## BRIEF LOCAL MATTERS.

Kansas whole or cracked corn at the Racket Store. New goods at Mrs. Howells' millinery store. M. H. Nickelsen has strawberry paper for sale. Home-made bread always on hand at Mrs. Howells' millinery store. Save the wrappers of Hoe Cake soap; they are worth 1c each. W. & B. Frank Carter was killed in a runaway at Goldendale last Monday. Did you notice how pure and white Soap Foam washing powder looks? Wm. Yates, P. M., is authorized agent for all newspapers and periodicals. Never mind the high water—go to Dallas and get 2-penny wire nails and nail your berry crates. We presume you use soap, and if so the best is cheapest. Hoe Cake is strictly pure, with no free alkali. A washing powder that is yellow will make clothes the same color. Avoid this by using Soap Foam. Wolfard & Bone. Lye-packed in sifting top can is pure granulated potash. All others contain a large portion of salt. Ask for Red Seal. Sick headache can be quickly and completely overcome by using those famous little pills known as "DeWitt's Little Early Risers." Williams & Brosius. Don't let the cat lick the dishes, but make nice soft soap with Soap Foam. Directions on the package. W. & B. A company of traveling acrobats got stranded in Hood River last Sunday. They posted bills intending to give a free performance and then pass the hat, but the city marshal stopped the show. Not only piles of the very worst kind can be cured by DeWitt's Witch Hazel Salve, but eczema scalds, burns, bruises, boils, ulcers and all other skin troubles can be instantly relieved by the same remedy. Williams & Brosius. Tillet gives away with every bill of trees sold a sample of the coffee berry. Be sure and get a sample and grow your own coffee. Don't neglect a cough because the weather is pleasant; before the next storm rolls around it may develop into a serious difficulty beyond repair. One Minute Cough Cure is easy to take and will do what its name implies. Williams & Brosius. Dr. Jones is doing dental work at hard times prices. All work fully guaranteed. "They are dandies," said Thos. Bowers of the Crocket, Texas. Enterprise, while writing about DeWitt's Little Early Risers, the famous little pills for sick headache and disorders of the stomach and liver. Williams & Brosius. A daughter of Judge Kent arrived here from South Bend, Wash., last week and will make her home with her father in Hood River. Don't thin your blood with sassafras or poison it with blue-mass; but aid nature by using DeWitt's Little Early Risers, the famous little pills for constipation, biliousness and stomach and liver troubles. They are purely vegetable. Williams & Brosius. C. H. Stranahan returned last Friday from Sherman county, where he has been engaged in building a school house on the John Day river. TERRIBLE ACCIDENT.—It is a terrible accident to be burned or scalded; but the pain and agony and the frightful disfigurements can be quickly overcome without leaving a scar by using DeWitt's Witch Hazel Salve. Williams & Brosius. Very few parents realize the importance of caring for their children's teeth. Dr. M. A. Jones gives special attention to the proper arrangement and development of children's teeth. W. B. Johnson, Newark, O., says, "One Minute Cough Cure saved my only child from dying by croup." It has saved thousands of others suffering from croup, pneumonia, bronchitis and other serious throat and lung troubles. Williams & Brosius. Write to Davenport Bros.' Lumber Co. for delivered prices on all kinds of lumber, rough or dressed. They have a large and good assortment of finishing lumber on hand, good and dry. Call and get our cash prices before purchasing elsewhere. Some for ten, some for twenty, some for thirty years have suffered from piles and have been quickly and permanently cured by using DeWitt's Witch Hazel Salve, the great remedy for piles and all forms of skin diseases. Williams & Brosius. On account of several stores opening up in my line of goods, I find that I shall have to branch out into some other line to make up any losses I might have by competition. Therefore I am glad to announce to the public that I will take orders for boots and shoes made to measurement, the cost of which will be no more than the ready-made shoe you buy here in the stores. Come and have your measurement taken and have a pair of shoes fit you. E. V. HUSBANDS.

At the meeting of stockholders of the Improvement Co., last Saturday, a resolution authorizing the directors to bond the ditch for \$6,000 was unanimously adopted by a vote of those present. Four hundred and eighty-three shares were voted out of a total of 710. This \$6,000 will enable the company to pay its debts and make all necessary preparations to supply water to customers. The ditch will be completed in two or three weeks. It will be owned by the people of the valley and will be worth \$40,000 the day the work is completed.

Mr. Charles Brown was married Sunday at the residence of the bride's father, to Miss Nellie Underwood, daughter of Ed Underwood, Justice Fisher performing the ceremony. The bride is one of the prettiest and brightest girls in Skamania county and the groom is a thrifty and energetic young man. The young couple passed up on the train last night to Castle Rock, and will make their home in Washington opposite that point.—Dalles Chronicle.

