The Hood River public school closed last Friday for a two weeks' vacation. Prof. Snyder, Miss Grace Graham and Miss Eliza Stevens, the teachers, will go to Portland next week and will visit the public schools of that city.
Don't spend all your money buying Xmas presents for others but save it and buy yourself something useful, useful as well as ornamental by having your teeth fixed up by Dr. E. T. Carns on his next trip, January 1st, Office at Mt. Hood hotel.
Write to Davenport Bros. Lumber Co. for delivered prices on all kinds of lumber, rough or dressed. They have a large and good assortment of finishing lumber on hand, good and dry. Call and get our cash prices before purchasing elsewhere.

Bert Graham, Will Graham and Frank Wenzel came down from Wasco to spend Christmas at home. Fred Shoemaker came home from Pendleton. Peter Jochemson, Larry Morgan, C. Eddings, Wm. Allen, Rod Allen and Mr. Kelley of the railroad crew were also here on Christmas.
Santa Claus unexpectedly appeared at the school house last Friday, just before the closing hour, and distributed bags of candy and nuts to the pupils in each room. He was received with delight by the youngsters. This was a new departure for Santa Claus, and it is suspected that the teachers gave him a hint that it would be the right place for him to visit. Hereafter every pupil will be in his place on the day before Christmas.
On Christmas eve, when Mr. and Mrs. J. L. Hershner returned home from the Christmas entertainment, they found their door barricaded with a large box, upon which was the following label: "To Rev. and Mrs. J. L. Hershner, with the compliments of the season. From your congregation." The box was removed in the house, where it was found to contain a handsome tea and dinner set, consisting of 70 pieces. Many, many thanks for such a wealth of Christmas remembrance.

Word comes from Hardscabble of a pig story that lays the item from Phelps creek about a six-month-old pig that dressed 220 pounds several degrees in the shade. Joe Purser says he has a pig that is over eight months old and weighs 6 pounds! Several years ago he owned a pig that he fed for a year and a half. He traded it to Rev. Eldridge for a day's plowing, and the preacher traded the pig home in a poke. The preacher fed it for six months and then traded it to Elshup Rogers for lumber. Rogers fed the animal six months and then butchered it and it dressed 50 pounds! It's a cold day when Hardscabble gets left on a pig story.
The entertainment given by Mr. D. Bradley, with the graphophone Monday evening, was good. This wonderful instrument gave those present a regular concert, with music from some of the best orchestras and brass bands in America.
Mr. S. E. Bartmes' voice was given so distinctly that the melody was recognized at once. We are sorry to say the audience was small; too much Christmas had busted too many of us. It is hoped Mr. Bradley will come to give another entertainment some day when times may be more propitious for drawing a full house.
The family of Mr. Milton Sunderland had a house full of their relatives and friends come to see them during Christmas. His son, C. J. Sunderland and wife; his son-in-law, Harry Beck with and wife, and his daughter, Miss Bertha, all came from Portland, and all had a merry Christmas. Mr. and Mrs. Hughes of Iowa, uncle and aunt of Mrs. Sunderland, were also coming, but Mrs. Hughes was taken sick and detained in Portland.
Alton Cuning and Bob Wright gave a dinner at their bachelor's hall in their wood camp on the Nichols place on Christmas. One of the guests informs us they had roast chicken with dressing, and all the accompaniments including pumpkin pie. All the dinner lacked was a possum to make it an old-fashioned Missouri meal. The cooking was all done in the highest style of the art.
J. H. Shoemaker informs us that of six girls who have been employed at his house during the past two years five have since got married, and the sixth is likely to be married before the new year comes in. If this item gains wide circulation, Mrs. Shoemaker will have no trouble hereafter in securing domestic help.

