Henry Hibbard drove his team to his ranch in Kliths River, Tuesday. The distance from Hood River to his ranch is 50 miles, but he can make it easily in one day.

Stop and think one minute! Is it not reasonable that without rent to pay, I can sell doors, windows and all kinds of building material, paints and household furniture, and compete with any dealer in any city or town? Call and see. S. E. BARTMESS.  
The O. R. & N. Co., always alert to the welfare of their patrons, have placed on sale at principal stations a 1000-mile ticket at the rate of three cents per mile; good one year from date of sale, and good for passage over the rail and water lines of their system.  
Lost—On the road between John Kelley's place and town, a gold finger ring. The finder will be amply rewarded by leaving the ring at Blowers' store or with the owner, Mrs. John Hakel.  
An excursion to Cascade Locks will be given Saturday, August 17th, from points on the O. R. & N. as far east as Baker City. The fare from Hood River will be \$1 for the round trip, and the train will pass here at 4.33 a. m.  
NOTICE—All interested in the coming Hood River fair are notified that on Saturday, August 17th, there will be a meeting at Smith's office to make preliminary arrangements and elect officers.  
O. C. Bartmess returned to Hood River Tuesday, after an absence of about two months visiting friends in the Willamette valley. He spent most of his time at Eugene. Among others, he met our old townsman, Chris Bartsch, who is in the butcher business and doing well. Mr. Bartmess enjoyed life fishing and rambling over the country, but he says there is no place like Hood River, and he is glad to get back.

School will begin in our new school house September 9th, with the following corps of teachers: P. A. Snyder, principal high school department; H. L. Howe, grammar department; Miss Grace Graham, intermediate department, and Miss Grace Elliot, primary department. The school will run six months. Applications for admission to the school from outside pupils are coming in, and it looks like every department will be filled from the start. Prof. Snyder is taking great interest in the school, and the directors have acted wisely in creating the high school department and putting him in charge.  
Business was lively in Justice Soesbe's court during the week. Monday the case of B. R. Tucker, charged with permitting sawdust from his mill to go into Hood river, was tried before a jury. Mr. Tucker defended his own case and was acquitted. Tuesday, Frank Davenport was tried on the same charge and acquitted by a jury. H. S. Wilson appeared for the defense and C. P. Heald for the state. Wednesday, the cases of Carver and Tomlinson were called and dismissed at the request of Prosecuting Attorney Heald.  
M. V. Harrison and family expect to move to Portland about the first of September, where Mr. Harrison will engage in the business of selling Hood River fruit. This will be a good thing for our fruit growers, and we believe Mr. Harrison is just the man for this work. He will dispose of his furniture and library at private sale. He has the largest and best selected library in town, and all in need of books should go and see him at his residence.  
Charley Miller fell out of a wagon Sunday and sprained his arm. He was on his way from Sunday school to W. A. Slingerland's place on his bike, and going up the Tucker's hill put his wheel in a wagon and got in himself. The horses gave a sudden start and threw Charley out, his wheel falling on top of him. He escaped what might have been a bad accident with only a slightly sprained arm.  
Mr. Chas. Meserve and wife of Oregon City came up on the noon train Thursday. Mr. Meserve is editor and proprietor of the Oregon City Enterprise. This is his first trip to Hood River, and he liked the looks of things at first sight. Mrs. Meserve will remain in the valley a month or two and is the guest of Mr. and Mrs. T. A. Templeton at Belmont.  
W. E. Neff is improving his place at the forks of Hood River by putting up good buildings and clearing the land. His land is excellent for timothy, which crop he is now harvesting and finds that it will turn off about three tons to the acre. He intends to set out an orchard of apple trees in the fall, and we believe he will find he has the right locality for apples.  
The excursion to Cascade Locks Saturday, August 17th, promises to be very largely attended. Word comes from Baker City, Union, La Grande, Walla Walla, Weston, Milton, Athena, Pendleton, Heppner and other places that everybody seems to be much interested and hundreds are making preparations to be there.  
Nothing further has been learned of the three men who were seen to go down in their boat in the river below town during the hard blow Aug. 5th. Several stories are afloat of missing men from different parts of the country, but nothing definite is known of any one missing.  
The second ice cream festival and entertainment at the Frankton school house, for the benefit of the organ fund, will be given this (Friday) evening. The last one given was such a grand success that a good attendance is assured for tonight. Ice cream, lemonade, fruit and other good things will be served.  
Dr. Robert Eckels and wife of Brooklyn, New York, are making an old friend of J. K. Stranahan, and last week, while in Portland, came to Hood River to visit him and his family.  
The Dalles has a Sunday closing ordinance prohibiting saloons from keeping open on Sunday. It is being enforced and the town went dry last Sunday. The Dalles is now a city, like Hood River.  
The examination of teachers for certificates commenced at The Dalles Wednesday. There were 22 applicants, and Surs, Shelley and Misses Lang and Rintoul constituted the board of examiners.  
The W. R. C. served ice cream at Odd Fellow's hall Wednesday evening, and the receipts were \$9. The three societies occupying the hall are raising a fund to purchase an organ.  
The three Odell brothers who left here a couple of months ago for Canada, have returned to Hood River, and now think the United States is good enough for them.  
A letter to M. H. Nickelsen from Rev. J. W. Rigby states that his daughter Mollie fell from a step ladder while gathering fruit and broke her arm.  
The board of directors of this school district have received five applications from pupils in Sherman county for admission to our school.  
Watermelons and muskmelons are plentiful and cheap in the markets of Hood River. They are shipped from The Dalles.  
M. V. Harrison offers for sale his household furniture, books, etc., at private sale. Call and see him for particulars.  
A short correspondence was received from Belmont this week. No name was attached, and of course it is not printed.  
The mother and youngest brother of Rev. E. L. Johns arrived Thursday from California to make an extended visit.  
Mrs. Zane of Portland came up Thursday on the Regulator and is visiting her mother, Mrs. Monroe.  
Clarence English came up from Portland last week and is spending his vacation at Hood River.  
School commenced in Crapper District Aug. 6th, Miss Mollie Dunlap of Wasco, teacher.  
J. T. Neff went to The Dalles Wednesday to attend the teachers' examination.  
Lunch and meals at all hours at the Bakery. Board, \$3.50 per week.  
Capt H. C. Coe made a trip to The Dalles Wednesday.  
Mrs. Stella Gray is visiting relatives in Hood River.  
Dr. Elliot left Thursday for a trip to the coast.

