## Kimball's Are Here!

Pianos and Organs from the Factory Direct.—I am in Hood River with a sample line of the celebrated Kimball Pianos and Organs, which I will sell to the public at wholesale prices, plus the expense of laying them down in Hood River.

Old pianos and organs will be taken in part payment for new pianos, and easy terms given on the balance, if desired. This is an opportunity of a lifetime to get a fine piano or organ, right at home from the manufacturers direct, for less than retail dealers and agents ask you for a second or third grade instrument.

Call and see and hear these beautiful instruments and get full particulars at once, as I shall only be here a few days. Every one is cordially invited to call and see them.

L. V. MOORE, Representative Kimball Factories, Champlin building.

W. T. Hibbard is again in the livery business.

Kansas whole or cracked corn at the Racket Store.

Save the wrappers of Hoe Cake soap; they are worth 1c each. W. & B.

Did you notice how pure and white Soap Foam washing powder looks?

Wm. Yates, P. M., is authorized agent for all newspapers and periodicals.

We presume you use soap, and if so the best is cheapest. Hoe Cake is strictly pure, with no free alkali.

A band of horses, wintered in Sherman county, were returned to Hood River Monday in fine condition.

A washing powder that is yellow will make clothes the same color. Avoid this by using Soap Foam. Wolfard & Bone.

Lye packed in sifting top can is pure granulated potash. All others contain a large portion of salt. Ask for Red Seal.

Sick headache can be quickly and completely overcome by using those famous little pills known as "DeWitt's Little Early Risers." Williams & Brosius.

Don't let the cat lick the dishes, but make nice soft soap with Soap Foam. Directions on the package. W. & B.

Not only piles of the very worst kind can be cured by DeWitt's Witch Hazel Salve, but eczema, scalds, burns, bruises, boils, ulcers and all other skin troubles can be instantly relieved by the same remedy. Williams & Brosius.

Mr. and Mrs. S. L. Taylor came up from Portland, last week, and will camp for a month or so at their place. They are well pleased with their new home at Corbett, and both have improved in health.

Mr. J. M. Hanna, a cattle buyer from Nebraska, arrived here last week. He is buying cattle for the range and the Omaha market and has shipped ten carloads from Eastern Oregon. He is a brother of our townsman, James E. Hanna.

W. B. Johnson, Newark, O., says, "One Minute Cough Cure saved my only child from dying by croup." It has saved thousands of others suffering from croup, pneumonia, bronchitis and other serious throat and lung troubles. Williams & Brosius.

Write to Davenport Bros' Lumber Co. for reduced prices on all kinds of lumber, rough or dressed. They have a large and good assortment of finishing lumber on hand, good and dry. Call and get our cash prices before purchasing elsewhere.

Mr. Joseph A. Wilson sold a carload of telegraph poles on Monday that had been lying at Troutdale, awaiting a market, for the past five years.

Some for ten, some for twenty, some for thirty years have suffered from piles and have been quickly and permanently cured by using DeWitt's Witch Hazel Salve, the great remedy for piles and all forms of skin diseases. Williams & Brosius.

J. B. Hunt will have 200,000 strawberry plants ready for setting July 1, and will sell the same at \$1 per 1000 if sold before that date.

Hundreds of thousands have been induced to try Chamberlain's Cough Remedy by reading what it has done for others, and having tested its merits for themselves are today its warmest friends. For sale by Williams & Brosius.

Mr. Amos Underwood shipped a crate of strawberries to his sister in Eddyville, Iowa. The berries went through in four days and were received in fine condition. They created a good deal of favorable comment. Mr. Underwood has not seen his folks in the old home for 45 years, and he says the strawberries will be apt to bring some of them out to see the country where such strawberries are grown.

Mr. Antone Wise sent the GLACIER a box of Clark's Seedling strawberries that topped out with 28. A note accompanied the berries, in which he says: "I have read in your paper about the prolific strawberry plants, and want to tell you that I can beat them all out of sight. I have one-year-old plants that are fine. One has 256 set berries, another 245, another 222, and another 188, and there are plenty more that will beat those mentioned in the paper. Not wishing to boast, but as others have advertised, we should like them to know what can be produced on the mountain." Mr. Wise's plants beat the record for this season.

A lively runaway took place in town Tuesday. W. A. Silingerland left his team in charge of a boy at Nickelson's corner. One of the lines fell and the boy got out of the wagon to pick it up, when the team started to run. They ran up Oak street, and by the time they reached West Bros.' market they were under full headway. The horses passed the big oak tree standing in the middle of the street, with the tree between them. The pole of the wagon struck the center of the tree, the wagon stopped and the horses went on. A broken tongue was the only damage to the wagon, and the horses were overtaken and brought back uninjured.

