BRIEF LOCAL MATTERS.

Tennis shoes at the Racket Store. Ladies' shirt waists at the Racket Store. A full line of hats and caps at the Racket Store. Mr. R. B. Allard is shipping clerk at the box factory. Mr. Pratt Whitcomb of Portland came up Monday. Wakelee's squirrel poison, 25c a can, at Williams & Brosius'. Bradley, photographer; gallery open Thursdays, Fridays and Saturdays. Wm. Yates, P. M., is authorized agent for all newspapers and periodicals. F. E. Denzer of Stevenson has opened a restaurant opposite the GLACIER office. Rev. Rossman, who is now located at Tygh Valley, was in town during the week. Melville Foley went to Celilo on Tuesday to secure Indians to pick strawberries. Bromide of Quinine Compound, cures colds while you sleep. 10 and 25 cents at Williams & Brosius, pharmacists. A Williamskin glove was left at Dallas' store on Tuesday by some one who has probably discovered his loss by this time. Mr. A. B. Jones arrived here Monday from Grand Forks, B. C., and will remain for a week or two to look after his berry crop. The steamer of the Regulator company now land near the depot, where they made the first landing for this year on Monday. Clyde T. Bonney's market received three fat beavers during the week from Judge Davenport of Mosier, one of which dressed 685 pounds. Among those reported sick with measles during the week were Mrs. J. B. Hunt, Mrs. Allen and daughter Nettie, Maud and James Parker. Mr. W. H. Arbuckle, candidate for county treasurer on the union ticket, visited Hood River last Saturday. Mr. Arbuckle is a merchant in The Dalles. Among those who went to the encampment at The Dalles were T. J. Cunniff and wife, H. H. Bailey and wife, Frank Noble, J. B. Rand, Mrs. Harry Bailey. Mr. Albert Hansberry arrived here last Saturday from Custer county, Nebraska, to visit his brother, W. T. Hansberry. The two brothers had not met for 19 years. F. H. Watts, general agent for the Monumental Bronze Co., Dufur, Or., will make periodical visits to Hood River. See his work in the cemeteries and then see him for terms. Times are improving. Credit, if not money, is getting easier. J. W. Emmel, the other day, ventured to go security for A. W. King, the apple King, for the payment of 10 cents for time. The Spring Water Co. has finished laying the new mains, which will double the water supply of the town. The new reservoir has a capacity six times greater than the old one, giving that much more pressure on the mains. New Millinery.—We have added to our dry goods department a full line of ladies' trimmed hats, saffors, walking hats and sun shades. We have secured the services of Miss Alice Graham as trimmer, which will warrant our work with neatness and dispatch. R. RAND & SON. Hon. S. B. Howard of Portland delivered the first political speech of the campaign in Hood River Monday evening. He is a silver republican and said to be a very pleasant speaker, but his audience was small. Hood River people will not enthuse over politics this campaign; too busy with our strawberry harvest. Many old soldiers now feel the effects of the hard service they endured during the war. Mr. Geo. S. Anderson of Roseville, York county, Pa., who saw the hardest kind of service at the front, is now frequently troubled with rheumatism. "I had a severe attack lately," he says, "and procured a bottle of Chamberlain's Palm Balm. It did so much good that I would like to know what you would charge me for one dozen bottles." Mr. Anderson wanted it both for his own use and to supply it to his friends and neighbors, as every family should have a bottle of it in their home, not only for rheumatism, but lame backs, sprains, swellings, cuts, bruises and burns, for which it is unequalled. For sale by Williams & Brosius.

