Tillet has 100 Lambert cherry trees for sale; every one having the stamp of the horticultural society, showing their genuineness. Also, all varieties of standard apples.
Sheriff Driver is selling the delinquent tax property this week at the Dalles, most of it being bought in by the county. Geo. Tournay bought in the J. B. Pilkington property for \$30.44.
D. F. Pierce has equipped the model of a horse in his show window in handsome harness, the work of his own hands. Mr. Pierce is a fine workman and may well be proud of this job. The harness will be on exhibition at our fair.
During the past month we have been sending out statements to subscribers in arrears. After this week the GLACIER will be stopped to those who have not replied to our letters, and we will try other means of collecting what is due.
We are pleased to inform our readers that Mrs. Chas. Meserve's trip to Hood River has improved her health a great deal. Mr. and Mrs. Meserve came down Monday to Deltona to visit his relatives, and are expected in Clatskanie today to visit friends here.—Clatskanie Chief.
Mr. B. Warren and son William returned Saturday from a trip to the Willamette valley hop fields. They went up the valley as far as Dundee, where they expected to take part in picking hops, but after viewing the work, concluded they didn't want any of it and returned home.
The Misses Clara and Edith Arnerberg of Portland, who have been spending their vacation with Mrs. Anson Curtis at Curly Top ranch, returned home last week. They are both members of the Rose social club, of which Mrs. Curtis is president. Miss Bertha Rutherford, also a member of the club, spent her vacation with Mrs. Curtis. They all wear the silver cross of the King's Daughters.
Miss Anne C. Smith of Hood River, late of the Oberlin and New England conservatories of music, will open a conservatory in The Dalles September 25th. Miss Smith has devoted years to the study of music in our leading conservatories in the East and has also studied under the best private teachers of America and England. She comes highly recommended to us.—Chronicle.
The ladies' aid society of the M. E. church will serve meals and lunches during the fair. A tent will be pitched close to the armory, where a good meal can be had for 25 cents, or coffee, sandwich and doughnut for ten cents. Anything in the line of fruit, vegetables, meat or baked goods will be gratefully received by the ladies. Persons donating articles of food will please leave the same at Mrs. A. R. Byrket's not later than 5 p. m. Saturday.
Some of the boys of the upper department of our school started out during the past week to hustle enough funds to add to what they already have to purchase a new flag for the school, the old one, purchased four years ago, being worn out. The boys have really become hungry for a sight of the grand old flag floating from the building, and voluntarily assumed the burden of raising the required funds. This is a favorable omen for the future patriotism of our youth.
R. E. Harbison started Wednesday morning for a visit to Salem and the state fair. His principal object in going is to get ideas about building a fruit drier. This is his second trip to the Willamette valley this season on the same errand, and he hopes now to obtain the very best plans for a drier. Harbison Bros. are already combining their past researches with investigations made by F. H. Stanton, and together they are building a small drier for temporary and experimental use.
The new organ for the Frankton school arrived from Seattle last week and was hauled out to the school house Monday by E. Looke and M. P. Iesenberg. Those who have heard its tones pronounce it a fine instrument. The organ was purchased from the house represented here by S. J. LaFrance. The price is \$68.50, of which amount \$46.30 is now in the hands of the committee. The Sunday school will close after next Sunday for the winter months. Everybody in the district is expected to attend Sunday school next Sunday and hear the new organ and express an opinion as to its merits.
