm and dry season now upon us.

Mrs. Thos. McCoy of Milton is here with the family of her son, Hon. C. E. McCoy.

Herrin's photograph tent has arrived. Located west of the Langille house.

Arthur Disbrow, formerly of Mount Hood, is now located at Enderby, Or.
Dorrence Smith came up from Astoria to spend the 4th at Hood River.
Bed room set with bevel edge mirror for \$12.50 at S. E. Bartness'.
The steamer Regulator now leaves The Dalles at 8 o'clock.
Special reduction to families at Mrs. Hinsdale's concert.
See the new carbon pictures at Herrin's.

Mr. S. R. Husbands of Husbands' landing, 21 miles above Mosier, was in town Thursday. He reports that his peach plums will soon be ripe of which he will have a large crop. He will ship them through the state union, sending them to The Dalles by the Regulator. Mr. Husbands realized good prices for his cherries that were sent East. He made two small shipments of cherries to different houses in Portland the same day. One house returned 40 cents a box and the other 20 cents. It makes a heap of difference sometimes who you deal with in shipping fruit.

Hon. A. R. Byrket arrived from Troy, Ohio, Sunday morning. He was due here June 1st, but was engaged in an important will-contest case, which delayed him, and started for Hood River as soon as the case was decided. Mr. Byrket enjoys a lucrative law practice at his home in Ohio, where he puts in the winters. In summer he rusticates alternating between his ranches at White Salmon and Trout Lake, and spends part of the time at his residence in this town, which he says makes a very enjoyable change from work at his profession.

S. E. Bartness rode his bicycle 25 miles in 2 1/2 hours in the streets of Hood River Wednesday morning. This is very good time, considering the grade of our streets. In the afternoon, after 4 o'clock, he took a trip up the valley to post notices of the change of date of the concert, and made 25 1/2 miles more.

W. H. Turner of Goldendale has been missing since July 3d. On that day he left home with a Winchester rifle and a few pounds of ammunition, and his friends fear he has been lost in the mountains, met with an accident or sniped.

Rev. J. L. Hershner preached at Frankton school house last Sunday. The day was quite warm, but a fall house greeted the minister, who preached an excellent sermon.

Rev. J. L. Hershner, J. F. McCoy and J. H. Dukes, with their families, and J. E. Plympton of Portland, spent today above the forks of Hood river, fishing.

Bedstead, wire and wood mattresses, rocking and dining chairs, but slightly worn, as good as new, cheap. "T. P." care of A. S. BLOWERS & CO.

A letter received by Mrs. L. N. Blowers from Mrs. N. E. Therss states that she arrived home in England in good health.

Jas. S. Eliason has been appointed as night operator of the O. R. & N. Co. here. During the sickness of Mr. Mooney.

Mrs. F. N. Pendleton and Mrs. Peters of Portland are boarding at Mrs. John Parker's.

Ice cream every day at the bakery.

New Ferry Boat.
J. R. Rankin's new ferry boat was launched July 4th and christened the "Independence." Her trial trip was made on the 5th, with but temporary sails, and she crossed a band of Mazamas to White Salmon, in all 30 passengers, 14 horses, 5 wagons and a pile of lumber. The new boat is 60 feet long, over all, with a 16-foot beam; two masts—a regular schooner rigging. She will be used as a ferry boat between Hood River and White Salmon.

Not on the Programme.
Some neighbors gathered at the house of Robt. Rand on the evening of the 4th. The young folks had procured some fire-crackers, bombs and roman candles, and being outside of the corporation, proceeded to have a good time. They lighted a roman candle at the gate after first setting it on the ground, as they supposed, securely. But it toppled over about the time it was ignited and made a straight shoot along the garden walk towards the house, where the guests were seated on the veranda. The fiery missile sailed over the heads of the people and went through a window into the house, causing a panic among the women, but no one was hurt. The only damage was a pane of glass smashed into a thousand pieces.

To the People of Hood River.
Owing to a change in my business affairs I will be unable to return to Hood River until July 15th.

DR. E. T. CARNS, Dentist.

DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted. Ask your druggist about BACO-CURO. It is a purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you first took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price \$1.00 per box, or 3 boxes (30 days' treatment and guaranteed cure), \$2.50. For sale by all druggists, or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Booklets and proofs free.

Eureka Chemical and Mfg. Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physicians told me I must give up the use of tobacco for the time being, at least. I tried the so-called "Keely Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured. I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly, C. W. HORNICK.