How to Prevent Pneumonia.
At this time of the year a cold is very easily contracted, and if left to run its course without the aid of some reliable cough medicine is liable to result in that dread disease, pneumonia. We know of no better remedy to cure a cough or cold than Chamberlain's Cough Remedy. We have used it quite extensively and it has always given entire satisfaction.—Olagah, Ind. Ter. Chief.
This is the only remedy that is known to be a certain preventive of pneumonia. Among the many thousands who have used it for colds and a gripe, we have never yet learned of a single case having resulted in pneumonia. Persons who have weak lungs or have reason to fear an attack of pneumonia, should keep the remedy at hand. The 25 and 50 cent sizes for sale by Williams and Brosius.
The Wasco News has moved into new and more commodious quarters.
Mrs. M. B. Ford, Raddell's, Ill., suffered for 8 years from dyspepsia and chronic constipation and was finally cured by using DeWitt's Little Early Risers, the famous little pills for all stomach and liver troubles. Williams & Brosius.
An oratorical candidate for a Melbourn constituency, in a fine burst of eloquence, asked the question "What is it that has made England what she is—might, reverence, feared and respected?" "Oireland," was the prompt and unexpected reply, in a racy brogue from the rear of the ball.
Miss Alice Hughes, Norfolk, Va., was painfully burned on the face and neck. Pain was instantly relieved by DeWitt's Witch Hazel Salve, which healed the injury without leaving a scar. It is the famous pile remedy. Williams & Brosius.
Mrs. Mary Bird, Harrisburg, Pa., says: "My child is worth millions to me, yet I would have lost her to my trouble, yet I not inhaled 25 cents in a bottle of One Minute Cough Cure." It cures coughs, colds and all throat and lung troubles. Williams & Brosius.
J. A. Perkins of Antiquity, O., was for 30 years needlessly tortured by physicians for the cure of eczema. He was quickly cured by using DeWitt's Witch Hazel Salve, the famous healing salve for piles and skin diseases. Williams & Brosius.
Don't be persuaded into buying liniments without reputation of merit—Chamberlain's Pain Balm costs no more, and its merits have been proven by a test of many years. Such letters as the following from L. G. Bagley, Hueneue, Cal., are constantly being received: "The best remedy for pain I have ever used is Chamberlain's Pain Balm, and I say so after having used it in my family for several years." It cures rheumatism, lame back, sprains and swellings. For sale by Williams & Brosius.
Pointed Paragraphs.
The quiet hog gets the most sleep. Never look a toy pistol in the muzzle. It's the custom of advertising that brings Indian football players probably travel on scalpers' tickets. It's enough to make the pot boil when the kettle calls it. The man with the most black sand is the one who gets the girl with the rocks. Talk is cheap—especially when you make use of your neighbor's telephone. There is room for every body in this big world, but we can't all have front rooms. The man who makes the best of every thing is always sure of a market for his products. It's the man who has the will power to stop drinking when he sees fit that never sees fit. No man was ever blamed for being a gentleman, but many have been falsely accused of it. When a man turns over a new leaf he is never satisfied until he gets it blotted up worse than the old one. When a woman's friends refer to her as being of uncertain age it means that she is getting pretty well along in years.

Work is being pushed on the new road.
Mr. James Eggert went to Salem for the holidays.
Mr. Sawyer expects to leave for California this week.

Mr. Wm. Jackson, the supervisor, has had prepared some substantially built and well painted sign boards, and has placed them at all the cross roads in his district. They are by far the finest in the valley, and other supervisors would do well to follow his example.
Santa Claus stopped at the Pine Grove school house Friday evening and found there a beautiful Christmas tree well lighted and loaded with presents both useful and ornamental. Bags of candy and nuts were distributed to those present and a general good time was indulged in. Mr. James Fisk made some very appropriate opening remarks, afterward children of the school entertained the audience for an hour with recitations, readings and songs. The children showed the excellent training they had received from their teacher, Mrs. Bushnell, in the orderly and systematic manner in which they marched to and from the stage, and in their chorus singing, the largest as one voice; all, from the largest to the smallest taking part, and after being started carrying the song through alone in good time and harmony.

Notice to Homesteaders.
Oregon City Enterprise.
The local land office has been sending out circulars to all homesteaders in this land district whose five years time has elapsed, calling their attention to such fact. Five years residence must be proven in each case, but seven years is the limit from the time of filing within which proof must be made, except in cases where the filing was made prior to 1894. In 1894 congress passed an act giving homestead claimants who had filed prior to the passing of the act an additional year, but this act does not apply to filings made after that time. So that all those persons who filed prior to 1894 have eight years within which to make proof.
