The weather during the first part of the week was quite wintry, and the old saying that if "March comes in like a lion it will go out like a lamb" didn't prove true this time. March came in stormy and went out in the same man-ner. Sunday was a most disagreeable denoted by the same man-ner. Sunday was a most disagreeable of the same man-ner. Sund ner. Sunday was a most disagreeable day, with strong winds and snow fly-ing in gusts. Monday morning the ground was covered with about an inch of the beautiful. Tuesday morning the thermometer went down to 26, and it is likely that some of the peaches and cherries in bloom were nipped. But fruit men are of the opinion that very little damage was done in this valley. The numerous political conventions throughout the state may have had some effect on the weather. It wasa

which was given a trial on our streets and found to work satisfactorily, has been taken back to The Dalles and sent out to Tygh Ridge. In the opinion of those who had charge of it when tried here, the machine could do good work. Where the ground is rocky the ma-chine would work all right after the plow. We hope the machine is not gone for good, and that it will return here again after the work is finished for which it was taken away. for which it was taken away.

There was a rumor on the streets during the week that the prospecting party that went out from here about a month ago were all sick in camp in the Cascade mountains, but there is evi-dently no truth in the report. Mr. Amos Underwood was over Wednesday, and he says he can trace the ru-mor to no authentic source. Mr. Underwood thinks the party may find a shorter and easier way out of the moun-tains by way of Lewis river, and that they may be expected to arrive here on the boat or train most any day now.

All county officers who will be suc-ceeded by others will be compelled to relinquish their offices the first Monday in July, with the single exception of assessor who holds until the first Monday in January following the election. This is in accordance with a recent act Blue vitriol, 5 cents a pound by the 100; ground sulphur, 2 cents a pound, at the drug store. This is in accordance with a recent ac-of the legislature, as the assessor is usu-ally very busy in July making assess-ments, and his work cannot be profitably broken in upon.

#### The Frankton Literary.

The meetings of the Frankton literary society still continue to increase in interest, and each Friday evening brings a full house. The last meeting was one of the best of the season. The interest which the young people of the district take in these meetings was shown by the promptness with which they responded to their names, and their readings, recitations and songs were all well rendered. The subjects debated at the last two meetings have debated at the last two meetings have been up-to-date questions, relative to the interests of the fruit growers of Hood River valley. These debates have created considerable interest and are as good as lectures. The question, "Resolved, That the fruit growers of Hood River valley have reached the limit of progression in their line," was debated last Eriday evening Mr. debated last Friday evening. Mr. Wm. Isenberg led the affirmative and W. J. Campbell the negative. The judges rendered their decision in favor of the negative. Next Friday evening the young people will debate the fol-lowing question: "Resolved, That the hope of reward is a greater incentive to action than the fear of punishment." William Ellis will lead the affirmative and Thomas Calkins the negative.
