Rankin's majority in White Salmon, for county commissioner, was 23, and at Trout Lake he received 20 out of 28 votes. The ladies of Hood River are invited to call at the Portland Millinery Store and see the fine selection of fall millinery. Mr. J. W. Morton left at this office a beef that is hard to beat. It measures 17 inches in length and weighs 74 pounds. The annual meeting of the stockholders of the Valley Improvement company will be held in A. O. U. W. hall on Monday, Nov. 16th. Wm. Isenberg, who is attending Portland university, came home to vote and acted as deputy sheriff at the polls of West Hood River precinct. Henry York's new drug store will open about the 15th. The building is nearly completed and his shelving arrived Tuesday on the Regulator. M. A. Cook now offers his 5 acres, one mile from city limits, good tillable land, running water, for \$125. This offer to hold good for 10 days. Canby post, G. A. R., will meet next Saturday, November 7th. A full attendance is desired. The Relief Corps will meet at the same time. Wilford & Ferguson have cranberries at 15c per pound; baking molasses at 35c per gal.; codfish bricks at 10c per lb.; sweet potato toes at 2c per lb. Rev. G. W. Coe in South Waconoma, just across the street west of the new school house. He will build a residence in the spring. In buying fruit trees, good roots are the most important item to look after. Tillett is careful in taking his trees from the nursery rows, and will not send out any but well-rooted trees. Write to Davenport Bros. Lumber Co. for delivered prices on all kinds of lumber, rough or dressed. They have a large and good assortment of finishing lumber on hand, good and dry. Call and get our cash prices before purchasing elsewhere. Now that you have voted to save the country and good times are assured the next thing to do is to put yourself in position to be benefited by the rising prices. Order your fruit trees before they advance in price and be ready to sell apples when they advance, as they surely will. Digging has already commenced at the Columbia Nursery. The Eagle editor spent a few days of last week in and about Hood River and we must admit that this thriving city bears no unmistakable signs of prosperity. Twelve new residences and business houses have been erected there during the summer and fall, and people are flocking there from all directions to secure land. Fruit culture is at the bottom of the quiet little boom that Hood River is just now enjoying.—Milton Eagle.

The following persons went to the Cascade Locks Thursday as invited guests aboard the steamer Regulator: Hon. E. L. Smith, Mayor L. N. Blowers, Councilmen L. E. Morse and wife, L. Henry and wife, S. E. Bartness, W. N. West, J. P. Watson and a GLACIER representative. A goodly number of Hood Riverites boarded the crowded excursion train from The Dalles, that passed the eastbound local at this place. Cascade Locks was so over crowded with people that the capacity of the eating houses was overtaxed and hundreds of the visitors, including many Hood River people, were unable to get anything to eat. The day was perfect in every respect, except being a little cool. The mountains just back of the town were white with snow.

Republicans in Hood River will celebrate the election of McKinley tomorrow night by a torchlight procession, illuminating residences and other buildings, firing anvils, burning red lights, speech making, etc. The boys will be over their hoarseness by that time and ready to yell some more.

Mr. T. A. Templeton can now change his shirt. He has been so confident all through the campaign that his favorite candidate, McKinley, would win, that he vowed if he was not elected he would never take off the shirt he put on on the morning of the election.

Mr. Wm. Eastman, who voted for Gen. Harrison in 1840 and hoped to vote for McKinley, failed to come to the polls on election day. His injuries received some time since, when he sustained a broken rib or two, no doubt prevented his coming to town.

Rev. J. T. Merrill will arrive on the Regulator today from The Dalles with his family. He will occupy the Coe house near the armory. He will preach Sunday in the U. B. church, morning and evening.

For Rent—A farm of 25 acres at White Salmon, with team, cow, tools, etc. Plenty of fruit of all kinds. Price \$100 a year. One mile from P. O.; half mile from school. Address T. A. Starnes, White Salmon, Wash.

E. L. Smith has a few thousand nursery trees (apples) grown at Beaulieu Land, that he will sell very reasonable or exchange for wood, lumber or work.

Mrs. Howell has rented part of E. V. Husband's front room in the Langille house and will open her stock of millinery goods in a few days.

