George Williams and Charley Reed were up on Mount Defiance, last Friday, on a bear hunt. They struck a trail on the east side and followed it over the mountain to the west side before Bruin was overtaken. The snow was so deep and the road back so difficult that Mr. Williams decided he couldn't get the bear out if he killed it, and let him live after getting within twelve feet of him. At one place, where Williams had a good chance to measure the bear's track, he found he day evening. had a foot that measured just seven inches.

These instruments comprise Square pianos at \$40, \$55, \$90, \$100 and \$125. Upright pianos at \$125, \$140, \$150, \$150, \$150, \$200, 225, 240 and upward. Grand planos at \$205, \$250, \$200 and upward. Nearly all originally soid for from two to four times their present price. Almost all prominent makes in squares and uprights) are represented, including among numerous others. Chickering, Knabe, Steinway, Weber, Decker, Stock, Fisher, etc. This is an opportunity that will not occur again, as Lyon & Healy never had so many planos of this class before. Immediate attention is necessary. A good plan would be to order a plano, leaving the selection to Lyon & Healy. However, they will send a list and full particulars upon application. Any plano not proving satisfactory may be returned at their expense. Address at their new salesrooms, corner Wabash ave. and Adams street, Chicago. Distance is no obstacle in taking advantage of this remarkable chance to obtain a plano, for in proportion to the saving to be made, the freight charges are insignificant. If you do not already know them by reputation, any banker will assure you of Lyon & Healy's entire responsibility and record of over a third of a century for honorable dealing. Write today so as to avoid disappointment.