It is evident that the Clark's Seedling is not the only variety of strawberries grown in the valley. We have of late acknowledged receipt of several sample boxes of other varieties, and now it becomes our pleasant duty to mention a nice box of Oregon Ever-bearing received from the grounds of H. C. Batcham. The berries are good size, fine flavor and color and not near so sour as the Clarks. But its great point of merit is its long fruiting season; commencing with other berries, it continues fruiting most of the season. No family should be without a few plants of this variety.

Work commenced last week in earnest on the East Side Irrigating ditch. Mr. C. R. Bone has purchased stock in this company and is a member of the board of directors, which is good assurance that the work will now be pushed to completion. Two shove scrapers have been constructed, faced with plow steel, that are doing very effective work. This ditch will irrigate all tillable land on the East Side, and when complete will cover more than three times the area of the Improvement Co.'s ditch.

Mrs. P. A. LaFrance started on the return trip to her home in Elmira, N. Y., last Monday, after a very enjoyable visit with relatives and friends in Hood River, all of whom wish her a pleasant trip, with the hope that she may come again. At Heppner Junction she was joined by Mr. M. A. Potter and Miss Edith Potter, and all will travel together to Elmira. Miss Edith will make her home with her uncle in Elmira and attend school for at least one year.

Mr. T. C. Dallas has received a letter from Jas. L. Langille, dated at McCoy Creek, May 29th. Jim and son Doug, arrived at the mines in good shape, going in by way of Toledo, where they outfit and packed their supplies on a horse. They found the water in McCoy creek lower than it was at same date last year. They did some prospecting and afterwards put in sluice boxes and will work off a piece of the bar till the water lowers. Mr. T. H. Clark will leave here about the 5th of July to join them.

The Wiley B. Allen Co. of Portland have shipped to Hood River some fine pianos and organs, and will sell them at specially low prices, and on easy terms, for a few days. The Wiley B. Allen Co. is the oldest and largest music house in the Northwest. They sell Chickering, Knabe, Hardman, Harrington, Fisher, Ludwig and other pianos, and Estey, Crown and Mason & Hamlin organs. Call at Mt. Hood hotel to see the instruments and get prices.

The price of Hood River strawberries in Butte advanced 25 cents per crate Tuesday. On that date Mr. Con received a carload of berries from the Hood River union, but having the field all to himself, was able to raise the price. The car contained 611 crates. A few days previous 300 crates of Hood River berries blocked the market and reduced prices at that point.

The board of directors of the Hood River school district held a meeting last Saturday and engaged the teachers for a term of five months, commencing September 20th. Prof. P. A. Snyder has been secured as principal, and Miss Graham and Miss Stevens will continue in the intermediate and primary departments.

A crate of berries picked and packed by J. J. Luckey was shipped by Jos. A. Wilson at midnight May 25th, and reached its destination, 133 miles east of Pittsburg, May 31st. A letter received from the recipient states that the crate arrived in excellent condition, not a bruised strawberry in the lot.

The GLACIER has been presented by Mr. F. E. Bailey with a pecan tree, started from pecan nuts he received last fall from Indian Territory. Mr. Bailey has about thirty young pecan trees growing and thinks they will live and flourish in this climate.

West Bros.' market is doing a good business these days. Besides a good supply of choice meats always on hand, they deal in fresh vegetables and fruit. The firm did considerable in shipping ripe berries to near-by markets.

At the regular meeting of Canby post, last Saturday, Mr. T. J. Cunniff was elected a delegate to attend the state encampment at Independence, in place of Mr. H. H. Bailey, resigned.

The camp at Behmont where the Oregon National Guard will gather on the 29th of June has been named Camp Jackson, in honor of Lieutenant-Colonel Jackson, U. S. A.

Van Johnson had the honor of being first to pay his subscription to the GLACIER since returns from the strawberry crop commenced coming in.

Arrivals at the Parker House—Wednesday: Mr. and Mrs. Leadbetter, Portland. Thursday: Mrs. Means and son, Miss King, Portland.

Prof. H. L. Howe did some artistic work on the blackboards and cards in Blowers' store windows.

Tillet is growing a fine lot of nursery trees for delivery next fall. He never had better success with trees than he is having this year.

Mrs. McDonald of The Dalles visited Mr. and Mrs. Pealer during the week.