Mr. G. D. Woodworth has leased the Davenport mills. Besides furnishing all kinds of lumber, he will make a specialty of manufacturing railroad ties. Mr. Woodworth conducts one of the largest general merchandise stores in town, manages a fruit ranch in the valley that is a model in every respect, owns and manages one of the largest grain ranches in Sherman county, and now has reached out for more business to conquer and has leased a saw mill and frame that under his management will be one of the most profitable businesses in the county. Nothing succeeds like success. Hood River has been badly served all round in regard to the G. A. R. encampment at The Dalles. In the first place the date of the encampment was fixed for a time when everybody in Hood River is supposed to be too busy to leave home. And Tuesday evening, when all who could go were ready to board the Regulator, the boat passed the town and made a landing three-quarters of a mile above, at the low-water landing. Some of those who got left took the night train, while others gave up the trip and went home. Six Hood River volunteers passed the examining board of regular army surgeons and are on their way to the Philippines with the Oregon regiment. Their names are Dr. F. C. Brosius, Multie Dukes, David M. Gibbons, Howard Isenberg, Clarence C. English and Marcus W. Robertson. May each and every one of them win glory in the service and come back with commissions, is the wish of this community. Mr. John L. Henderson, who enlisted to go to Cuba and fight the Spaniards, came home Saturday before being examined and mustered into the service. Mrs. Henderson expected to go as hospital nurse, but it was found that her health would not permit of her going, and Mr. Henderson, who had purchased a complete outfit for a soldier in a tropical climate, reluctantly changed his plans and came home. Strawberry pickers are not numerous as yet. The Japs will not be here this season, as they have found work elsewhere. Many of the Yakima Indians who in former years came to pick berries have gone salmon fishing, but it is expected the Warm Springs Indians will be here in force by the time pickers are most needed. Mrs. R. E. Wands will be pleased to meet the citizens of Hood River and surrounding country on Saturday, May 21st, at Woodward's corner, at 3 p. m., to give a talk on canning fruits, vegetables and meat by steam. Will have on exhibition the Acme steam fruit and vegetable canner. Ladies are especially invited to be present. May 11th, W. A. Slingerland received account of sales and check for \$72 for 36 boxes apples shipped to J. M. Hixson & Co., Seattle. The apples were Yellow Newtowns and Winesaps, and the Winesaps sold as well as the Newtowns, from \$2.25 to \$2.75 a box. The promotion exercises of the public school, held at the M. E. church last Saturday evening, were attended by a full house, and the pupils taking part in the programme acquitted themselves well. Mr. M. V. Rand is badly crippled. He was kicked on the hip by a cayuse about two weeks ago, and since then his leg, from the hip down, has turned black in spots and at times is quite painful. The war news received by telephone and bulletined at Copley's store, though not always satisfactory because too meagre, is the best we can get and is cheap enough at 50 cents a day. Mr. A. W. King fired his shot gun at the retreating form of a man who was found prowling around his premises one night last week. He was probably after more canned fruit. Smith's box factory is selling strawberry crates to the Hood River Fruit Growers' Union this year at 15 cents a crate, and the union is supplying them to growers at the same price. Doug Langille is clerking in Williams & Brosius' drug store. He is fast getting on to his job, and the man who called on Wednesday for benzine in bulk hasn't benzine since. Hon. A. R. Byrckett of White Salmon is said to have the finest patch of strawberries in this section. He has one acre that good judges say will average a pound to the plant. High winds in Hood River during the first part of the week blew clouds of dust in the streets and made it very uncomfortable for people who had to be on the streets. A report was circulated last week that Doug Payton, who is sick in Montana, had died, but the report proved to be unfounded and at last accounts he was improving. The weather for the past week has been cool and very favorable for the berry crop. Berries are ripening slowly but are good size and of excellent quality. Mr. and Mrs. Lyman Smith came up from Astoria Sunday. Mr. Smith returned Tuesday, but Mrs. Smith returned for awhile at Hood River. Mr. Jerome Wells has had quite a serious time with the grip and came to town Saturday for the first time in three weeks. Mr. Knapp, from South Bend, Wash., has rented the Crockett house and moved into it with his family on Tuesday. Rev. H. W. Young, pastor of a Congregational church in Portland, is spending a few days in Hood River. Mrs. J. D. McCully of Joseph, Or., is in Hood River for a short visit with her friends, Dr. and Mrs. Shaw. Mr. A. M. Kelsay, candidate for county clerk on the republican ticket, was in Hood River Saturday. Mr. and Mrs. Henry Hibbard went to Roseburg, Monday, to attend the grand lodge of I. O. O. F. Mr. George Rordan has had a very serious time with pneumonia and is still confined to his bed. Mr. E. J. Middleswart went to Montana, last week, to look after his business interests there. Smith's box factory shipped a carload of fruit box material to Milton on Monday. Dr. Bonham of The Dalles was in town Saturday, attending to dental work. There were four accessions to the Valley Christian church last Sunday. The Regulator has resumed her trips on the river. Fresh cow for sale by Geo. Rordan.