May 15th, the last day of school, exercises in the afternoon were especially devoted to our country and flag drill. The drill by the children was interesting and the recitations and dialogues by the pupils of Miss Stevens and Miss Graham's rooms showed thoroughness and most excellent taste on the part of the teachers. Members of the W. R. C. were in attendance and much gratified by the excellence of the drill.

Robert Buchanan's Dramatic company is giving a good show at the armory. The first entertainment was given Tuesday evening, and the company will appear four nights. The troupe is composed of ladies and gentlemen who present plays that are moral and instructive as well as amusing. Good musicians accompany the troupe.

Dr. H. K. Hines and family will remove to Hood River tomorrow, coming on the boat, and will remain during the summer. They will be accompanied by two young ladies from University Park, Miss Daisy Hopkins and Miss Lily Bisbee, who will be the guests of Miss Nannie Mercer.

C. J. Hayes, adjutant of Canby Post, has been in communication with Gen. Flagler, chief of ordinance at Washington City in regard to procuring a cannon from the government for the use of the post on celebration days. The cannon can be got from Benicia, Cal., by the members of the post and the citizens paying the freight.

Mr. and Mrs. W. G. Orendorff of Canton, Illinois, visited Mr. and Mrs. H. F. Davidson Saturday and Sunday last. Mr. Orendorff is a member of the firm of Parlin & Orendorff Co., manufacturers of the Canton Clipper plows.

Mr. E. E. Potter of Elmira, N. Y., is visiting his brother, M. B. Potter. He is a railroad conductor, in the employ of the Northern Central railroad, and came with the conductors' excursion to the Pacific coast.

There will be no preaching services at the Congregational church next Sunday. The congregation will unite in the Memorial services at the M. E. church. Sunday school will be held as usual at 10 o'clock.

Mr. H. J. Palmer of Prineville visited Rev. J. W. Rigby and family during the week. Mr. Palmer is one of the proprietors of the Crook County Journal, one of the two good papers of Prineville.

Mrs. R. S. Howells will supply ice-cream during the summer days at her millinery store, just below Blowers' store.

Mr. Nelson Williams of Kennewick, Wash., is in the valley looking for a small tract of land to purchase.

There are said to be 6,000 bicycles in use in the city of Portland, costing in the aggregate over \$1,000,000.

The O. R. & N. Co. now sell two-day round-trip tickets to Portland daily at \$2.25, good on all trains.

Mrs. Watson, of Mosier, has the rattles of 48 rattlesnakes killed by herself on her 160 acres of land.

Mrs. Pratt Whitecomb and daughter, Gertrude came up from Portland Monday on the Regulator.

**Paris Green** Is chiefly arsenite of copper. The insecticide efficiency of Paris green depends upon the amount of arsenious acid present, which is somewhat variable, ranging from 54 to 61 per cent in an analysis of five samples obtained in the market. The chemist of the Maine state college found 54, 55, 54, 55 and 40 percent of arsenious acid respectively. It is a very stable compound, does not readily suffer deterioration and may be safely kept in ordinary containers, in a cool, dry place.

**London Purple** Is chiefly arsenite of lime, a residue obtained in the manufacture of aniline dyes. It does not contain quite so much arsenic as Paris green, and by being a by product, it is not so constant in its constitution. According to an analysis by the chemist of the U. S. department of agriculture, it has 43 per cent arsenious oxide. A later analysis by the chemist of the Vermont agricultural experiment station, it has

arsenic (arsenous ox) parts..... 46.75

Paris green and London purple are both dangerous poisons and are peculiarly in the province of the pharmacist, for he is the poison retailer and usually the only one having the facilities for guaranteeing their quality. We keep only the best qualities.

**The Best Remedy for Rheumatism.** From the Fairhaven (N. Y.) Register. Mr. James Rowland of this village, states that for twenty-five years his wife has been a sufferer from rheumatism. A few nights ago she was in such pain that she was nearly crazy. She sent Mr. Rowland for the doctor, but he had read of Chamberlain's Pain Balm and instead of going for the physician he went to the store and secured a bottle of it. His wife did not approve of Mr. Rowland's purchase at first, but nevertheless applied the Balm thoroughly and in an hour's time was able to go to sleep. She now applies it whenever she feels an ache or a pain and finds that it always gives relief. He says that no medicine which she had used ever did her so much good. The 25 and 50 cent sizes for sale by Williams & Brosius.
