Thos. Calkins, Walter Isenberg, Frank Davenport and Mell Foley spoke in the affirmative and Emery Davenport, Harry Halverson, Roy Ellis and Wal-ter Hull in the negative. Halverson held the floor three-quarters of an hour.

Sunday morning Dr. Hines delivered an address on the life and work of Miss Frances E. Willard, who died in New York on Friday morning last. A large congregation attended, and at times were much moved under the discourse. In the evening he delivered a discourse to the Knights of Pythias, Hood River lodge of which attended in a body. The church was filled with a very in-telligent and appreciative audience.

We learn that the date of the state encampment of the G. A. R., to be beld this year at The Dalles, has been changed from the 21st and 22d of April to the 20th and 21st of May. This date does not suit Hood River, for the rea-son that we will then be in the midst of our strawberry harvest, if the season is as early as it now promises to be. It was the intention of Canby post to at-tend the encampment in a body, but this can not now be done.

The big cannon that was given to Canby post, G. A. R., by the govern-ment, was hauled to Haynes' black-smith shop during the week by Fred Howe, where it was mounted on wheels by Oscar Stranaban. The big gun now commands the river front, and no hos-tile fleet can expect to pass Hood River. A very pleasant surprise farewell party was given Miss Ivey Sunderland at the residence of Mrs. Mercer, last Friday evening, by the members and friends of the Epworth League of the M. E. church. The rooms were crowd-ed by the young people, with several older ones, and all parted with the young lady with great regret.

A motion to hold the institute in A. O. U. W. hall was unanimously adopt-ed; also, that the ladies be invited to prepare a lunch at the hall on both days of the institute.

#### The Importance of the Institute.

HOOD RIVER, Feb. 21, 1898 .- Editor GLACIER: May I call the attention of

our people to the importance of the inwhen The Dalles people were leaving the boat for the dance hall, the wife of Capt. Waud of the Regulator fell from a wagon and one of the wheels passed that occasion, and the subjects to be over her shoulder. The injured woman was taken back to the boat, where she was made as comfortable as possible until the boat returned to The Dalles. Rev Geo. W. Barnhart, who died at Admicton February 4th was a men. Arlington, February 14th, was a mem-ber of the order of Woodmen of the tributary to his transportation line ment of the resources of the territory These meetings will exceed in importance any heretofore held in this valley for the consideration of questions aris-ing from the cultivation of the soil. I sincerely trust that the attendance and interest shown at the sessions of the institute will be such as will reflect credit upon the community of Hood River valley.

At a meeting of citizens on the 19th inst. it was deemed advisable that lunch should be served at A. O. U. W. hall at noon on both days of the insti-tute, and the ladies of our town are requested to meet at that place on Satur-day afternoon, the 26th inst., at 2 p.m.,

to arrange for providing for the same. E. L. SMITH, Chairman Com. on Entertainment.
