LATEST WAR BULLETINS.

Portland, May 12.—The Spanish fleet, which was reported to have returned to Cadiz, is now said not to be at that place.

No word yet from Sampson. Four American vessels opened fire on Cienfuegos. A hot fight lasted eight hours. The Americans made two attempts to land, but were forced to retreat.

The first Oregon troops left Portland last evening for San Francisco.

The East Oregonian, the leading democratic paper of the state, breathes the true spirit of patriotism when it says: "In this country at this time there is room for only one party—the people. There is only one cause—the country's. There is only one leader—the president. There is only one flag—the Star Spangled Banner—long may it wave."

Bear Admiral George Dewey, the hero of Manila, is a republican in politics and a Roman Catholic in religion.

Hood River has been honored by the nomination of two men for the office of county commissioner, one of each political party. Both are good nominations and it will be hard for some of us to decide which one to vote for when we go to the polls. Mr. Evans, being secretary of the Hood River fruit union, will have his hands full with the business of his office until after election, and in consequence can not make a canvass of the county. Both Capt. Jackson and N. C. Evans are well to do farmers, and knowing how to manage their own business the people can rest assured the county will be well served which ever is elected to this important office.

The editor of the Vancouver Columbian contributes one son to the war—Louis J. Brant, who went out with his company in the national guard.

Pride in Our Navy.

HOOD RIVER, May 6, 1898.—Editor GLACIER: In the late naval battle at Manila our navy has shown to the world that it has not lost any of its patriotism since Paul Jones immortalized himself in the Revolutionary war. It was through his ability and pluck that we gained our independence. We have learned in our present war with Spain to follow Washington's advice and "in time of peace prepare for war." Let us profit by it and hereafter keep a navy that will command the respect of other nations. It is hoped our government will equip our commanders in the Asiatic seas with a fleet to which we can point with pride, for they have shown themselves worthy. Commodore Dewey should be applauded by all Americans, as all naval experts admit it is one of the most brilliant achievements of the age. E. D. CALKINS.

Crops in Oregon.

There is no record in Oregon of a failure of crops. From all parts of the state come reports of bright promises for the grain, hay, fruit, hop and vegetable crops. Some sections—Douglas, Josephine and Jackson counties west of the Cascades, and all the counties to the east of them, especially the stock counties—report that the continuation of the dry weather for a much longer period will be detrimental to crops. The barometric conditions peculiar to the winter season continue to prevail, and it is almost absolutely certain that rain will fall, that it will be copious and general before the summer or dry season really sets in. Past records show that when March and April have been dry, or comparatively so, May and June have had generous showers, and such may reasonably be expected this year, so that for several weeks more, there need be no fear of a drought or injury to crops.—Weather Bureau Bulletin.

White Wash.

White wash of the following ingredients has been found by experience to do on wood, brick and stone nearly as well as oil paint, and is much cheaper. Slack half a bushel of unsacked lime, with boiling water, keeping it covered during the process. Strain it and add a peck of salt dissolved in warm water; 3 pounds of ground rice put into boiling water and boiled to a thin paste; half a pound of Spanish whiting and a pound of clear glue, dissolved in warm water; mix these well together, and let the mixture stand for several days. Keep the wash thus prepared in a kettle or portable furnace, and when used, put it on as hot as possible, with painters' or whitewash brush.

Mr. G. D. Woodworth has rented the Cradlebaugh residence and Mrs. Cradlebaugh is storing her household goods in Woodworth's warehouse.

All loyal women are invited to call at the old army hall tomorrow, Saturday, at 2 p. m. to join the emergency corps. Fees 10 cents.

Mr. Frank Chandler has written from Montana to the Masonic lodge of Hood River stating that Douglas Payton was fatally sick with quick consumption and needed assistance. The lodge will send him help.

Dr. Jones will visit Hood River Wednesday, May 18th and remain 4 days. Those who wish to see him must call early, as he has appointments for most of the time. If you are contemplating having teeth put in it will be well to see Dr. Jones on this trip. Watch the GLACIER for special offer and inducement in the near future.

Another Hood River boy, M. W. Robertson, has joined the army and is on his way to California with Co. B, Oregon volunteers.

The examination of pupils for promotion and for diplomas in the Hood River public school closed last Friday and the result is very gratifying to the teachers and the patrons of the school generally. Married.

At the residence of the bride's grandmother, Mrs. A. P. Morse, in Hood River valley, May 11, 1898, Mr. Charles H. Castner and Miss Theresa D. Morse; Rev. J. L. Hershner officiating.

The bride is the only daughter of Mr. and Mrs. Lewis E. Morse of White Salmon, Wash. The groom is a son of Mr. G. R. Castner of Hood River. The ceremony was witnessed by about 50 invited guests. The rooms were tastefully decorated with flowers. A bridal canopy had been erected, beautifully trimmed with evergreens, white lilies, snow balls and rose buds, with a horse shoe suspended, covered with white pansies. The back ground was made up with ferns, snow balls and white lilies. The bride and groom took a position under the canopy while the ceremony was pronounced. The bride was tastefully attired in white and carried a bride's rose. Mr. Castner wore a suit of black. After receiving congratulations of the company, excellent refreshments, with ice cream and cake, were served. The number of presents given to the couple if described, would occupy a column in the GLACIER. The gifts were all appropriate and many elegant. Mr. and Mrs. Castner are at home and will be pleased to entertain their friends.

25 Curo Constipation Forever. Take Cascarats Candy Cathartic, 10c or 25c. If C. C. C. fail to cure, druggists refund money.
