Newspapers in the Campaign.

Newspapers in the Campaign.

In the present campaign the newspapers will be the greatest of educators in teaching the voters of the land the proper way to Yew the political questions of the day. The Republic of St. Louis is without doubt the most able instructor published on the democratic side, as it explains in almost every issue, by editorial or learned article, why the mass of the people should vote for the democratic presidential candidate. In addition, it prints all the news of the doings of both parties and all the speeches of statesmen. The Republic is only \$ia year, \$i.50 for 3 months, or 65 cents a month by mail, Semi-Weckly Republic \$ia year.
