F. H. Wats, general agent for the Monumental Bronze Co., Dufur, Or., will make periodical visits to Hood River. See his work in the cemeteries and then see him for terms.  
Mr. H. Pugh and wife returned last week from Arlington. Rev. Geo. W. Barnhart was taken to the hospital. The doctors seem to think his trouble is paralysis of the brain, caused by over study.  
The young friends of Miss Nellie Clark assembled at her father's house last Friday evening and gave her a surprise party. A very enjoyable evening was spent. Those present were: Mr. and Mrs. T. H. Clark, Miss Nellie Clark, Bertha Sutherland, Iva Sutherland, Clara Irwin, Nellie Irwin, Carrie Shute, Lillie Shute, Grace Howell, Bell Howell, Emily Palmer, Amy Angell, Ethel Rigby, Chester Shute, Henry Shute, Earl Clark.  
During the last few days Mr. H. C. Bateham has been doing some canvassing in town taking orders for shade trees, ornamental shrubs, roses, bulbs, etc., of which he has a large stock mostly of his own growing. The results of his efforts will be readily seen the coming season, especially in the lower part of town, where, if anywhere in our beautiful town, there is good opportunity of improving the appearance and attractiveness of door yards and grounds.  
In a recent letter from Washington, D. C., to an old friend, Major G. A. Studer, for twenty years United States Consul at Singapore, says: "While at Des Moines I became acquainted with a Liniment known as Chamberlain's Pain Balm, which I found excellent against rheumatism as well as against soreness of the throat and chest (giving me much easier breathing). I had a touch of pneumonia early in the week and two applications freely applied to the throat and chest relieved me of it at once. I would not be without it for anything." For sale by Williams & Brosius.

Have you seen Tillett's sample book? If not, you want to call on him, right away, and you will see all varieties of fruit pictured in the handsomest style. The apples show up beautifully and there is not a warty one to be seen. The Yakima apple, pride of Hood River, and the Lambert cherry are pictured in all their loveliness. He is taking a great many orders to supply trees of these valuable varieties. No fruit grower should neglect to plant the Yakima apple and the Lambert cherry.  
Master Ellsworth Hanna, in getting off the big wagon driven by Capt. Ferguson, Wednesday, came near being crippled for life. He slipped and fell under the wagon, and when the wagon was stopped one of the wheels rested on his foot. The soft mud in the street near the platform of Woodworth & Hanna's store was all that saved the boy from getting his foot crushed. The wagon was loaded with 40 sacks of oats.  
Mr. Charles Chandler believes in deep plowing for potatoes. He plows in February, if the weather is favorable, and follows the turning plow with a shovel plow, going as deep as possible. He then spreads manure, and when the time comes for planting, plows again and drops the potatoes in every third row. Last year he planted two sacks of the Livingston Banner potato, introduced here by G. J. Gessling, and harvested 151 sacks of very large and fine potatoes.  
Canby post held an interesting meeting last Saturday, with quite a full attendance. Comrades Blount, Higby and Stranahan were appointed a committee to confer with a committee from the Relief Corps to arrange a program for Lincoln day. Comrade Calkins engaged the attention of the post in a short but patriotic address.  
Last week Mr. H. C. Bateham shipped 2,000 plum stocks from his nursery to Idaho and will soon ship about 600 peach trees to parties at The Dalles. We are glad to see that the trade of our home nurserymen is extending beyond the limits of our own locality and bringing in money from the outside.  
Joe Purser felt slighted when he read last week of the several candidates for office because his name was not mentioned. He wants it to be known that he is a standing candidate for constable and nominates his friend B. F. Shoemaker for justice of the peace to run with him on the ticket of latter day saints.  
The tract of land owned by Mr. O. W. Butts of Omaha, formerly known as the Elliot tract, is being rapidly cleared and 20 acres of it will be planted to strawberries this coming spring. Mr. T. R. Coon has purchased 11 acres of this tract and will plant five acres to strawberries this spring.

