## BRIEF LOCAL MATTERS.

Lou Morse is authorized agent for all newspapers and periodicals.

C. J. Hayes has been appointed deputy county assessor by Surveyor Golt.

An excellent quality of hay for sale at \$16 per ton; cash only.

E. L. SMITH.

No. 1 timothy, clover and alfalfa hay, baled, for sale by J. H. Shoemaker.

The Travers literary will meet at the residence of Mrs. Langille, Monday evening, March 22d.

To lease, for a term of years—A farm in the Baldwin settlement, 12 miles from town. Apply to Jas. Langille.

Mr. Sunderland and family moved up from Portland Tuesday and are occupying the cottage just east of the U. B. church.

The many friends of George P. Morgan will be glad to learn that he was elected school clerk in The Dalles at the election last Monday.

One minute is all the time necessary to decide from personal experience that One Minute Cough Cure does what its name implies. Williams & Brosius.

The impurities in the store room of Wolfard & Bone are now about completed and they have the finest and most convenient store room in town.

Strawberry growers have been engaged between showers in setting plants during the past two or three weeks, and the acreage has been greatly increased.

Torturing, itching, scaly skin eruptions, burns and scalds are soothed at once and promptly healed by DeWitt's Hazel Salve, the best known cure for piles. Williams & Brosius.

Now the race is to see who can raise the most early berries. We venture the prediction that it will be the man who gets a lot of trees from the Columbia Nursery and sets them on the west for a wind break.

It is surprising what a "wee bit of a thing" can accomplish. Sick headache, constipation, dyspepsia, sour stomach, dizziness are quickly banished by DeWitt's Little Early Risers. Small pill. Safe pill. Best pill. Williams & Brosius.

An umbrella in a bad state of dilapidation—in fact, a perfect wreck—has been left at this office. Owner will please call and pay for this notice and take the umbrella away.

E. E. Turner of Compton, Mo., writes us that after suffering from piles for 47 years, he has completely cured them by using three boxes of DeWitt's Hazel Salve. It cures eczema and severe skin diseases. Williams & Brosius.

Fred Miller and H. E. Blocher traded habitation's one stormy day last week. Mr. Miller has rented the Newcomb Clark place and Mr. Blocher will occupy the Tendick house for the coming year.

If you have ever seen a child in the agony of croup, you can appreciate the gratitude of the mothers who know that One Minute Cough Cure relieves their little ones as quickly as it is administered. Many homes in this city are never without it. Williams & Brosius.

Jos. A. Wilson and N. C. Evans have been elected by the Hood River Fruit Growers' Union to ship all strawberries handled by the union during the coming season.

Don't allow the lungs to be impaired by the continuous irritation of a cough. It is easier to prevent consumption than to cure it. One Minute Cough Cure taken early will ward off any fatal lung trouble. Williams & Brosius.

Upon reading the clipping from the Dalles Chronicle, printed in another column, about Gov. Lord, Senator Corbett and the 23d Psalm, Mr. Joseph A. Wilson immediately repeated the 23d Psalm from memory. He had learned it at Sunday school when a boy. This is proof that his education at card-playing was sadly neglected.

They are so small that the most sensitive persons take them, they are so effective that the most obstinate cases of constipation, headache and torpid liver yield to them. That is why DeWitt's Little Early Risers are known as the famous little pills. Williams & Brosius.

Write to Davenport Bros., Lumber Co. for delivered prices on all kinds of lumber, rough or dressed. They have a large and good assortment of finishing lumber on hand, good and dry. Call and get our cash prices before purchasing elsewhere.

Many cases are produced by late been cured by One Minute Cough Cure. This preparation seems especially adapted to the cure of this disease. It acts quickly, thus preventing serious complications and bad effects in which this disease often leaves the patient. Williams & Brosius.

Next Tuesday and Wednesday our horticultural institute will be held. Every one in Hood River valley interested in fruit culture should attend. The lectures by the eminent professors of the agricultural college will be of great benefit to all, and there will be a chance to learn something from the papers read and remarks by Messrs. Schanno, Coon, Evans, Absten, Chandler and others who will take part.

