A Companion for All Ages.
A gentleman who used to read the Youth's Companion when a boy, and reads it with the same interest now that he is a middle-aged man, was asked the other day if he had not outgrown the Companion. "I don't believe," said he, "that I can ever outgrow it. I find in it not only the cheery, hopeful spirit of youth, but the wisdom and experience of age. I like it just as much as when I was a boy, though perhaps in a different way. But I know that it is the same Youth's Companion with which I grew up, for boys, boys and girls like it as well as ever I did. It is a good paper to grow up with." The Youth's Companion will contain the best thought of the best thinkers of America and Europe during 1898. New subscribers will receive the Companion every week from the time the subscription is received until January, 1898, and then for a full year to January, 1899. Perry Mason & Company, 205 Columbus ave., Boston, Massachusetts.

Married.

In The Dalles, December 2, 1897, Mr. C. A. Bell and Miss Lucy Allison.
The bride is one of Hood River's fairest young ladies. The groom is the popular proprietor of the Mt. Hood hotel and is at present mayor of our city. The GLACIER extends congratulations.

Declines the Nomination.
With due deference for a not inconsiderable sentiment in the church, of which the undersigned is servant, he respectfully declines the majority candidacy kindly tendered him by the citizens' caucus on Nov. 22d. With grateful regards, J. L. HERSHNER.

A Chance for a Cannery.
Richard Kirbyson a couple of weeks ago at The Dalles met J. S. Arnold of Parnell City, Mo. After being informed of what we could do here in the way of raising fruit and vegetables, Mr. Arnold expressed a desire to start a cannery. He suggested that a stock company be formed with a capital of \$2,000, and for this sum he would furnish a building, the necessary machinery, and an expert to manage the business for one year. He would also furnish tomato seed free. The \$2,000 to be paid in two years. The man he would send here to manage the cannery for the first year, he claims, is one of the most competent for the business in the United States. Mr. Kirbyson offers to give the ground rent free.

How to Prevent Pneumonia.
At this time of the year a cold is very easily contracted, and if left to run its course without the aid of some reliable cough medicine is liable to result in that dread disease, pneumonia. We know of no better remedy to cure a cough or cold than Chamberlain's Cough Remedy. We have used it quite extensively and it has always given entire satisfaction.—Olagah, Ind. Ter. Chief.

This is the only remedy that is known to be a certain preventive of pneumonia. Among the many thousands who have used it for colds and la grippe, we have never yet learned of a single case having resulted in pneumonia. Persons who have weak lungs or have reason to fear an attack of pneumonia, should keep the remedy at hand. The 25 and 50 cent sizes for sale by Williams and Brosius.

Mrs. M. B. Ford, Ruddell, Ill., suffered for 8 years from dyspepsia and chronic constipation and was finally cured by using DeWitt's Little Early Risers, the famous little pills for all stomach and liver troubles. Williams & Brosius.

Miss Allie Hughes, Norfolk, Va., was frightfully burned on the face and neck. Pain was instantly relieved by DeWitt's Witch Hazel Salve, which healed the injury without leaving a scar. It is the famous pile remedy. Williams & Brosius.
Mrs. Mary Bird, Harrisburg, Pa., says: "My child is worth millions to me, yet I would have lost her by croup had I not invested 25 cents in a bottle of One Minute Cough Cure." It cures coughs, colds and all throat and lung troubles. Williams & Brosius.
It is easy to catch a cold and just as easy to get rid of it if you commence early to use One Minute Cough Cure. It cures coughs, colds, bronchitis, pneumonia and all throat and lung troubles. It is pleasant to take, safe to use and sure to cure. Williams & Brosius.

J. A. Perkins of Antiquity, O., was for 30 years needlessly tortured by physicians for the cure of eczema. He was quickly cured by using DeWitt's Witch Hazel Salve, the famous healing salve for piles and skin diseases. Williams & Brosius.

Dalles Notes.

THE DALLES, Nov. 28, 1897.—The public schools of this city are in a flourishing condition. Three years ago, when I was here, they had two large school buildings empty; now they are all full, and the building of a fine brick structure, to cost \$22,000, is well under way. I have visited some seven or more of the schools while off duty and have found the very best of work being done, and in almost every instance a marked regard and respect for the teacher.
I was about to compliment The Dalles upon its being a very law-abiding and quiet city on the Sabbath, with but few stores open and nothing to disturb the peace of the Sabbath day, but just as I was about to write this several heavy blasts were fired on the railroad, which not only made it evident that all were not observing the day as they should, but also punctuated my unstinted praise with an interrogation point.
Scarcely any traces are now left of the disastrous fire which swept through this place a few years ago. There are a few brick walls and empty cellars left yet to tell the tale, but for the most part the city has been built up as well or better than ever, and shade trees are again growing on all the streets. Every one seems encouraged and times are better than for years. The Congregational church has just paid off its debt. H. C. BATEHAM.
