If prosperity is not at hand in East-000 bushels, Wasco and Gilliam a mil-lion each, and from across the river Klickitat will send more than another Sherman county, even at fifty cents a bushel, nearly two million dollars. With a voting population not to exceed 800, this means \$2500 for each voter in the county. It means nearly \$500 for each man, woman, child and baby.

If that isn't prosperity, what is it?

It will take 7000 cars to haul it to market and at twenty cars to the train.

ket, and at twenty cars to the train, one train a day for every working day in the year, or a train an bour for thir-teen days, and if the cars were all in a teet days, and if the ears were all in a line it would make one train fifty miles long. The wheat of Wasco, Sherman and Gilliam and Klickitat would load a train of cars reaching from Grant to Portland, and if paid for in silver dollars, it would take 75 tons of them, or in silver bullion 150 tons, or ten car loads. It would take more than than six tons of twenty dollars. than than six tons of twenty dollar pieces to represent its value. The stock and wool already shipped would add three tons more to this, making nine tons of gold to be distributed in Wasco, Sherman and Gilliam counties. The Clondyke isn't in it.
