They were in need of a good nurse, and Mr. Luckey tried to find the whereabouts of his brother Cush, who is somewhere in Eastern Oregon, but was unable to locate him. Cush is an excellent nurse. Several years ago he volunteered to nurse a family afflicted with diphtheria at White Salmon, and brought them through all right.  
Deputy Supreme Master Artisan Brannon of Portland, Oregon, will speak on Fraternal Protection at Fraternity hall, Hood River, Monday evening, Oct. 11th, at 8 o'clock. Mr. Brannon is a past grand and logical speaker, a past grand master of the A. O. U. W., says what he means and means what he says. The public cordially invited. Mr. E. H. Pickard made a trip to Portland on the train the first part of the week. While the cars were passing through the tunnel at Rooster Rock, a window fell and crushed the end of the index finger on his left hand. Mr. Pickard's right hand and arm were disabled in the war with Sitting Bull and his braves of the Sioux nation, when he was struck with an arrow, and now, with his left hand wounded, he is not very able-bodied.  
Dr. Hines was called to Portland on Wednesday to preach the funeral sermon of the late Wm. Mr. Foster, who came down from the Dalles one day last week on the boat, says every passenger who came from the wheat country presented a \$20 gold piece to pay his fare. The purser soon got up of change, and some of the gold bugs couldn't buy their tickets till they got to Portland because the purser couldn't make change.

## Kind Words.

The Church Record, published in Portland by Geo. H. Hines, begins its report of the meeting of the Congregational association held here last week with these kind words:  
Nowhere in this state is there a more delightful region than Hood River valley. The large majority of the people who live there are as kind, hospitable and genial in every way as their surroundings are entrancingly sublime and beautiful. With such environments, how could it be otherwise? That the above is true, every one who attended the 49th annual state association last Tuesday, Wednesday and Thursday, in Riverside church, Hood River, will cheerfully testify. Pastor Hershner and his flock, with the citizens of the place and vicinity cheerfully co-operating, were very successful in providing for the comfort of all in attendance.

## Business Change.

The firm of A. S. Blowers & Son sold out during the week to G. D. Woodworth, lately from Sherman county, and Jas. E. Hanna of Hood River. Mr. Woodworth also purchased the residence property of L. N. Blowers, junior member of the firm, and the latter will leave us and go to Eastern Oregon, where he expects to re-engage in merchandising. Mr. L. N. Blowers has been in business in Hood River and White Salmon for the past eight or ten years and has won a reputation for business capacity and fair dealing that will serve him well in the future. Two years ago he was elected mayor of Hood River and has filled the office with dignity and ability. His neighbors and old patrons will be glad to learn of his success wherever he may locate.

## Indian Curios.

Mrs. Mary Hanson (nee Underwood) has on exhibition at the fair an interesting collection of Indian curios that have been possessed by her family for generations. Mrs. Hanson is a descendant of the famous chief Chenoweth. In the collection are the following: A pipe that was smoked at Indian councils before the white man was known in these regions; a powder horn beautifully carved, that was a present from the officers of the Hudson Bay company; a string of beads valued at hundreds of dollars by the Indians, worth more than diamonds. At one time, when horses were worth a good deal more than they are today, it took 20 of them to buy one of these beads. And many specimens of fancy needle work, performed by Indian women before the coming of the whites to this country, are shown.

Mr. D. R. Cooper brought down his exhibit for the fair Wednesday. It consists of 32 varieties of apples grown within ten miles of the glaciers of Mt. Hood, and to see his display is alone worth the price of admission.

Mr. J. H. Cradlebaugh has gone to Baker City to look after his mining interests, and will be gone three weeks.

Mr. R. H. Howell, assisted by J. P. Watson, is building a barn for C. R. Bone.

Services at the Odell school house will hereafter be held at 11 o'clock instead of at 3 o'clock, each Sunday. TROY SHELLEY, Pastor.

A few weeks ago the editor was taken with a very severe cold that caused him to be in a most miserable condition. It was undoubtedly a bad case of la grippe, and recognizing it as dangerous, he took immediate steps to bring about a speedy cure. From the advertisement of Chamberlain's Cough Remedy and the many good recommendations included therein, we concluded to make a first trial of the medicine. To say that it was satisfactory in its results is putting it very mildly, indeed. It acted like magic, and the result was a speedy and permanent cure. We have no hesitancy in recommending this excellent Cough Remedy to any one afflicted with a cough or cold in any form.—The Banner of Liberty, Libertytown, Md. The 25 and 50 cent sizes for sale by Williams and Brosius.

Those who believe chronic diarrhoea to be incurable should read what Mr. P. E. Grisham of Gaars Mills, Ia., has to say on the subject, viz: "I have been a sufferer from chronic diarrhoea ever since the war and have tried all kinds of medicines for it. At last I found a remedy that effected a cure, and that was Chamberlain's Colic, Cholera and Diarrhoea Remedy." This medicine can always be depended upon for colic, cholera morbus, dysentery and diarrhoea. It is pleasant to take and never fails to effect a cure. 25 and 50 cent sizes for sale by Williams & Brosius.