Mr. Abe Foley returned from his trip to Crook county on Tuesday. He went after his team of horses, but succeeded in finding only one, and it was being worked by a man who had taken the horse up on the range. W. A. Langille is in Portland and was interviewed on Wednesday by a reporter of the Telegram, who evidently thought Will had just arrived from Alaska and gave half column of "late Dawson news." Mrs. Geo. P. Crowell went to Portland to see the Oregon soldiers leave for the war on Monday, and to bid good-bye to her son, Clarence C. English, who is a member of Company E. Dr. E. T. Carns, dentist, will visit Hood River June 1st and remain three days, 1st, 2d and 3d. Office at Mt. Hood hotel. All work at Portland prices. Hood River valley got a light shower of rain Wednesday night, just enough to lay the dust. In the Willamette valley it has been raining for several days. The Epworth League of Belmont will give a literary entertainment and social on Saturday, June 4th, at 8 p. m. Mr. J. R. Nickelsen is now time keeper at the Davenport mills. E. W. Udell is at work at the same place. Clyde T. Bonney yesterday received a carload of ice from North Powder and is storing it in his ice house. Mrs. Chas. Reed is visiting in the valley. Mr. Reed is teaching the school at Chenoweth. Mrs. Walter M. Cook of Portland is visiting Mrs. C. M. and Miss Marion Cook. J. H. Zane, publisher Oregon A. O. U. W. Reporter, and family are in the city. Rooms to Let—Apply to Mrs. Palmer. Mr. Wm. Boorman is in town. Commencement Exercises. Commencement exercises of the Hood River public school will be held in the M. E. church tomorrow evening, May 21, at 8 p. m. PROGRAMME. March, "Tannenberg".....Wagner Miss Anna Smith and Mr. Henry York. Invocation.....Rev. Dr. James Duet. "Salute the Old Defender".....The Epworth League. "The Future of the State Salutarium (Louisa M. Alcott).....Grace Howell "Education".....Maud Stranahan "Volin solo, selected".....E. K. Bartmess Vaudeville, "Purpose in Life".....Agnes Dukes Address to the Class.....Rev. Mr. Hirschner Class Song.....The Epworth League Presentation of Diplomas.....C. M. Wolfard Benediction.....The Epworth League Closing Prayer of the Emergency Corps. The following prayer has been adopted by the members of the Emergency Corps, Hood River, to be repeated at the close of their meetings: "Our Father who art in heaven, hallowed be Thy name. Thy kingdom come. Thy will be done on earth as it is done in heaven. Grant Thine approbation to the work of this society which tries to lighten the woes of those patriots who have left us to battle for the rights of man, to emancipate Thy children from the yoke of cruel oppressors, and to plant our flag, emblem of liberty and human rights, on every hill top where Thine emancipated children shall in their rejoicing give Thee glory now and ever. Amen." By order of the committee of three. Mrs. W. L. ADAMS, chairman. Mrs. O. L. STRANAHAN, Mrs. A. MAYS. Courage of the Stay-at-Home. Washington Post. It sometimes requires more and better courage to stay at home than to go to war. Many a man who, if duty would permit him to volunteer, would be glad to go, is compelled by the most solemn and binding of all human obligations to stay at home. It is not a manly, a wise or heroic thing for a citizen to leave his wife, children, parents or sisters in want in order to go where he is not needed. So long as there is a surplus of men who want to enlist, and whose presence at home is not essential to the support of families, no man whose presence is thus required has a moral right to enlist. Teachers' Certificates. The following received certificates at the examination last week: First Grade—Hoyl Green and Margaret Shelley of Hood River. Second Grade—Edna Brown, The Dalles; Emma Bonney, Tygh valley; Alice Powell, Margaret LeDuc, Dufur; C. R. Deems, Wamie; Madge Warren, Hood River. Third Grade—Mrs. M. D. Wheeler, Wamie; Anna Powell, Lottie Covey, Dufur; Mrs. Alice Proxins, The Dalles. Don't Tobacco Spit and Smoke Your Life Away. Jenkins will preach in the Valley Christian church Sunday morning and evening, May 22d. There will be preaching in the Odell school house at 3 o'clock, Sunday, May 22d, by Rev. J. W. Jenkins. Congregational Church.