Hibben of Kansas City, head examining physician, will be present and speak on the benefits of the order. Everybody is invited to come out and hear Dr. Hibben. About one month ago my child, which is 15 months old, had an attack of diarrhoea accompanied by vomiting. I gave it such remedies as are usually given in such cases, but as nothing gave relief, we sent for a physician and it was under his care for a week. At this time the child had been sick for about ten days and was having about 25 operations of the bowels every 12 hours, and we were convinced that unless it soon obtained relief it would not live. Chamberlain's Colic, Cholera and Diarrhoea Remedy was recommended, and I decided to try it. I soon noticed a change for the better; by its continued use a complete cure was brought about and it is now perfectly healthy.—C. L. Boggs, Stumptown, Gilmer Co., W. Va. ### America's Greatness.

Editor GLACIER: Since the present war with Spain commenced we have raised and equipped an army of 200,000 men; increased our navy to such numbers and fighting capacity, and gained such victories with so little loss of life or ships that the whole civilized world is astonished and is looking on with a jealous and envious eye. But they have changed their views and attitude to suit the result of our brilliant achievements. It has been the greatest object lesson the world has ever seen—a great nation waging war for a weak and oppressed people, and the kindness and hospitality shown to all prisoners taken. We shall become a greater and more prosperous nation and the world is better for this great baptism of fire. Never in the history of any age has such patriotism been so fully demonstrated by all classes with money and men, and with wisdom in our settling up the war with Spain will show the greatest progress the world has ever seen. E. D. C.

The Rev. W. B. Costley of Stockbridge, Ga., while attending to his pastoral duties at Ellenwood, that state, was attacked by cholera morbus. He says: "By chance I happened to get hold of a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and I think it was the means of saving my life. It relieved me at once." For sale by Williams & Brosius.

### Services at the Bridge.

EDITOR GLACIER: Being at the bridge, camping, on Sabbath, the 7th inst. we were entertained by religious services held by the Rev. D. C. Garrett rector of Trinity Episcopal church, Portland. Dr. Garrett and family are camping at the bridge, and with them are the choir boys of his church, who are given an outing by the church. Over fifty came Sabbath morning at 10 o'clock to attend the service; some came three and four miles, and the united expression was that they were well paid for coming. Dr. Garrett is an easy and earnest speaker; he made no attempt to preach a sermon, but gave us a fine dissertation on the faith of the woman whose daughter was sick. The singing by the choir boys was good; they started their own tunes without help of organ or prompter, and considering their age from 10 to 15

years we judge and their shouting and bathing in the cold water which made them hoarse. Dr. Garrett has a worthy assistant in the person of his wife, who looked carefully after all the details of the service. We were glad to meet them and though not a communicant of their church, we trust we were made better by the presence and counsel of this Christian man and woman. Hoping we may be able to meet the genial Dr. at his own church in Portland and hear him at his best. We remain truly, C. J. HAYES.