Hood River has had old-fashioned March weather during the past week. We have had rain and snow and sunshine during the days, and at nights snow accompanied, generally, by strong winds. Every morning, except Tuesday, for a week past, the ground has been covered with snow, which would disappear before night until yesterday. The snow yesterday morning was three inches deep, and in some places in big drifts, that had not disappeared when night came. A strong north wind kept up during Wednesday night, and a very disagreeable blizzard would ensue with every shower of snow.

Col. O. B. Hartley returned Monday from a trip to Sherman county. He found the people there rejoicing over the prospect of a railroad being built from Biggs to Wasco, and eventually to Prineville. He says Mr. Woodworth of Hood River is working a good many teams plowing and seeding his 1,800 acres of grain. At The Dalles he saw Capt. Tom Pierce, who was feeling the effects of the wave of prosperity.

A man named Hendrix died at White Salmon and was buried March 1st. He left a widow and several small children in indigent circumstances, and an entertainment will be given at White Salmon tonight, by the Hood River lodge of Good Templars, for the benefit of the family. Fifteen members of the lodge will be in attendance and render the play of "The Last Leaf" and also the comedy, "A Perplexing Situation."

The printed programmes for the institute to be held at Middleton's hall next Tuesday and Wednesday were received this morning. It will be seen that there are some changes in the programme printed in another column, which we have not time to change for this issue. There will be a morning session Tuesday, and also a session Wednesday night.

Charles Miller has purchased five acres of land from his brother Warren and has leased 2 1/2 acres already cleared and ready for planting to strawberries. The five acres are situated just north of Frank Caddy's tract, near the Frankton school house.

Mr. A. C. Lane and wife of Sac City, Iowa, who have just completed a tour of the coast, stopped over Sunday at Hood River to visit Mrs. N. A. Monroe. While here Mr. Lane found an old friend and acquaintance in the person of Rev. J. W. Rigby.

A still-born child was born to Mr. and Mrs. A. O. Hershey, March 6th. Mrs. Hershey was quite low and her life was despaired of for several days, but we are glad to learn she is now improving.

The GLACIER was in error in stating last week that there would be no Sunday school in Frankton school house. Sunday school will be held there next Sunday, at 2 o'clock.

A horticultural institute will be held at The Dalles March 18th and 19th, at which the president and professors of the agricultural college will attend and participate.

Miss Eliza Stevens has been sick during the week, and her brother, Edgar, occupied her place as teacher in the primary department of the Hood River school.

Mr. J. C. Wheeler returned from Portland last week and will remain here for the spring and summer. He says he is glad to get back to Hood River.

Supervisor Watson is receiving much praise for the good work he has accomplished on the streets and on the roads in the vicinity of town.

Mrs. Rosa Wolverton, who has been visiting her sister, Mrs. Hershner, went to The Dalles, on Tuesday, to spend a few days with friends.

James and Alfred Ingalls came down from Sherman county, Wednesday, with their horses they had wintered in that county.

Mr. Charles Miller returned Saturday from Scholl's Ferry, Washington county, where he has been spending the winter.

O. H. Rhoades was in town yesterday and reported a foot of snow at his place, 11 miles from town on the Mt. Hood road.

Don't forget J. H. Cradlenburgh's lecture at the Congregational church on Saturday evening, March 27th.

Sweet corn, beans and carrot seed in bulk at Columbia Nursery, and pocket seeds (good seeds, too) given away.

The primary department of the Frankton school opened last Monday with 40 pupils, and more to come.

Read the testimonials in Tillet's ad; they will give you an idea where to buy trees that can be relied upon.

The steamer Dalles City is again on the route, making regular trips between Portland and The Dalles.

Mr. R. S. Andrews has been secured to teach the Vicento school, which will begin next Monday.

Mrs. E. Taylor, who has been visiting Mrs. E. V. Husbands, has gone to Mosier to visit friends.