—The Ladies' aid society will meet today (Friday) at Mrs. J. L. Hershner's, at 2 p. m. The usual services will be conducted on Sunday by the pastor. Subject at morning service, "Lessons from Our Leaves." Although the interior improvements will not be completed by Sunday, this will not interfere with the public service. A cordial welcome to all who do not worship elsewhere. Rev. J. T. Merrill will return to Hood River in time to fill his pulpit next Sunday. Services will be held in the Bethel A. C. church Sunday, at 11 a. m. Elder W. H. Warner of Portland will be present on Tuesday and continue services during the week. Odell School House.—Sunday school at 11 o'clock. Memorial Day. Committees from Canby post, G. A. R., and W. R. C. have made arrangements for the memorial sermon on the Sunday preceding and the exercises on Memorial day, as follows: Sunday, May 29th, post and corps and Sons of Veterans will assemble at A. O. U. W. hall, at 10:30 a. m., and march together to the U. B. church, where memorial services will be conducted by Rev. J. T. Merrill. Canby Post and Canby Corps, with Sons of Veterans and citizens, will assemble at Idleville cemetery at 10 a. m. on Monday, May 30th, where the impressive services of the Grand Army will be conducted according to the ritual, and the graves will be decorated. Details will be sent by the Grand Army to decorate the soldiers' graves in Irving cemetery and at Pine Grove. All old soldiers and their families are requested to be present. The pupils of the public schools in the valley are especially invited to participate in the patriotic exercises. By order of the COMMITTEE. No-To-Bac for Fifty Cents. Guaranteed tobacco habit cure, makes weak men strong, blood pure. 50c. 81. All druggists. Whooping Cough. I had a little boy who was nearly dead from an attack of whooping cough. My neighbors recommended Chamberlain's Cough Remedy. I did not think that any medicine would help him, but after giving him a few doses of that remedy I noticed an improvement, and one bottle cured him entirely. It is the best cough medicine I ever had in the house. J. L. Moore, South Bergetstown, Pa. For sale by Williams & Brosius. The St. Louis Republic is the leading paper for news. It comes twice a week for \$1 a year, or three times (34 pages) for \$1.50. The GLACIER and twice-a-week Republic \$2.25 a year. Rules for Picking and Packing Strawberries. All berries must be fully three-fourths red when picked, with stems from one-quarter to one-half inch long. All berries to be packed from bottom tier up. Hallocks to be oval full, so top of crate just touches berries. No berries must be packed that are less than one-half inch in diameter. All berries packed must be sound and perfect in shape. Berries not coming up to this standard will bring returns accordingly, as all berries will be sold on their merits. Freight and express charges are as much on poor fruit as they are on the best fruit. H. R. F. G. U., N. C. EVANS, Secretary. Beauty is Blood Deep. Clean blood means a clean skin. No beauty without it. Cascarets, Candy Cathartic clean your blood and keep it clean, by stirring up the lazy liver and driving all impurities from the body. Begin to-day to banish pimples, boils, blotches, blackheads, and that sickly bilious complexion by taking Cascarets,—beauty for ten cents. All druggists, satisfaction guaranteed, 10c, 25c, 50c. Strawberry shipments: May 12th, 10 crates; 13th, 31; 14th, 27; 15th, 28; 16th, 86; 17, 147; 18, 125—total, 454. Total shipments to date, 467 crates. Up to date the record shows that 372 American boy babies have been named "George Dewey" and 64 girl babies have been named "Columbia Manila." Considering the fact that we are having a late spring, this is doing quite well.—St. Louis Republic. I have been a sufferer from chronic diarrhea ever since the war and have used all kinds of medicines for it. At last I found one remedy that has been a success as a cure, and that is Chamberlain's Colic, Cholera and Diarrhoea Remedy.—P. E. Grisham, Gaars Mills, La. For sale by Williams & Brosius. The Mountaineer says J. H. Aldrich, union candidate for assessor, is not a stranger to the duties of the office, having served three terms as assessor during his life.