Mr. Hann sold over fifty tickets for the excursion train to the Locks yesterday.

A heavy white frost this morning and the surrounding hills capped with snow.

Sherman county went for McKinley by a small majority.

The Election in Hood River.

A full vote was polled in Hood River. West precinct gave McKinley 185; Bryan, 85; prohibition, 7; Palmer, 5—total, 282.

East precinct, McKinley, 80; Bryan, 85; prohibition, 2; Palmer, 2—total, 178. Baldwin precinct, McKinley, 22; Bryan, 20; Palmer, 1—total, 52.

Two votes were thrown out in West precinct and 2 in East precinct because of not being properly marked.

In West precinct 172 votes were cast before noon, and all were in before 5 o'clock. The 282 votes in this precinct were counted in one hour.

A good many votes were challenged and sworn in in both precincts.

The railroad employees of the local train that passed up at 11 o'clock all voted in East precinct.

Arrangements were made for taking the dispatches and the bulletins were read at the Mt. Hood hotel. A great many people from the country came to hear the returns read, and the crowd at the hotel kept up till after midnight. The returns from the start were favorable to McKinley, and the reading of every bulletin brought forth hearty cheers from the republicans. Will Smith went to his box factory, fired up and blew the whistle for half an hour.

Wasco County. The following are the majorities so far as received:

The Dalles precincts, McKinley 151. West Hood River, McKinley 102. East Hood River, McKinley 4. Locks, McKinley 10. Baldwin, Bryan 7. Ramsey, McKinley 1. Dufur and Nansene, Bryan 18. Kingsley, Bryan 20. Elight Mile, Bryan 12. Wamie, Bryan 39. Tygh, McKinley 28.

Married. At the Congregational parsonage in Hood River, Nov. 2, 1896, S. D. Nelson of Roseland, B. C., and Miss Eva Viola Leavens, daughter of H. M. Leavens of Cascade Locks, Rev. J. L. Hershner officiating. Mr. and Mrs. Nelson will make their home at Roseland.

A Household Treasure. D. W. Fuller of Canajoharie, N. Y., says that he always keeps Dr. King's New Discovery in the house, and his family has always found the very best results follow its use; that he would not be without it if procurable. G. A. Dykeman, druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottles free at the Hood River Pharmacy. Regular size 50c and \$1.

"Hind the Sprinkling Cart."

"When the summer days is hot
Me an' Bill an' my dog Trot
Gin on 'hind the sprinkling cart,
Feelin' mighty big an' smart,
'Cause yer see, the other kids
An' I got any Uncle Sam's
As drives city sprinklin' teams,
What squirts dandy water streams."

"Billy, he's my bestest chum,
An' his pa sells chawin' gum;
I let Billy ride with me,
'Cause he's always treatin' me;
We boost Trot up with us behind
The old cart, for Trot is blind
An' one leg is awful lame,
(But I love him all the same.)"

"Me and Bill, we go barefoot,
So as we can take an' put
Both feet down where it's wet,
Underneath the water jet;
Gee, the stream comes spurtin' out,
Like a playin' water spout,
Makin' muddy puddles where
Jest before the dust was there."

"Then we klick our feet around
'Tween the water an' the ground;
An' it feels so awfully nice,
When the water, cold as ice,
Trickles down in runnin' rows,
Kinder likin' 'tween yer toes,
Makes yer think of swimmin' tanks,
Fishes' ponds 'r river banks."

"Well, this very afternoon,
When we're foolin' 'th a coon,
Uncle Sid, he pulled the string
Off for a vacation trip;
An' the coon an' me an' Bill
Got a dinkin' I'm wet still;
But we never mindin', though,
'Cause 'twas bully cool yer know."

"Ev'ry summer people skip
Off for a vacation trip;
To the mountains, woods, er-well,
To some hot, stuffy beach hotel.
Hump—don't care if I can't go—
But I have as much fun, though,
Ridin' on the hinder part
Of my uncle's sprinklin' cart."

—Boston Journal.

McKinley had 20 majority at White Salmon.