Capt. H. C. Coe is now engaged permanently on the steamer Pilgrim as captain.

Our new steel bridge across Hood river is to be completed by July 4th.

Mrs. J. H. Zane of Portland is visiting her mother, Mrs. N. A. Monroe.

Mrs. T. Rice of the East Side is confined to her house with rheumatism.

Wm. Tillet returned last Saturday from his trip to Sherman county.

The thermometer was down to 18 this morning at 7 o'clock.

## Council Meetings.

The council met Tuesday evening; Mayor Blowers in the chair. Councilmen Bell, Henry, West and Watson were present.

Ordinance No. 18, changing price of license on shows, was rejected. The license on all kinds of traveling shows remains at \$5 a night.

City Marshal Evans presented a request in writing, asking the council to allow him a salary of \$15 a month, or such other sum as they should agree upon. Councilman Henry stated that under the resolution adopted at the citizens' primary, where he was nominated, he could not vote to grant the request, and Councilman Watson said he was placed in the same situation. The resolution was in effect that the council should not create any indebtedness that would necessitate a tax unless petitioned by a majority of the taxpayers. It was then decided that Marshal Evans should circulate a petition, and if a majority of the taxpayers signed it, the council would vote at liberty to levy a tax and vote a salary to the marshal.

Bill introduced an ordinance, by request, amending ordinance No. 16 fixing the license on livery stables as follows: One team, \$15; two teams, \$20; three teams or more, \$25. It will come up at next meeting for amendment or passage.

Bell, West and Watson were appointed a committee on fire and water and ordered to make a report at next meeting.

Claims against the town were ordered paid, as follows: Marshal Evans, killing two dogs, \$2; S. F. Blythe, publishing ordinances, \$1.75.

Council adjourned.

## Canby W. R. C.

Saturday, March 6th, was a memorable day in the history of the Canby W. R. C. The corps was visited on that day by the department president, Mrs. Sarah McCowan of Oregon City, and also by Mrs. Mary O. Nichols of The Dalles, past corps president of J. W. Nesmith W. R. C., who has the exceptional honor of having installed the only national officer in this state.

Notice of the coming of our guests was not received in time to let all the members know, but a good many were present and an enjoyable meeting held. Mrs. Mary E. Reeves was admitted to membership by transfer, and thus Canby corps gains another earnest willing worker in the cause of F. C. and L., one who has already distinguished herself in the councils of the W. R. C. of Oregon. The department president was warmly welcomed by the corps members, whose respect for this worthy official grew with better acquaintance, until it promises fruit in lasting friendship. Mr. and Mrs. Reeves had the distinction and honored themselves, Canby post and Hood River by so generously and handsomely entertaining the distinguished guest. Mrs. Cunningham, who met Mrs. McCowan at the depot, was also pressed into accepting the hospitality of the host and hostess of the Canby corps. Deceased was a member of the Canby corps, and will pleasantly remember the visit of Mrs. McCowan and Mrs. Nichols, and hope to meet them many times in the future.

MATTIE MARKHAM, C. Secretary.

## Death of Edwin Gorton.

Edwin Gorton died at Wyeth, Oregon, March 6, 1897, aged 87 years. He leaves three children—two sons in Ohio, James Gorton of Wyeth, and Phoebe Miller of Cascade Locks. He was granted leave to the McCoy brothers of Hood River. Deceased was an old soldier and member of Canby post, G. A. R., of Hood River. During the war he enlisted in an Ohio regiment to look after his son, then a mere boy, who had joined the army. In one of the battles in Kentucky he was stricken with St. Vitus' dance, from which he never fully recovered, and was pensioned for the disability. He joined the Christian church in Ohio more than 40 years ago and lived a consistent member of that denomination. At a meeting of Canby post, last Saturday, he was reported sick, and John A. Wilson was detailed to visit him; but before Mr. Wilson got to the train on Sunday afternoon, he learned that his aged comrade had died and was buried at the McCoy home.