The efforts of the Rod and Gun club to protect the fish and game met with serious setbacks during the week. Nevertheless, they were commendable. The president of the club, and the prosecuting witness in the suits in the justice court, believed the saw mill men were violating the law and caused their arrest. The defense showed to the juries that they had made an effort to keep the sawdust out of the streams. The juries were not disposed to convict men who are furnishing employment to labor when it was shown that they had taken precautions to not disobey the law. It is a fact that our fish and game are decreasing perceptibly each year, and it is hoped the late arrests will have their good effect towards preserving the game as well as the fish.  
Tuesday evening Mrs. M. Sue Adams drove to the depot in company with Mrs. Schaller, her music teacher. Mrs. Adams went into the depot, leaving Mrs. Schaller to hold the reins. A locomotive backed up on the track and scared the horse, which frightened the occupant of the carriage and she jumped out. The horse started to run and got far as Gerdes' bakery, where it was caught and stopped by Mr. C. A. Bell. No damage further than two frightened ladies.  
The people and friends of the U. B. church gave their pastor such a "pounding" last Wednesday evening as will not be forgotten by him for some time. The family baby Howard included, will be able to feast for some time on all the good things brought to them. Thank you. PASTOR.  
We are now receiving the largest assortment of boots and shoes ever received at one time in Hood River; all Bradley & Metcalf, bought at old prices, and every pair warranted. We will not be undersold by any retail house on this coast. A. S. BLOWERS & CO.  
Mrs. F. L. Johns of Belmont returned home on Thursday's boat from The Dalles, where she was visiting relatives.  
Mrs. N. J. Mercer is prepared to furnish home-made bread to families or campers. Will also bake cakes to order.  
Saturday and Monday of each week will be our grinding days throughout the fall and winter. HARRISON BROS.  
Rev. F. L. Johns drove his team to The Dalles Tuesday, returning Thursday.  
Misses Grace and Nettie Clarke came up on the noon train Wednesday.  
Blowers & Co. have received a large stock of Bradley & Metcalf's shoes.  
Ladies' Aid Society.  
The ladies' aid society of the Congregational church spent last Friday with Mrs. McCoy, and a more enjoyable day could not be had. There were present Mesdames Dr. Watt, Dukes, Bateham, Prather, Crowell, Perry, sr., and Perry, jr., Harbison, sr., and Harbison, jr., Harvey, Grandma Clark, McCoy, Rand and Misses Dukes, LaFrance, Watt, Bateham, Perry, Prather, Harbison and Master Perry and Everett Rand. Work was earnestly taken up in the forenoon, and if finished that day were to have a vacation for a month. About 1 o'clock a delicious lunch was served, the tables fairly groaned beneath their load. The house was prettily decorated all throughout with flowers from Mrs. McCoy's famous flower garden. About 4 o'clock lemonade and fruit was served, after which all were invited to gather a bouquet to bring home with them. We left feeling we had had one of the pleasantest days of the season, and voting Mrs. McCoy's the finest place in the world for an all-around good old-fashioned time. PRESIDENT.

# DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you first took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price \$1.00 per box, or 3 boxes (30 days' treatment and guaranteed cure), \$2.50. For sale by all druggists, or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Booklets and proofs free. Eureka Chemical & Mfg. Co., La Crosse, Wis.

## OFFICE OF THE PIONEER PRESS COMPANY, C. W. HORNICK, Supt.

Eureka Chemical and Mfg. Company, La Crosse, Wis.—Dear Sirs: I have been smoking tobacco for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physicians told me I must give up the use of tobacco for the time being, at least. I tried the so-called "Keely Cure," "No-Toxic" and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured. I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly, C. W. HORNICK.