**Mt. Hood News.**  
There was a light fall of snow here Wednesday morning.  
Mr. O. Fredenberg went to The Dalles to attend the meeting of the populist central committee Thursday.  
Cynthia Dimmick, Matt Fredenberg and Warren Cooper are down with the chicken pox. The disease was contracted at a dance two weeks ago in Dukes valley.  
Our school district voted a 10 mill tax to build a new school house. The building will be 20 by 85 feet in size, with 12 foot walls. It will be furnished with the latest patent desks. Mr. D. R. Cooper has donated one acre of ground for the site.  
**Pioneer Times in Oregon.**  
Dave Templeton of Prineville got into a reminiscent mood and told the following incidents of early pioneer life in Oregon to the Journal editor:  
I crossed the plains in 1847 with the company of immigrants of which T. J. Carter was captain. We settled in what is now Linn county, my father purchasing the 640 acre donation claim of a bachelor named Potter for a mare, an old gun, two or three pair of socks and a little ammunition. This was two years before the county of Linn was organized. During these two years we paid no taxes, had no lawyers and, of course, no county officers of any kind. As at first organized the county was divided in two precincts, one called Keys and the other Kirks. The first election was held in the fall of 1849. I acted as one of the clerks at Kirks, though only 18. At Keys they forgot all about the election till the day had passed. On the first assessment of the county the sheriff collected taxes to the amount of \$1,000, and the county court sat in almost perpetual session till they had used up the whole amount in salaries and then adjourned. Court was held in fair weather under a maple tree that was still standing when I attended the pioneers' meeting at Brownsville last year. In rainy weather it adjourned to Kirk's smoke house. All that I ever knew it to do for that \$1,000 was to adjudge a man named Jack Coon to be insane. As we had no asylum Jack was given to the sheriff, who set him to making rails till he got well enough to entitle him to release.  
Word received from Arlington states that Rev. G. W. Barnhart is not any better.  
Mr. Geo. E. Pinneo, brother-in-law of G. D. Woodworth, and Zed T. Harlow, both of Halifax, Nova Scotia, arrived in Hood River yesterday.  
Jacob Fritz, a resident of The Dalles since 1862, died in that city February 5th.  
Children and adults tortured by burns, scalds, injuries, eczema or skin diseases may secure instant relief by using DeWitt's Witch Hazel Salve. It is the great Pile Remedy. Williams & Brosius.  
Martin Quinn, late populist candidate for congress in this district, defends department stores.  
Don't annoy others by your coughing, and risk your life by neglecting a cold. One Minute Cough Cure cures coughs, colds, croup, gripe and all throat and lung troubles. Williams & Brosius.  
The county commissioners of Klickitat county, Wash., have let the contract to build a wagon road from Goldendale to Lyle. A man named Mason, of Hood River, got the contract and will employ Japs in the construction of the road, which is to be completed by July 1st.  
After years of untold suffering from piles, B. V. Pursell of Knithersville, Pa., was cured by using a single box of DeWitt's Witch Hazel Salve. Skin diseases such as eczema, rash, pimples and obstinate sores are readily cured by this famous remedy. Williams & Brosius.  
Whooping cough is the most distressing malady; but its duration can be cut short by the use of One Minute Cough Cure, which is also the best known remedy for croup and all lung and bronchial troubles. Williams & Brosius.  
What pleasure is there in life with a headache, constipation and biliousness? Thousands experience them who could become perfectly healthy by using DeWitt's Little Early Risers, the famous little pills. Williams & Brosius.  
There are three little things which do more work than any other three little things created—they are the ant, the bee and DeWitt's Little Early Risers, the last being the famous little pills for stomach and liver troubles. Williams & Brosius.

**Stopping the Country Papers.**  
Dickinson County, S. D., Herald.  
The daily press should not be too hasty to ridicule the Davenport woman who ordered her paper discontinued because it had published an article derogatory to the woman suffragists. Great big, full grown men with patches of shaggy whiskers on their faces and bristles on their backs have been known to order their papers discontinued for less reasons than the Davenport lady had, and we'll wager a dollar to a doughnut that she paid up all arrears when she ordered her paper stopped, which is more than half of the big, burly clowns who attempt to pass for men think of doing when becoming stiff at some imaginary wrong and "stop their paper."  
**The Dog's Sad Mistake.**  
She stuttered, but she was awfully s-s-sweet, just the same. She went with him as far as the front door when he left, and said: "George, are you coming around next s-s-s-s-s-s-s-s-s-s?" It was unfortunate that the dog happened to be lying on the steps and heard her remark, for he chased George five blocks before it occurred to him that possibly his mistress was going to say "Sunday" instead of "sieu'm."  
**Had Been There, Herself.**  
A teacher in a public school not many miles from Milton, Oregon, having instructed a pupil to purchase a grammar, received a note thus worded from the child's mother: "I do not desire for Lulu shall engage in grammar as I prefer her engage in youthful studies and can learn her how to speak and read properly myself. I have went through two grammars myself, and can't say as they did me no good. I prefer her engage in german and drawing and vocal music on the piano."  
**The Only Wart Remedy.**  
A miserable impostor, says an Eastern exchange, is working his game on some of the neighboring cities, selling a salve which he guarantees to cure warts. All sensible people know that the only way to remove a wart is to rub it with a raw potato, which is afterwards to be buried by a cross-eyed negro in the northeast corner of a graveyard at midnight in the dark of the moon. As the potato decays the wart will disappear. This wart salve put up in tin boxes is a snare and a delusion.  
**Chamberlain's Cough Remedy Always Proves Effectual.**  
There are no better medicines on the market than Chamberlain's. We have used the Cough Remedy when all others failed, and in every instance it proved effectual. Almost daily we hear the virtues of Chamberlain's remedies extolled by those who have used them. This is not an empty puff, paid for, at so much a line, but is voluntarily given in good faith, in the hope that suffering humanity may try these remedies and, like the writer, be benefited.—From the Glenview (W. Va.) Pathfinder. For sale by Williams & Brosius.  
**Educate Your Bowels with Cascarets.**  
Candy Cathartic, cure constipation forever. 10c, 25c. If C. C. O. fail, druggists refund money.  
We are anxious to do a little good in this world and can think of no pleasanter or better way to do it than by recommending One Minute Cough Cure as a preventive of pneumonia, consumption and other serious lung troubles that follow neglected colds. Williams & Brosius.  
**To Cure a Cold in One Day.**
