Co., always alert to the welfare of their patrons, have placed on sale at principal stations a 1000-mile addressed a large crowd of Hood River ticket at the rate of three cents per citizens Monday evening on the subject mile; good one year from date of sale, of "Catholicism." The doctor claims

Rev. J. L. Hershner returned from Monmouth Wednesday noon to of-ficiate at the wedding of Miss Hartley and Prof. C. W. Greene. He reports that himself and family had a pleasant trip from here to Monmouth. They went by boat from here to Portland, and from there by the narrow gauge railroad up the Willamette valley, tak-Thursday.

We are informed that a man named four feet in thickness and starts from the face of the bluff about 500 feet above the water's edge. The men have tunneled in on the ledge some-thing over thirty feet. Mr. R. Dins-more, an old coal miner, living near by, thinks the men have a good pros-

The Mount Hood hotel had a narrow escape from fire Sunday night. The Japanese dish-washer had gone to bed and it is thought neglected to extinguish his light. About 12 o'clock he awoke and found everything in his room on fire. Prompt aid from the guests of the house extinguished the flames, but it was a close call. When the alarm was sounded, Mine Host Bell with great presence of mind. with great presence of mind, rushed for the hose and turned on the water. In his hurry to reach the fire he din't notice that the hose had snapped in two, and he arrived at the burning room with about six feet of the nozzle end. When he returned for the balance he found his wife coolly filling buckets from the other part of the dis-

connected hose. Monday, during the hottest part of ill last week, we are glad to state is the day, sparks from a passing locomo- much improved. tive set fire to the dry grass on the lower part of C. Welds' place, on the East Side. The fire run up the hill in the direction of T. H. Emerson and C. Welds' places, but did no damage beyond burning the dried grass. Mr. Welds saw the fire from town and hurried home. He was soon at work with a hoe scraping a ditch in the loose soil and dry grass. But the intense heat was too much for him; he became blinded and deafened, when he hurried to his house and it was an house left. to his house, and it was an hour before he recovered. He thinks if he had re-mained at work five minutes longer he would not have been able to reach the house. The thermometer at his house marked 110 in the shade.

Robt. Husbands has lately recovered from a spell of malaria fever that confined him to the house for a couple of weeks. He was nursing a felon on his thumb at the same time.

Wm. Foss will make final proof on his homestead before the register and receiver at The Dalles, September 23d.

Matrimonial. A very pretty wedding took place on Wednesday evening, August 7, 1895, at the home of Mr. and Mrs. O. B. Hart-Amos Underwood of Underwood's ley, the contracting parties being Prof. Landing, Wash., brought to the GLA-CIER office, Tuesday, three Yellow Newtown apples of last year's growth

Cal., and Miss Flora Rachel Hartley of Hood River, Oregon. The wedding was very quiet, only the immediate Monday was the hottest day of the season, the mercury at 2 o'clock ranging near the 100 mark. Laboring men worked throughout the day without seeming discomfort, but it was very ed the ceremony, the beautiful and impressive ritual of the Episcopal Stop and think one minute! Is it new land, which has recently been not reasonable that without rent to grubbed of large oak trees.

B. Hartley presided at the organ, and taking their places surrounded with a Mr. H. Henn, the accommodating agent of the O. R. & N. at this place, is taking a month's vacation. Mr. pledged their troth, each with the is taking a month's vacation. Mr. Mooney, the night operator, will fill his position, and Jas. Ellison will take the place of Mr. Mooney.

Mr. pledged their troth, each with the other, observing the beautiful ring service. At the conclusion of the ceremony, congratulations were informally mony, congratulations were informally Dr. W. D. Noyes and wife of Tacoma extended to the happy pair, after which a delicate supper, consisting of the dainties of the market, was served.

Prof. Greene is a teacher in the department of physiology in Leland Stanford university, California. The bride was graduated by that institution in June, and will teach in the department of zoology the coming year. They will return to this famous institution of learning in time to resume their work in September. Happiness and prosperity abide with them.

## Don't Stop Tobacco.

The tobacce habit grows on a man until his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is too severe a shock to the system, as tobacco, to an inveterate user becomes a stimulant that his system continually craves. Baco-Curo is a scientific cure for the tobacco habit, in all its forms, carefully compounded after the formula, of an eminent Berlin physician who has used it in his private practice since 1872, with out a failure, purely vegetable and guar-anteed perfectly harmless. You can use riday and went out to Lost lake on a all the tobacco you want, while taking shing excursion.

Baco-Curo, it will notify you when to Oscar Stranahan desires to notify the stop. We give a written guarantee to party who borrowed his spoke augur permanently cure any case with three that he wants it returned, as he has boxes, or refund the money with 10 per cent interest. Baco-Curo is not a substitute, but a scientific cure, that cures without the aid of will power and with no inconvenience. It leaves the system as pure and free from nicotine as the day you took your first chew or smoke. Sold by all druggists, with our ironclad guarantee, at \$1 per box, three boxes, (thirty days treatment), \$2.50, or sent are visiting the families of W. H., W. B. and F. S. Perry.

T'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted. Ask your druggist about BACO-CURO.

It is purely vegetable. You do not have to stop using to-bacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will

be as free from nicotine as the day before you first took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price \$100 per box, or 3 boxes (30 days' treatment and guaranteed cure), \$2.50. For sale by all druggists, or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Booklets and proofs free.

Eureka Chemical & Mfg. Co., La Crosse, Wis.

OFFICE OF THE PIONEER PRESS COMPANY, C. W. Hornick, Supt.

St. Paul, Minn., Sept. 7, 1894.

Eureka Chemical and Mfg. Company, La Crosse, Wis.—Dear Sirs, I have been a tobacco flend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physicians told me I mustgive up the use of tobacco for the time being, at least. I tried the so-called "Keely Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo," Three weeks ago today I commenced using your preparation, and today I consider myself completely cured. I am in perfec, health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly,

[fi8] C. W. HORNICK.