C. J. Hayes, adjutant of the post, went down on the Sunday morning train, but as the train did not stop at Wyeth, he was taken on to Cascade Locks, where he learned of the comrade's death.

## London Purple

Is chiefly arsenite of lime, a residue obtained in the manufacture of aniline dyes. It does not contain quite so much arsenic as Paris green, and by being a by product, it is not so constant in its constitution. According to an analysis by the chemist of the U. S. department of agriculture, it has 43 per cent arsenous oxide. A later analysis by the chemist of the Vermont agricultural experiment station, it has:

Arsenic (arsenous ox) parts.	47.73
Iron	44.55
Iron and alumina	1.31
Sulphuric acid	1.31
Moisture	3.37

Paris green and London purple are both dangerous poisons and are peculiarly in the province of the pharmacist, for he is the poison retailer and usually the only one having the facilities for guaranteeing their quality. We keep only the best qualities.

## Paris Green

Is chiefly arsenite of copper. The insecticide efficiency of Paris green depends upon the amount of arsenious acid present, which is somewhat variable, ranging from 54 to 61 per cent in an analysis of five samples obtained in the market. The chemist of the Maine state college found 54, 55, 54, 55 and 40 percent of arsenious acid respectively. It is a very stable compound, does not readily suffer deterioration and may be safely kept in ordinary containers, in a cool, dry place.

WILLIAMS & BROSIOUS, Druggists.

A novel method of presenting the newest and freshest Easteride creations of Paris milliners has been adopted by The Ladies Home Journal for March. In that magazine the new French hats and bonnets will be pictured as they are worn. This unique display is useful, therefore, in pointing out clearly not only fashion's degree, but the styles in headdress best suited to several contrasted types and faces.

## Fruit Growers' Institute.

Following is the programme of the institute to be held in Hood River, March 16th and 17th under the auspices of the Oregon Agricultural College, assisted by the Hood River Fruit Growers' Union. President Miller and Professors Cordley and Hedrick of the Agricultural College, Hon. Emile Schanno, district commissioner, and others from abroad will be present and take part. Every fruit grower in the valley is especially invited to attend this institute, where he will learn something to his advantage. The meetings will be held in Middleton hall, commencing at 1:30 o'clock Tuesday, March 16th, and will be in session, also, Tuesday evening, and on Wednesday both in the forenoon and afternoon. If desired, a meeting will be held Wednesday evening.

## Eligatory and Musical Entertainment

At the M. E. church in Hood River, March 13, 1897, at 8 o'clock p. m. Miss Blinnie DeForest, R. H. L., professor of elocution in the Portland University, one of the finest elocutionists on the coast, will give a splendid programme of readings and recitations. The musical programme, under the management of Miss Anne Smith, so pleasantly known by the people of Hood River will be as follows:—

Violin solo, "Intermezzo," by Berdan.....Mrs. York and Miss Smith  
Vocal solo, "Happy Days," by Strielzke.....Mrs. York and Miss Smith  
Vocal solo, selected.....Mrs. S. J. LaFrance

Printed programmes will be distributed. Admission 25 cents. Tickets to be had at the stores of M. H. Nickelsen, George Crowell and at the New York Racket Store.

## Butterfly Entertainment.

The ladies aid society will give an entertainment at Belmont M. E. church on Friday, March 12th. The entertainment is to be of a musical and literary character. Afterwards, all will repair to the parsonage, where there will be a butterfly basket supper. Butterflies will reign supreme on the baskets, in the baskets and out of the baskets. Each lady is expected to bring a basket with lunch for two, in which will be found two butterflies for the lady and her partner. Everybody cordially invited to attend.

## From Cripple Creek.

After the big fire in Cripple Creek, I took a very severe cold and tried many remedies without help, the cold only becoming more settled. After using three small bottles of Chamberlain's Cough Remedy, both the cough and cold left me, and in this high altitude it takes a meritorious cough remedy to do any good.—G. B. Henderson, editor Daily Advertiser. For sale by Williams & Brosius.
