The Hood River band was handsomely entertained at White Salmon, Monday evening, where they were called to furnish music for the grand patriotic rally, when M. P. Isenberg is said to have made the best speech of the campaign. The band boys were met at the ferry and taken up to the town in hacks. They played a tune on the balcony of the Morse hall and then were taken to an excellent supper at the Cliff house. The speaking was in the Morse hall, where the band played patriotic airs. The boys say their reception by the good people of White Salmon was in striking contrast with the way they have sometimes been treated at home when called upon to donate their services. Capt. H. C. Cook, the committee chairman, paid the band \$10 for their services.

**Death of Mrs. A. P. Bateham.**  
An interesting case just after going to press last week, telling, what few in Hood River were aware of, that Mrs. A. P. Bateham was in a hospital in Cleveland, Ohio, where she underwent a severe surgical operation on the 20th of last month. Her case progressed finely for two weeks, and we were anticipating the pleasure of telling her friends here that her early recovery and return was assured. But we are forced to tell very different news now. Last night she suffered a relapse, and in spite of all that the best physicians in Cleveland could do, she died Sunday night. Relatives from there accompanied the remains to St. Paul, for which place her husband started on Monday. Mrs. Bateham's home had always been in St. Paul until she came to Hood River four years ago. She was a social favorite everywhere, and her many friends will miss her indeed and deeply sympathize with the husband and daughter whom she left.

## THE PEOPLE'S STORE.

See the Point. Overlooking small points may do well in some lines of business, but it will not do in the optician's. There is no minute detail in the proper treatment of the eyes that Prof. P. G. Daut, the eye specialist, overlooks. Accuracy and results are what he claims and guarantees. His work is beyond comparison to the so-called doctors and peddlers who travel from place to place, and best of all, all work guaranteed. Give him a call. He is located at The Dalles.

Chris. Dethman's interest in another column may read you in Mr. O. Sandman, living near Mt. Hood, is quite low with cancer of the stomach.
